and contains a population of about 350. It will thus be seen that its growth is phenomenal when its isolation from public trade and its advantages are

taken into consideration. The last legislature granted the town a charter and the following officers were elected: Mayor, J. M. Church; recorder, James Reavis; marshal, L. R. Irwin; councilmen, Zooch, J. P. Gardner, R. F. Stubblefield and W. H. Miller.

In July '88, by a vote of the citizens of the county, the county seat was changed from Joseph to Enterprise. There are a number of fine brick business blocks which were erected during the past year and which would be an ornament to larger places. A number of new business places are in course of erection and a number of residences are being built.

The town promises to become a place of some considerable importance | Price \$9, per acre. as it is not only the county seat, but it is the center of a large and flourishing farming and stock raising community.

Since Enterprise was started, quite a good grain land; 30 acres fenced and under cultivation; 5.000 rails on place; dwelling, umber of stock raisers, who have become quite well to do in this world's goods, have moved into the growing city and are now reaping their reward by enjoying the fruits of their early industry.

The town is blessed with a fine wat-The town is blessed with a fine water power, part of which is used in running one of the finest roller-process cellar and out-buildings. Mortgage \$750. flouring mills in the state, the flour made being of the best quality, which, in part, is from the superiority of the wheat grown in Wallowa county. There are a number of saw mills within from five to eight miles of the city, which furnish the people with lumber.

The Wallowa National Bank is also one of the institutions of Enterprise. It was organized July 9, 1888, with a eapital stock of \$50,000. The officers are as follows: R. M. Steel, president; J. M. Church, vice-president; W. R. Holmes, cashier; J. M. Church, R. M. Steel, T. H. Veasy, J. P. Gardner and Chas. Goodnough, directors. The bank shortly intends to increase its One hundred tons of first class hay can be stock to \$100,000 owing to the amount of business which is beyond their most sanguine expectations. The officers and managers are ever in the front ing to build a nice residence in a desirable ranks in public matters that have for their object the upbuilding of the county or town. They have purchased of the M. & M. Co, the building which they now occupy.

The citizens contemplate bringing into the city a system of water woks by which water will be taken from the Wallowa river for city purposes.

They have a good two story frame school building and an excellent school has been maintained during the past year.. There are in the district 141 children of school age and the records This is a rare bargain. Price \$600. show an average attendance of 100 pupils. Two efficient teachers have been employed and the course of study is thorough and practical.

Evidences of a lost race in Washoe valley are spoken of by the Virginia Chronicle in the following manner: "In sinking an artesian well near the Winters ranch, in Washoe valley, at a blocks. depth of 230 feet below the surface a piece of wood and a pine cone, below which was a bed of charcoal and cinders, was pierced, showing that man had lived there many years ago. The sand is full of mica, and nothing but a human hand eyer built a fire in such a place, as there is no sign of volcanic

Notice to Bridge Builders.

The County court of Union county, Oregon, will receive sealed proposals at the county cierk's office in Union, up to 4 o'clock p. m. on July 20, 1889, for the con-struction of two solid stone piers for a struction of two solid stone piers for a bridge on the county road near the house of Terry Tuttle on Willow creek. The said piers to be laid in good lime mortar, and all outside exposed seams pointed with good cement. Said piers to be 22 ft, by 5 ft, at the base and 16 ft, by 2½ ft, at the top; to be scated as low in the ground as possible for water and to be as high as the present bridge.

Also for four structures, constructed in

present bridge.

Also for four stress pleas, constructed in like manner on the south branch of Grande Rende river, near the house of J. L. Cavisness. Said piers to be settled to good foundation and to be 22 ft, by 3 ft, at base and 16 ft, by 2 ft, at top, and to be as high as the present bridge.

Any person who desires to protest against the allowance of such proof, or who knows of any substantial reason under the law and the regulations of the interior Department why such proof should not be allowed

Also for the construction of a suspension bridge of ninety feet in length, consisting of two spans, one of fifty feet and the other of forty feet, to be built at the Tuttle crossing on Willow creek on the above named stone piers, each bidder to submit his own plans, specifications and

strain sheet,
Also for the construction of a trestle
bridge on the stone piers above named on
the county road near the house of J. L.
Caviness. The said bridge to be of three

spans of twenty-five feet each.

Also for the construction of a trestle bridge on red fir bents, of three spans of twenty-four feet each, on the county road near the dwelling of S. Alberson on the south branch of Grande Ronde river. Said bridge and piers are all to be built in a good substantial and workmanlike man-ner. The bridges all to have substantial banisters or railing, hub boards and run-ning boards lengthwise two inches thick

and six Inches wide.

All bridges are to be 16 feet wide, covered with flooring four inches thick, all of first class material and the frame work to be made entirely of good straight-grained

red fir timber. The county court will at the same time and place receive scaled proposals for the construction of a grade or embankment of earth, supported by rock walls built without mortar, 22 feet wide at base and 18 feet at top, 190 feet in length, and as high as the present bridge, to take the place of the re-mainder of the old Tuttle bridge above named.

Each bid must be accompanied by a bond or guaranty that the bidder will en-ter into contract if award is made to him. The county court reserves the right to reject any and all bids.
O. P. GOODALL.

Notice to Bridge Builders.

NOTICE IS HEREBY GIVEN THAT the county courts of Union and Wallowa counties, state of Oregon, will, up to 1 o'clock p. m. on July 20, 1889, at the counl o'clock p. m. on July 20, 1889, at the county clerk's office in Union. Union county. Oregon, receive sealed proposals for the construction of a bridge across the Wallowa river at or near the present bridge across said stream, on the county road leading from Elgin, in Union county, to Enterprise, in Wallowa county. Said bridge will consist of two spans of about one hundred feet each, with the necessary piers, abutments and approaches; or of one span of two hundred feet, with the necessary abutments and approaches. Each proposal to be accompanied by plans, specifications and strain sheet, furnished by the fications and strain sheet, furnished by the bidder, and with a certified check in the amount of five per cent, of his bid, as a guaranty that the bidder will enter into contract if the award is made to him. The county courts reserve the right to reject any and all bids.

O. P. GOODALL. County Judge of Union county, State of Oregon, T. H. VEASY, Oregon. T. H. VEASY, County Judge of Wallowa county, State of
