Health of the people in this valley is very good. Farmers scratching about to raise

money to pay the tax man.

Much chin music over the division of the county. Maybe so, maybe not BO.

Farmers are jubilant to see the falling weather of late, and have hopes of good crops the coming season.

A visitation of salmon front up; the river caused much excitement, it being so late in the season. They were very fine fish.

There has been several very fine sleighs made this winter, but doubtless they will have to be used on dry ground, if at all.

There is some anxiety as to whether the county court will offer a bounty on squirrel tails the coming season, Should they do so the pesky little vermin will be nearly exterminated.

Some of the lads at Alder turned loose a shower of stones on Mr. Clson's dwelling house, a few days ago, for which they were required to pay \$10 fine, and costs, amounting to \$35 or \$40. Quite a joke on the larks.

The unit line from Alder to Anitone, W. T., bids fair to be a very important route. There is a post office on Trout creek, ten miles from Alder, called Teepy Springs, and one at Lost Prairie. The office at Teepy Springs is well supplid with stamps. envelopes, and registering material.

Several social parties have been given, lately, which were very much enjoyed.
