Beautiful Lakes.

ger -- The Village Blacksmith.

North Powder lakes, which lie se-

sevene and beautiful about fifteen miles from the burg of North Powder, away up towards the misty tops and the crargy mountains, have been quite a resort the last season. The city belle has been there. The dude was slong, and all his wardrobe-canes, fishenets, goggies and father bubbard collars. The fishing has been splendid, the weather beautiful and everything was very favorable for a pleasant camping out season. Around the Entertainments by the Public Schoolslake is a delightful place to camp. The level, grass-grown flat that lies Quite a number are plowers and between the water's edge and the hill is a "daisy place." Taking the seenout against the clear blue of the sun-Mr. Henry Bowman is werking say, by sky, Below, the stretch of rolling eral men clearing life reneds and pre- timber land rolling for miles away to meet the leveler and richer farms. Powder river has a brasper nor school. Here and there in the bottom of some hollow rises the blue smoke from a saw finished their new school lange and it mill, and if you listen in the evening you can hear the whistle break the stillness and reverberate down the leges, like some far off song from the others expect to be supplied. American liberty, law, literature and the free justitutions will pass with a feeble flutter from the dying heart of the greatest republic on earth.

Beneath the slab shed, hour on hour,

The Punchtown blacksmith stands; A small "goatee" is on his chin

And corns are on his hands. He smokes his dear old corn cob pipe, And hammers all the day; He cares not how the wide world goes Nor what the preachers say.

Nor what the preamers say.

He has his maxims, just and old,
They are plate but mighty true.

"A damned tough horse, I'll tell you boys,
That Becker fails to shoe."

BERT, W. HUFFMAN.

THE COVE.

Preparations for Christmas.

Covr. Or., Dec. 18, 1889.

The public schools' entertainment will take place at the hall Friday night of this week and will consist of the dramas, Bonnie Bell, Assessor, Family Strike and Widow Bedott; also recitations, comic songs, music by the colored Band and the beautiful operetta, Red Riding Hood. Doors' open at 6:30; curtain rises at 7. Admission will be free.

Mr. L. B. Stearns received this week the agency for the iron and steel regulator wind mills. He will furnish a wheel for Henry Lynch and many

thanks and no doubt will receive it It is curious to note how high a from many a poor wandering stranger.

faint prospect of finding gold will A host of children will be present at of any man that walks the face of the one and all remember the little ones at

The cold and stormy weather is making stock owners a little anxious before the winter is over. Hay is in demand, yet a lot of hay sold this week at the rate of \$8 per ton in the stack. A gentleman possessed of good pasture and plenty of feed is taking stock to winter at the rate of \$5 per

The merry jingling of sleigh bells is heard on every side. A little more of the beautiful and sleighing will be splendid.

Miss Sarah Chrisman, a popular teacher in the Union public school, was called to the Cove, Tuesday, to attend the bedside of her father, P. F. Chrisman, who is very sick.

Miss Nellie Welch has completed school in Frosty district and returned to Union.

A series of revival meetings are being held nightly at Morrison church

Twenty fine turkeys will be in attendance. Come and get a fat fowl

for Christmas.

SANGER SIFTINGS.
