Frank Johnson, the blacksmith, and family will take their departure this week for Lost Prairie, Wallowa county, where they will permanently reside.

John W. Ellsworth, formerly of the Cove, writes us a pleasant letter from Etzema. He says he is getting along nicely and will soon commence a term of school as teacher.

Wm. F. Haines, of North Powder, called on us a few days ago. He will move in a few days to Vanwyck, Boise Co., I. T. He subscribed for THE SCOUT, to be sent to him at that place.

Dr. McDonald, formerly of this county, is now in Eugene and has entered into partnership with Dr. Prentice, of that place. It is said they have a large and increasing practice.

C. M. Howard left this morning for Hot Lake, Union county, to take charge of the school at that place. Mr. Howard is a young man of ability, and fully able to train the young minds in his care to shoot successfully.—E. O.

Harvey Moreland, on his 21st birthday, last Tuesday, received from his father in Portland 12 1/2 shares in the Columbia Fire & Marine Insurance Co., the par value of which is \$100 per share. A nice little starter for the young man.

The Baker Democrat says: "There arrived in our city last Sunday Messrs. Geo. W. Perkins and C. D. Reid, of Polo, Illinois, the former a son and the latter a son-in-law of the late Rufus Perkins who left a large estate in Baker and Union counties. Both gentlemen left for Sparta yesterday morning by stage."

Mr. J. D. Fisk, of San Francisco, agent for the Pacific Theatrical Association, was in the city this week, accompanied by his wife. His business was to look at the various towns throughout the country and establish routes for the various companies belonging to the association. After investigation he came to the conclusion that Union is a good show town, and made a contract for the use of Wrights Theatre here. Union now being one of the towns on the circuit, we may expect the advent of good troupes oftener than heretofore.

A very pleasant party was given Mr. Harvey L. Moreland on Tuesday evening, at the residence of Mr. and Mrs. W. T. Wright, that being the occasion of his 21st birthday. It was the gayest, happiest gathering that we have had for some time, and the evening was spent, till a late hour, most pleasantly. Numerous games were indulged in, besides plenty of good music, and an elegant supper which was served in the dining room. He received a number of very nice presents and the hearty congratulations and best wishes of all. For him, the threshold over which he passes to the arena of manly endeavor is a pleasant one indeed, but he is a sterling young man and deserves it all. Among those present were Mr. and Mrs. W. T. Wright, Rev. and Mrs. Irwin, the Misses, Maggie Smith, Mollie Foster, Minnie Shaw, Clara Rees, Ida Miller, Mollie Lewis, Viola Pursell, Lizzie Davis, Ida Johnson, Lora Warren, May Miller, Winnie Blakeslee, Sallie Warren, Mary Watt and Ina and Edith Wright, besides Messrs. A. J. Hackett, G. F. Hall, Geo. Beideman, E. B. Hill, M. F. Davis, Geo. Gignac, Geo. Irwin, H. D. Drake and H. L. Moreland.

Remember there is nothing really good comes until the celebrated Stutz New York Theatre Company, on Monday, April 15th.

The entertainment given by Prof. Martin, the magician and ventriloquist on Monday and Tuesday evening was very good, although not largely attended.

Last week, some twelve miles east of Canyonville, John Bronkoe, while asleep, was killed by Pete Sullivan. The murderer came in and gave him a coup.

The buildings in Pendleton, occupied by Dan Taylor as a barber shop and Myers & Frank as a cigar manufactory, were destroyed by fire on the 11th inst.

Zizzag, all steel harrows are the best smoothing harrows yet produced. Ask your neighbor who uses one, and order from Frank Bro's, Implement Co. at Island City or La Grande.

S. H. McLaughlin, of Vale, Malheur county, a few days ago, after engaging in the pleasant pastime of beating his wife, was taken out by the irate citizens and severely whipped and then "ducked" in the river. Served him right.

James Quinn while plowing on the No-dine ranche below town last Monday, was accidentally thrown over the wheel of the plow, and sustained internal injuries from which it is thought he cannot recover. Drs. Cromwell and Deering are attending him.

Union is to have several good theatrical companies during the next few days. Be careful and don't get them mixed up. Lindsay and his company to-night, the Love-Inman company, Saturday night, and the Stutz company on Monday evening of next week.

