DON'T WORK.

The Southern Pacific railroad formerly the Oregon & California railroad, recently made an order to the effect that freight received from other lines must have the freight charges advanced before it would be taken by that line. This of course worked a hardship on business men, as freights were collected at destination point, The result is that much kicking is being done and the officials of that road are charged as acting in bad faith to as patrons. It is believed that the order was made for the purpose of shutting out competing lines. The action of the O. P. railroad company is believed to be fair play as indicated in the following article taken from an exchange: "The O. P now propose to meet the unbusinesslike order of the Southern Pacific in refusing to advance pay on freight by simply forwarding bills to our business men from Albany, delivering goods to the Southern at that point free of any charge. This will effectually head off the Southern Pacific in its attempt to gobble the whole business and we hope our people will not forget the efforts of the O. P. to play fair by them.

North Powder Notes.

July 2nd, 1888. Born.-June 29th, to the wife of

Wm. Saunders, a son. John Gilkinson returned from Califormia, last week, where he has resided for a year past,

J. D. Norval closed his school on Wolf creek on Friday and has returned to his home in Summerville.

The North Powder baseball club are preparing for the tournament at Baker which takes place on the 19th inst.

The "Stoddard" saw mill of Wolf creek has been closed down for repairs, but will resume business shortly. A number of visiting brethren of the L. O. O. F. fraternity from Union took part in the funeral exercises here

on Sunday. Capt. White has been appointed local agent for a Life Insurance company in connection with the order of L O. O. F.

The picnic grounds have been prepared for the 4th, near the river. A ball will be given in Spencer's hall in the evening. Chas, Scheidhamer has had his house moved to the center of his lot

and workmen are repairing and putting on an addition. Mr. Gus Weirner has secured a position as blacksmith at the company's

> Died.—At the residence of Mr. Charnes on Wolf creek on Saturday morning last, after a brief illness of ten days, Mr. Perry Chappel aged about twenty-five years, of rheumatic perricarditis resulting from acute intlammatory rheumatism. Although comparatively a "stranger in a strange land," having resided here but about two years he had by his honest, upright and manly course gained the esteem and respect of the entire neighborhood. All that was mortal of deceased was laid to rest in the silent city of the dead, Sunday afternoon, under the auspices of North Powder Lodge No. 88, 1. O. O. F., of which he was a valued and respected member. A large concourse of citizens followed the remains to the grave. Thus peacefully sleeping "neath the clods of the valley" lies an honorable citizen, an upright an esteemed young man cut down in the prime of life, reminding the living that in "the midst of life we are in the midst of death."

Mr. W. H. Morgan, merchant, Lake City, Fla., was taken with a severe Cold, attended with a distressing cough and running into Consumption in its first stages. He tried many so-called popular cough remedies and steadily grew worse. Was reduced in flesh, had difficulty in breathing and was unable to sleep. Finally tried Dr. King's New Discovery for Consumption and found immediate relief, and after using about a half dozen bottles found himself well and has had no return of the disease.
