From Idaho.

Bellevne, July 26, 1887. Eb. Scour :- Thinking probably a few notes from this locality might be of interest to some of your numerous readers, I'll open my talkative mouth Once more.

Bellevue is beautifully located in the famous Wood river valley, surrounded on either side with ranges of manutains, whose grassy rides have been broken. in numerous places by seekars after the liver deliar of our "daddles." Namerous voias have been found so rich in silver that it cancel the lucky one to smile like an aligator; but there are only about a balf dozen near Bellevue abut are being worked with a full force. Two of these mines employ about five hundred men. The grade of era scenis to get beifer as they go down.

Quite a number of Grands Renders have found abiding place here. Judge-I. N. Knight, the first judge of Union The judge looks ye hap it than he used to. Dr. Biggers, who his but recently:

Ween morbid outward symptoms and to. Br. Bleggers, who has but recently arrived at thir place from Union, is meeting with flattering success. The Dr. and his partner, Dr. M. Jones, who is also a very fine physician, and a gentleman, are doing nearly c'll the practice in and about town. All their patients are soon made to feel that there is a "Balm in Gillead," Prof. A. J. Hackett and W. R. Johnson have J. Hackett and W. R. Johnson have completed an elegant bridge of 84 ftspaniacross Wood river. The Prof. got his No. 3 feet under a No. 10 stick of timber and smeetied off a few of his "webs." Br. Biggers patched them tionable sources of up and he is all OK now. Thus, many others, where the retarret sy canab. Beard, Jr., and William Roth were here for several weeks with a large band of horses, but as the horse market was very dull, they shipped to Denver. Colorado. Thos. Harris and another waiter, familiarly known about Union as "Chump," are at Hailey. Gid. Benson is living on the south fork about 10 miles from here. He is in the stock business. Ote Benson is also here, working in the "Queen" silver mine. "Dot" Beart is living on The doctor explained how men and Cames prairie and has a large band of women should live in order to meet this horses. We had that "Det" is think- terrible malady, and histanced several ing of "doubling Lis sorrows." Prof. M. F. Harlin, a former principal of Union's public vehocl, recently passed chrough here with a large band of blooded horers for the Montaga market. Thes, and Chas, Babington are living them unless they take prompt and in Camas profile, and doing well. Un- proper action, and then by a correct cle Tom Beard and son, James, have course of life and the use of just the right located here. Jim and a mower have means sock to prolong their lives, most been making it lively for the rattlesnakes below town, for the last week, deaths might and would be avoided." J. S. Wilmot dropped in among us last Monday. He is now at work on the Merchant hotel at Hailey. Dave Steele is at Ketchum, and still working at his trade. Try the new baking powder at Jones Bro's. Only 35 cents a can. Warranted as good as any powder in the market, or money reminded.

A SCIENTIST'S WARNING. Symposis of a Remorkable Lecture De irrered by Dr. H. E. Hammond

Before the National Sciens I ata' Convention. "We call this an 'age of progress,' and

so in many perpension is, but I do not hesitate to sleebers not I coupliationly that in many things that co-estante rathappiness we are startly children. Les us son: Wo are startled constantly by the sudden death or since bean who seemed the picture of housin. He thought be was work. The assembly his appetite was poor, but the hallowday afterward it was rave size. He is atrange pains shorting to our his body but as they did not so ye long to for them. Bushead proofs him ported assity, he was re-newical palsy their convince, and was one-seen it slift tires, but he not comparatively word and vigorous. And

yet he same only died! It is a pleasure to our be sted evilonium." historical a number of their as well known to I have take tool theil in grout permy, although pain, and continued:

y they had experienced and serious few-supersound title "Why is it the so many little child en are tesday stanted, and apparently a led bed for life? I emouse those

early and inevitable diseases, measles, work, and the child languishes, perhans Look at the list of women who sie in childbirth, and why is it? simply because their maternal organs have been so weakened by the most terrible of all diseases that they cannot withstand the fearful sudden strain that is brought to bear upon them. How many women escape monthly agonies? And yet nature never intended that pain or inconvenience should attend the operation of ber natural laws. The solemn and terrible fact is that men and women drag along, die, and are burdel, and their friends and the doctors as heart disease, apoplexy, phenmonia, congestion, convulsions, when the cause lay far back of these things and was Bright's disease of the kidneys. That was the inward cause; these are the outward manifestations. Every disease must have a root, just as certainly ansvery plant. Ridney disease is the great root from which most than modern diseases, no matter what their

name may be, actually spring. "But because the kidneys are so important, so delicate, and so powerful,

anniysis and actual test, only one possesses absolute merit and power. I have seen a number of cases, and

preparation. Hunt's Remody has been almost remarkable in its results. One case in particular was that of a prominent backer residing in New York, whose family physicians, assisted by the best counsel that city could produce, declared his case to be hopeless, and who was afterward restored to periect health by the means I have named. I have not healthed to me it freely among my patients, and from the results I have secured, I shall con-

tinue to do so." additional cures which had followed the use of the remedy halore reserved to. In

concluding he said: "If men and women could only be aroused to a realization of their netual danger; to a sense of what is before the Count of the State of Oregon, for the Charles of Union, W. P. Goldsberg, Plaintiff, of the present suffering and untimely
