A Peculiar Case.

Eddle Nowlin, the little eight-year-old son of Thomas Nowlin, who came to Pendicton about a year ago from Colfax with Alta Benson has been quite sick for his family, is just recovering from a very peculiar disease, with which he had been Mr. James Payne, of the Cove, called on suffering for eight or nine months. The little fellow was very sick during that time, Dr. Hulsey, of Juker City, was in Union and none of the Pendleton physicians seemed able to make a correct diagnosis of Me John Martia, and wife of the Core the case. A Jorge and painful swelling on one of his wrists was the only outward sympton, call the usual remedies were applied to this without avail. Recently, one inth three, small lumps or knots appeared on partitions of the patient's body, and from Mr. E. B. Hullison. Wednesday for Pine- each of these issued a worm often found in well water. Five of the wrigging ereatnres were taken from his flesh, and now he brable to be up and around mid, play like I any ordinary child; while the effects of life disease are fast disappering. Dr. E. H. Pugsley, the physician who is now attend ing him, thinks that the worms were swallowed by the child while drinking welwater, and this seemes to be the only reasoundle explanation that can be offered for their presence in his body and ejection gros his skin. At all events, a more peculiar carefulition comes under the observation of a physician, and it is attracting much attention from neighbor-and triends of the family. - East Oregoniam.

and intelligent boys, arrived here a few the Depot hotel.

A number of sample copies of the great illustrated humorous paper, Texas Siftings, are now at this office and will be given to all who will call for them, free of charge. We are now clubbing with that popular paper and the Scour and Siftings can be secured in this way for less money than the price of Siftings alone. For further partieulars read the advertisement elsewhere in paper.

The Red Jacket mine, owned by the Oregon Gold Mining Company, continues in richness and is supplying the mill of the company with enough ore to keep it running for a long time to come. Numerous other mines adjacent are developing in a most encouraging manner and the miners. of the camp are more hopeful than ever that Cornucopia will create a great stir in the mining world in the near future.

J. B. Tharson, J. P. Kauper, Thos. Stroeber. Ulrich Lottes, John Hacker, Adam Bahr and Albert Gackel came over from La Grande this week and filed their declaration of intention to become American citizens. Only one or two of them could speak English. One year from now they will be entitled to vote at all elections and will have as much weight in voting for the removal of the county seat, and a levy of a tax on the people to pay for it, as the oldest and heaviest tax-payer in the county.

Subscribe to the subsidy. Hunt's road means increased value of lands and all kinds of property, with decreased taxation on the same. It means a ready market for all produce. It means from two to three dollars more per ton for hay, and from five to ten cents more for every bushel of grain raised. It means good times, plenty of era of unprecedented prosperity Get in and give what you are going to, and do it cheerfully.

work, we not considered by him of hourh value, as it was of a person unknown tokim. So he shipped it off to a dealer ha briesa-brac, hoping to get buck a part of his outlay from its sale. The statuctic was seen by Mr. W. Page, who recognized it as that of Col. E. D. Baker, and at once see Zigzag, all steel harrows are the best cured it. It is a most beautiful work of
