Special illustrated articles appear in each issue, also, several pages of notes of the progress being made in every section. Oregon, Washington, Idaho, Montana, Alaska, Utah, California, British Columbia, and the Pacific Northwest, in general, are being illustrated. The subscription price is only \$2.50. It is not only the cheapest illustrated magazine in the United States, but contains articles and engravings of great interest to every reader of this region, which can not be found in any other publication.

Subscribers for 1888 receive a large supplement every month.
