SHORTEST AND BEST ROUTE. That is about all there is in it. Land is held in this country at \$150 to \$200 per acre in large tracts where the climate, in my opinion, is inferior, the water scarce and much poorer, the land not as rich and productive as plenty of \$25 land in Oregon. What the inducement is for a man that knows any other country to put his money in this high priced land is more than I can see. The men are no smarter, the women are no prettier and the country is no healthier, so I think the people all over Oregon should be pretty well satisfied with their homes.

Respectfully,
D. B. REES.

Nervous Exhaustion.

A Few Useful Hints For Nervous People.

"I am so nervous" is a very common expression, used by both old and young; and very few can now be found who are free from nervous troubles. We regret to see that the malady is rapidly increasing. And from what cause? There are various reasons. It may be because of a low condition of the general health; the vitality of the nervous system is depressed; or from a want of perfect digestion and assimilation of food; and the vitalizing power of pure, rich blood, the nerves are not properly strengthened and nourished, and consequently become weak and diseased.

There was a time when "nervousness," and that class of disease known as nervous affections, were apparently confined to ladies; but at the present day it is an undoubted fact that as large a portion of nervous diseases exist among men as among the gentler sex; and their distressing effects and lasting and enervating results are a thousand fold more serious, as they extend to posterity and are productive of a weakened and enfeebled race. Nervous and physical debility, caused by

Exhausted Vitality

is a frequent and distressing disease, its depressing influence being felt alike on both sexes and all ages. Among the first symptoms of this affection are usually a derangement of the digestive organs. A feeling of languor will be experienced, and a gradual falling of strength, with general weakness and pain in the back. More or less exhaustion is experienced on waking in the morning. There is often a bad taste in the mouth; the vision becomes dim, the memory is impaired, and the patient is troubled with frequent dizziness. Persons thus affected are often despondent, and suffer from gloom and depression of the mind. The nerves become so weakened that the least excitement or shock brings on a tremor or trembling, often attended by palpitation of the heart.

LADIES

Are particularly susceptible to nervous disorders, owing partly to their more delicate nervous organization and partly to their sedentary life and consequent confinement in-doors. Such affections are attended by restlessness and nervous excitement, anxiety or depression of the mind, loss of interest in society and the daily affairs of life. There is also loss of sleep; the patient on rising in the morning, feeling tired, languid and unrefreshed. From slight nervous attacks to hysteria, from simple "nervousness" to utter prostration, there are many and varied forms of diseases of the nervous system none of which should exist, and of all of which can be cured, by the use of

Dr. Pardee's Remedy

Which first stimulates the liver and kidney's to healthy action, regulates the digestive organs, and from the first dose begins its work of purifying and building up the worn-out system. It produces sweet and healthy sleep, enriches the blood, and imparts to the pale and sallow cheeks the glow of health, brings brightness to the eye and elasticity to the step. More real benefit can be derived from one half dozen bottles of Dr. Pardee's Remedy, than from a hundred dollars invested in any other way.

Ask your druggist for it, and take it other.

Mexican Mustang Liniment

CURES

Sciatica, Lumbago, Rheumatism, Burns, Scalds, Stings, Bites, Bruises, Bunions, Corns, Sprains, Strains, Stitches, Stiff Joints, Backache, Galls, Sores, Spavin, Cracks, Contracted Muscles, Eruptions, Hoof Ail, Scurf, Worms, Swinney, Saddle Galls, Piles.

THIS GOOD OLD STAND-BY

accomplishes for everybody exactly what is claimed for it. One of the reasons for the great popularity of the Mustang Liniment is found in its universal applicability. Everybody needs such a medicine. The Lumberman needs it in case of accident. The Housewife needs it for general family use. The Cavalier needs it for his team and his men. The Mechanic needs it always on his work bench.

The Miner needs it in case of emergency. The Pioneer needs it—can't get along without it. The Farmer needs it in his house, his stable, and his stock yard.

The Steamboat man or the Boatman needs it in every emergency.

The Horse-fancier needs it—it is his best friend and safest reliance.

The Stock-grower needs it—it will save him thousands of dollars and a world of trouble.

The Railroad man needs it and will need it so long as his life is a round of accidents and dangers.

The Backwoodsman needs it. There is nothing like it as an antidote for the dangers to life, limb and comfort which surround the pioneer.

The Merchant needs it about his store among his employees. Accidents will happen, and it is better to have the Mustang Liniment on hand than to want it.

Keep a Bottle in the House. This is the best of all.

Keep a Bottle in the Factory. Its immediate use in case of accident saves pain and loss of wages.

Keep a Bottle Always in the Stable for use when wanted.
