In the office of the county clerk we find a great improvement in regard to the manner of keeping the accounts of the county, and also of the arrangement of the files and records pertain-

good order and neatness, believing as we do, the office to be in better condition than at any time since the organization of the county.

We find that the several Justices of Katie D Finn vs M S Pelton et als; the Peacy of the county have failed to comply with the provisions of an act A E Eaton vs T P Baird et al; sale of the legislature, entitled: "An act to provide for the publication of a re-J B Worster vs Henry Dray; sale port of the county finances. Approved freb. 14, 1887." We attribute the fact to a non-distribution of the laws to said Justices, and recommend that said

several Justices be supplied with the laws of the state of Oregon, and that Aaron Thomas vs Jno W Lawrence | said law be rigidly enforced. We commend our sheriff A. N. Hamilton for the diligence he has exercised in the collection of our delinquent taxes, and find that owing to his dili-

gence in the collection of said taxes, George Miller vs Henry Lynch; our delinquent tax list is now less than it has ever been since the organi-
