SCHOOL AND CHURCH.

-A Baptismal garment known to be one hundred and thirty-three years

-lt is a somewhat singular fact that of all the Christian nations the United States of America are alone represented by Protestant Christian missions in Persia. -The total number of chapels and

Wales in connection with the Welsh Presbyterian church, commonly called Calvanistic Methodists, is 1,394. -Rev. Bartholomew Edwards, rector of Ashill, Norfolk, is the oldest clergyman in England. He has just com-

pleted his one hundredth year, and has been rector of Ashill seventy-five 000, there were 81,894 bastisms the past year. The whole number of

98,000. -February 22 is Arbor Day in Alaschools is expected to plant a tree. The day is memorable as the birthday tree when a boy.

-The new Congregational Manual of Great Britain shows that there are 4.338 Congregational rhurches in England and Wales, with 1,625,600 sittings. There are also 141 churches in

Scotland and Ireland. -Pere Hyacinth said lately that if the Church of Rome would give up infallibility, allow priests to marry, and render confession voluntary, it would rally to its side "all the dissenters and

all the lukewarm." -A new Canatauqua has been commenced near Niagara Town, about seven miles from the falls. About one hundred lots have been laid out for building purposes, several of which have been taken and cottages erected. A very superior assembly room has been built, and a hotel has also been erected. The directors are sanguine that Niagara Assembly will become a popular summer resort. It will indeed e a Chautauqua on a small scale.

FETISH WORSHIP. The Terrible Belief Held by the Native of the Dark Continent.

The African believes that there are everywhere evil spirits who are amenable to charms or incantations or, as he calls them, "fetishes," and that certain unknown or half-known persons whom he calls wizards are acquainted with these charms and use their occult knowledge for nefarious purposes. He OATS-Milling, 42@43c.; feed, 44 believes further that certain other persons are gifted with the power of tracking or "smelling out" the offenders. So universal is this belief that almost every village of pagan Africa, particularly toward the west coast, has its fetish house, a grim and ghastly building, often ranged round with human skulls in every stage of decomposition. and a fetish man, who is its high priest. season will obviate the necessity of more expensive remedies at a later grade, 15@22½:. or unscrupulously. The fetish man is bound by no law; he recognizes no rules of evidence. Any thing which appens, even in the most ordinary course of nature, he may pronounce to be the work of a fetish, or a wizard, and to need his assistance to ferret it out. A heavy rainfall or drought, a murra n among the cattle, a pestilence or a conflagration, a child devoured by a wild animal, an illness or a death POULTRY - Chickens, per doz., each and all of these may be pronounc-\$2 50@5 50; ducks, per doz., \$3 50@ ed to be "fetish" -somebody has done discussed. More than 100 lecturers 6 00; geese, \$6 00@7 00; turkeys, it, and he must be detected. So possessed are the natives this belief, it so forms part of their being, that it never occurs to any of them, though he knows his own turn may come next, to question the reality of this uncanny power; and, in the panie terror of this fetish man and his decisions the negro loses for a time some of his most essential and amiable characteristics, his frivolity, his lightheartedness; even his family affection. A son will join in putting his father to death; a brother will help to tear in pieces a brother. If the accused dares to deny the charge-which he seldom does, however preposterous or impossible it may be-he has to submit to some terrible ordeal, such as the running at full speed under an avenue of hooped arches about half his height, when, if he stumbles, or rather, as soon as he stumbles, he is backed to death; or the drinking of some deadly decoction, such as the casea bark, when his one chance of escape is handsomely to bribe the fetish man to give him the exand soils. The apples are perfect in form, coloring and size, and of fine M, \$18 00; No. 2 rustic, per M, \$18 00; bribe the fetish man to give him the exect quantity or quality which will make clear rough, per M, \$20 00; clear P. 4 him desperately sick, before the poison S, per M, \$22 50; No. 1 flooring, per M, \$22 50; No. 1 ceiling, per M, \$22 50; No. 1 rustic, per M, \$22 50; Calabar, in the Fan country and stepping, per M, \$25 00; over 12 throughout Angola this terrible belief unhealthful. ALGERIAN CHILDREN.

in North African Cities. I must again refer to the children, for this street was teeming with little Tlemcenites who had never left, and probably never would leave, their native town. The boys, when running

about, wear nothing but a long, white chemise and dark blue vest, but of all bewitching creatures in the world the little girls can scarcely be surpassed. They are everywhere, and must strike a stranger, certainly an artist, as a prominent feature of interest. Some are going to the baker's carrying unbalted loaves piled on a plank on the head; others with little brass-bound buckets br mming with milk; singly, in crowds, alwa s fascinating; not only pretty. but arrayed in an infinite varie:v of costumes they dart from shadow into sunlight, and disappear in a twinkling round a corner or through a doorway. They wear, first, a white chemise with gauze sleeves, over it a gandoura, or chemise without sleeves, and reaching nearly to the ankles, usually of printed calleo, glaring in color, and with spots, stripes, birds, branches and leaves; this gandoura is sometimes of rich brocade or light silk. Over the first preaching stations in England and they often wear a second gandoura of tulle with a design in it, ordinarily nothing more nor less than common white lace curtain stuff. All the materials hang limp and flutter when they run; round the waist a broad ceinture, and over the shoulders a little bodice. On the head a conical cap, always of crimson velvet, more or less ornamented with gold thread; children -In the diocese of London (Anglican | and unmarried girls wear them with a strap under the chin; married women tie them on with a colored handkerchief besides the strap. Their hair is births was, it is estimated, about fringed square, just over the eyebrows, and plaited down the back. The operation of dyeing it dark brownish winebama, when every pupil of the publis color requires several days, during which time they appear certainly at a disadvantage. Henna is made into a of one who cut down his father's cherry | mushy paste and plastered all over the head, as much as the hair, being tied up all over, can hold in place-and even more, for it runs down the neck, the cheeks, and into the ears. The process gives som what the appearance of a head modeled in wax with the hair studied in masses. The palms
