

**The School on Sandridge.**

**EDITOR SCOUT:**—It is with pleasure that I send you my roll of honor list for the final month of a very interesting term of school here on the Sandridge. The average attendance of the month was only twelve, so you can see that the pupils are pretty good workers. The following averaged in class standing over 90 and were above 90 in deportment: George Cochran, Carl Roe, Pearl Cornell, John Ruckman, Berna, Ruckman, Fannie Oliver, Sam Ruckman, Hattie Oliver.

Not one in school fell below 87 per cent in scholarship and all passed over 70 per cent average in some very difficult term examinations.

I desire to express my appreciation of the assistance received from various persons of the district during the term just concluded and to chronicle a wish for the success of some who will go to try to augment their educational store in institutions of learning elsewhere.

Very respectfully,  
B. H. MOORE.
