The remains of the during the week, booking to an absorabing abild were found as reports says, in a criminal from Paker county. trunk, and the woman twen vefour hours dead in her room. The bluntest Monfax moral sense most be staggered by events of this character. The abortionist is not wanted. Their vile presence is manifested by their vile deeds Who knows how many cases of concealed humocide and infanticide have taken place at the hands of these med ical harpies. The practice of mediciain Oregon is wholly unprotected. And man or woman who is sufficiently do void of decency and hardened enough in crime, can plant blanself or hersel down in any community in Oregon and under the broad plea of practicin. medicine, engage in the concealed criminal and diabolical practice of abortion. Nay, it is not only true that they can do so, but they are doing it every day. Herod beheaded infants under plea of averting competitors for his throne. Immoral quacks murder for the paltry love of gold, associated with whatever other avil advantage they can combine with it. It is to be hoped that the next Legislature will throw some safeguard around the decent practice of medicine-the moshumans and commendable association m society. THE CITY BUILDING -- We under

stand that the contract for fitting up the city jail, look and ladder building and council chamber was let to W. R. Johnson by the committee appointed for that purpose; that Mr. Johnson. made his preparations to commences the work and fulfill his contract, by was ordered to desist my the mayor. I this be true, which we have no reason. to doubt, the committee are certainly not doing that which they were or dered to do by the council, nor doin. exact justice to the city. The city is sying \$5 per month rent for cosmeil chamber while they have building which with little repair coulbe used by the connect and save the city \$5 each month. In this mattethe mayor certainly exceeded his an thority, in ordering the work stopped and the committee have no right to countenance an order made by an one unless by an officer armed with a injunction. We hope the master mabe settled without many to any onbut as to the work and the manner in which it should be done, it is adely inthe bands of the committee, and it is due to the tax-payers of the city the they order the contractor to proceed with the work without further delay.

A Pudicistic M. D.-Pendleton has a pugilist in the shape of one Dr. Bur, It seems that he has knecked on everything that has come belove him his last achievement being that o knocking out J. R. Wager, the E. O. man, in one round. Our fighting editor is somewhat over-anxious to acrange a match with this " terror," and will neet him any time and give him a receipt for one year's subscription to the Scott-providing be paye in ad-Yante.

Imenoving. - Hank Vaugho, wie was recently shot at Centertille, has had an operation performed on the crippled arm and is much improved Possibly he will not soon again be seafixious to make a man dance at the point of his pistol. That man his never yet been "so bad," but that he found some man who was not afraid of him when he had an equal show.