Mrs. Waisty, of La Grande, keeps a full line of ladies' wear and millinery goods of the latest style and fashion. Best quality of Amos-kay for 11 1/2 cents per yard. A rebate of \$1 for every \$15 worth of goods bought in the next 30 days. This offer may not be made again.

In conversation with Mr. Willbur Davis the other day, he informed us that he is now making active preparations for putting in a quartz mill on the "Last Chance" property on Pine creek. The mill will be of ten-ton capacity. Mr. Davis has great faith in the Pine creek mines and has no hesitancy in making investments there.

Attorney H. F. Barleigh took his departure for Enterprise, Wallowa county, last Tuesday, to attend court which will be in session there. We will say to our Wallowa delinquent subscribers that Mr. Barleigh has our accounts against them with instructions to collect. Settlement can be made now, only at the rate of \$2 per year on subscription. Those to whom we have sent bills will do well to interview Mr. Barleigh before the music gets too lively.

Rev. W. C. Baird and wife while going to attend the Presbytery at Summerville, a few days ago, met with an accident. The horses became frightened and commenced to run, throwing Mrs. Baird out of the wagon and breaking one of her ribs. This is almost identical with the accident that happened to Rev. Rade and wife in Grant county, about the same time. They were driving home from church last Sunday and the team became frightened at some boys riding up behind them and ran away, throwing Mrs. Rade out and dislocating one of her shoulders.

Lindsay, the tragedian, and his company will appear to-night at Wright's hall, in that exciting drama, "The Lady of Lyons." It is not worth while for us to speak of the merits of this company as our people are well acquainted with them now. Reserved seats for sale at the drug store. Secure one early as there will, no doubt, be a rush.

James A. Devlin, formerly with Kate Pittman, is with the Love-Inman Comedy Company, and interpreted the comedian part in such a way as to send the people out hawking. He is one of the finest comedians on the road to-day. The company is strong in every particular, playing an entirely new repertoire, of which Mr. Love is the owner and author.—Milwaukee Sentinel.

We understand from reliable authority that the Wallowa murderers, Canfield, Evans and Burnett, are now in the penitentiary at Coldwater, Kansas, and that they will be brought back, in the course of a few weeks, to answer to the charges against them in Wallowa county. We are in hopes that this is true and that the bloodthirsty fiends will get the life choked out of them in short order.

The Love-Inman Company.

The Love-Inman Comedy Co. closed their week's engagement last night in the Salt Lake theatre to a packed house. "Facing the Enemy" was repeated and from the applause the company received we should say they could stay another week. The company is good in every particular, and Miss Union (as John Chen), the messenger boy captivated the audience and had them cheering from the time she appeared on the stage till the curtain closed to let the eyes of the people fall upon her.—Salt Lake Tribune. They appear at Wrights opera house in this city on next Saturday evening.

A Gift For All.

In order to give all a chance to test it, and thus be convinced of its wonderful curative powers, Dr. King's New Discovery for Consumption, Coughs and Colds, will be, for a limited time, given away. This offer is not only liberal, but shows unbounded faith in the merits of this great remedy. All who suffer from Coughs, Colds, Consumption, Asthma, Bronchitis, or any affection of Throat, Chest, or Lungs, are especially requested to call at Brown's drug store, and get a trial bottle, free. Large bottles, \$1.00.

An Accident.

ENTER SCOUTS.—A certain youth of the Cove who had urgent business in Union last Sunday procured a team and betook himself there about 3 o'clock, P. M. to insure plenty of time to return the team before dark, but as misfortune would have it he could not get back at the appointed time, therefore, about 12 the same night Mr. A. R. R. was aroused from his peaceful slumbers as the young man had returned and could not get the buggy into the barn without help. He had endeavored to awake the horse-hold by a tremendous rapping. This failed and he decided to open the door, when Master Bull gave a furious yell and bounded after the gentleman which caused him to retreat in good order. However it was the cause of help coming immediately. The buggy was quite lame, and gave decided evidence of someone having fallen through the left side of the top. No, it wasn't Jap. SILENT WATCHER.

Renews Her Youth.

Mrs. Phoebe Chesley, Peterson, Clay county, Iowa, tells the following remarkable story, the truth of which is vouched for by the residents of the town: "I am 73 years old, have been troubled with kidney complaint and lameness for many years; could not dress myself without help. Now I am free from all pain and soreness, and am able to do all by my own housework. I owe my thanks to Electric Bitters for having renewed my youth, and removed completely all disease and pain." Try a bottle, only 50 cents at Brown's drug store, Union, Oregon.

