THINK OF IT.

Now, as the tide of immigration for 1888 has begun to move toward the setting sun, and Union county is possessed of so many natural advantages, it behooves her citizens to bestir themselves and make the most of it. It is an old adage that "God helps those who help themselves, ' and whether this be true or not it is almost an ethers are not going far out of the way to get in their work for the purpose of helping us. We have a good county and every citizen within her borders knows and realizes it. Then toot your horn. Blow it in the ears of every stranger that comes into the county that is likely to make a good citizen. Treat him as if he were your long lost brother; make him feel that you are interested in his welfare; induce him den't ask him double the value of it, it will make him lose confidence in your good intentions. Take the pains of introducing him to your neighbors, that he may feel more at home and not as a stranger in a strange land. ty, its industries, its prosperous outlook, its climate; of its schools, its churches, its morality, its health etc. Don't tell him the people of the counyour own precinct etc. If you can't meak of other sections and keep him Keep him in your locality if you cangood judgment and be possessed of yourself. What he likes in a country you may dislike, or the reverse of this We were pleased with the actions may be. Treat him gentlemanly and courteously-lt will make him feel friendly to you. Let every man in the county work carnestly for the building up of our county's interests,
