**GREATLY EXCITED.**

Not a few of the citizens of Union have recently become greatly excited over the astonishing facts, that several of their friends who had been pronounced by their physicians as incurable and beyond all hope—suffering with that dreaded monster, Consumption—have been completely cured by Dr. King's New Discovery for Consumption. The only remedy that does positively cure all throat and lung diseases, Coughs, Colds, Asthma and Bronchitis. Trial bottles free at Wright's drug store. Large bottles \$1.

**EAGLE COOPER SHOP.**

S. B. Ayles, manufacturer of butter barrels and kegs, has always on hand a good supply of the best quality and will sell them at reasonable prices. Give him a call at his shop, south of the school house, Union.

For Sale—Bar fixtures and stock of wines, liquors and cigars, good billiard table. In fact a complete saloon outfit. Inquire at this office.

**DON'T**  
 let that cold of yours run on. You think it is a slight thing. But it may run into catarrh. Or into pneumonia. Or consumption. Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself. The breathing apparatus must be kept healthy and clear of all obstructions and offensive matter. Otherwise there is trouble ahead. All the diseases of these parts, head, nose, throat, bronchial tubes and lungs, can be delightfully and entirely cured by the use of Boschee's German Syrup. If you don't know this already, thousands and thousands of people can tell you. They have been cured by it, and "know how it is themselves." Bottle only 75 cents. Ask any druggist.

Nervous Exhaustion.  
 A Few Useful Hints For Nervous People.

"I am so nervous" is a very common expression, used by both old and young; and very few can now be found who are free from nervous troubles. We regret to see that the malady is rapidly increasing. And from what cause? There are various reasons. It may be because of a low condition of the general health; the vitality of the nervous system is depressed; or from a want of perfect digestion and assimilation of food, and the vitilizing power of pure, rich blood, the nerves are not properly strengthened and nourished, and consequently become weak and diseased. There was a time when "nervousness," and that class of disease known as nervous affections, were apparently confined to ladies; but at the present day it is an undoubted fact that as large a portion of nervous diseases exist among men as among the gentler sex; and their distressing effects and lasting and enervating results are a thousand fold more serious, as they extend to posterity and are productive of a weakened and enfeebled race. Nervous and physical debility, caused by

**Exhausted Vitality**

is a frequent and distressing disease, its depressing influence being felt alike on both sexes and all ages. Among the first symptoms of this affection are usually a derangement of the digestive organs. A feeling of languor will be experienced, and a gradual falling of strength, with general weakness and pain in the back. More or less exhaustion is experienced on waking in the morning. There is often a bad taste in the mouth; the vision becomes dim, the memory is impaired, and the patient is troubled with frequent dizziness. Persons thus affected are often despondent, and suffer from gloom and depression of the mind. The nerves become so weakened that the least excitement or shock brings on a tremor or trembling, often attended by palpitation of the heart.

**LADIES**

Are particularly susceptible to nervous disorders, owing partly to their more delicate nervous organization and partly to their sedentary life and consequent confinement in-doors. Such affections are attended by restlessness and nervous excitement, anxiety or depression of the mind, loss of interest in society and the daily affairs of life. There is also loss of sleep; the patient on rising in the morning, feeling tired, languid and unrefreshed. From slight nervous attacks to hysteria, from simple "nervousness" to utter prostration, there are in many and varied forms of diseases of the nervous system none of which should exist, and all of which can be cured by the use of

**Dr. Pardee's Remedy**

Which first stimulates the liver and kidney's to healthy action, regulates the digestive organs, and from the first dose begins its work of purifying and building up the worn-out system. It produces sweet and healthy sleep, enriches the blood, and imparts to the pale and sallow cheeks the glow of health, brings brightness to the eye and elasticity to the step. More real benefit can be derived from one half dozen bottles of Dr. Pardee's Remedy, than from a hundred dollars invested in any other way. Ask your druggist for it, and take no other.