Tourists.

Whether on pleasure bent or business should take on every trip a bottle of Syrup of Figs, as it acts most pleasantly and effectually on the kidneys, liver and bowels, preventing fevers, headaches and other forms of obstructions. For sale in 50c and \$1.00 bottles by all leading druggists.

Stutz carries his own brass band orchestra, and two tons of special scenery.

MARRIED.

LEOPOLD.—At the residence of the bride's parents in Pine valley, March 19, 1889, by Rev. Richard Boyles, Mr. Ellis Leopold and Miss Lottie Reed, both of Pine valley.

DIED.

McFADDEN.—In Pine valley, March 25, 1889, Mrs. McFadden, aged about sixty years.

SCOTT.—In Pine valley, March 25, 1889, Mabel, daughter of Mr. and Mrs. M. A. Scott, aged about four years.

SWACKHAMER.—At the residence of his son, S. O. Swackhamer, in this city, Saturday April 6, 1889, Conrad Swackhamer, aged 85 years.

Deceased was born in New Jersey in 1804 and was the oldest of eleven children—seven boys and four girls. Six of his brothers still live in Pennsylvania. He was married twice, both of his wives maiden names being Atkinson. He moved from New Jersey to Pennsylvania, thence to Illinois and from there to Iowa, from which place his son, S. O. Swackhamer, brought him to Oregon in 1875, the latter to care for him in his declining years. He was a man of strong constitution, industrious and a hard worker. He was a consistent member of the M. E. church for over sixty years. On the 19th of March, last, he had an attack of erysipelas, which was the cause of his death. The old gentleman was well known by nearly everybody in this county, and his family name will be missed on the streets of Union, by every one. He fought bravely through a long and adventurous life, and rests, at last, in peace.

Fannie C. Boy vs. E. L. McClure; set for six days, and have found and returned into open court three true bills of indictment, and two not true bills.

That we have examined into the condition and care of the county poor house and its inmates in numbers, and find that it is comfortably and favorably kept and the county poor well provided for and taken care of.

That we have examined the jail and find it secure and in good condition and its inmates—seven in number—comfortably and safely imprisoned.

We find that the property belonging to Union county is well taken care of, with the exception of the out buildings in the court house yard, which are in a neglected and shabby condition.

We have examined into the office of the sheriff and have investigated his books, and we find everything connected therewith in splendid condition, and we further find that the sheriff has promptly paid over to the county treasurer all moneys belonging to said county, as by law required.

From the sheriff we have received the following statement: Delinquent tax uncollected and due to Union county for the years 1881 to 1887 amounts to but two thousand six hundred and thirty and eighty-nine one hundred and dollars (\$2,639 89) which very creditably shows the efficiency and zeal of our sheriff. The amount of uncollected tax for 1888 we find to be \$15,270 80.

We have examined into the condition of the office and of the books and records of the county clerk, and we find everything in splendid condition and admirably kept and many of the old records have been entered into new books, thereby causing great convenience to the people of Union county.

We have examined into the county funds and moneys in the hands of the clerk, and find all county moneys have been promptly paid over to the county treasurer, as by law required.

We have examined into the books of the county treasurer, and we find them accurately and neatly kept, and that all county warrants received in the payment of taxes have been promptly cancelled as by law required.

We also find that the semi-annual reports of the county clerk, treasurer and sheriff have been made in all things regular and according to law.

We would earnestly recommend that the out buildings, in the court house yard be removed and suitable buildings erected in their place, and that all those amounts charged as delinquent taxes from 1881 to 1887 which are uncollectible and consisting principally of poll taxes, be stricken from the delinquent tax roll.

We would also earnestly recommend that the bridge known as the Tuttle bridge three miles from Summerville and on the road to High be rebuilt, as it is now in an unsafe and dangerous condition.

We desire at this time to return to your Honor our sincere thanks for the courtesy extended to us, and to J. L. Rand, district attorney, for the prompt assistance and aid he has rendered to us in the performance of our duties.

And now having concluded our labors to the best of our ability and in accordance with the oath we have taken, we beg to be discharged.

Dated at Union, in the county aforesaid this 6th day of April, A. D. 1889.

J. E. POLLEY, Foreman.
