THE PACIFIC COAST.

San Joaquin and Kings Rivers

Over Their Banks.

An Epitome of the Hebdomadal Happenings Up and Down the Pacific Slope.

Tuolumne river is the highest known for years.

The Marysville cannery receives ten tons of cherries daily.

Montague, Siskiyou county, is about to build a \$3,000 schoolhouse.

The Petaluma Fruit Packing Company has incorporated with a capital of \$100,000.

A new brick company is to begin at once at Vallejo on the clay on the water front.

San Diego's Chamber of Commerce adopted a resolution favoring the free coinage of silver.

The Yreka opera house contract has been awarded, and the building is to be completed in October.

Many ranches in Carson Valley are under water, owing to the great bodies of snow in the mountains melting.

High water in the American river necessitates the postponement of work on the boom of the Folsom Land and Lumber Company.

Four men were sentenced in the United States District Court at Los Angeles to imprisonment for two years for selling liquor to Indians.

Negotiations are completed for the establishment of an immense iron-reducing and steel works at Kirkland, a suburb of Seattle, on the shores of Lake Washington.

Mr. and Mrs. Potts, who killed Fawcett in January, 1888, are to be hanged at Carson on the 20th of June. The Nevada Board of Pardons refuses to interfere.

A party of Santa Fe engineers are on their way to the Mojave terminus of the Atlantic and Pacific road. They have orders to lay out a route for 400 miles of road, which is interpreted to be the main line to San Francisco.

The San Joaquin and Kings rivers are over their banks in many places, and hundreds of acres of grain will be destroyed in Fresno county. Reports from Firebaugh say Miller & Lux's men were working night and day to prevent breaks in the levees.

At San Francisco, after fifty hours of actual session and raking up all the evidence it could secure before it, the committee of ministers appointed by Rev. Dr. Bentley, the presiding elder, acquitted Rev. Dr. C. C. Stratton, late President of Mills College, on trial on charges of immorality preferred against him.

The Canadian Pacific has put into effect a fast freight schedule from the Atlantic seaboard to the Pacific Coast, by which consignments are brought from New York to San Francisco by way of Vancouver and the steamer line in seven days. Through cars are sent to Vancouver from North Bay, Ont. Similar time is being made in Eastern freight shipments.

The Vallejo Chronicle says a naval officer in a position to know is authority for the statement that probably trouble on the convening of the Hawaiian Legislature, when new members of both Houses take their seats and new officers are to be selected, is the reason of the Charleston's departure for that island, a d it is understood the vessel goes at the request of the Hawaiian Minister.

The free coinage convention met at Carson, Nev., and adopted resolutions requesting the Senate and Representatives in Congress from the State of Nevada to favor the measure for the opening of the mints of the United States for free and unlimited coinage of standard silver dollars, and to support no other bill. Another resolution was adopted disclaiming any connection with politics on the part of the convention.

The trial of A. S. Mendez and Manuel Facio at San Francisco, accused of conspiracy against Alexander K. Coney, Mexican Consul, has ended, the jury rendering a verdict of acquittal. Coney claimed they conspired to have the suit which was brought against him in the United States court by Mrs. A. De La Torre commenced, because he refused to give them money or employment in the consulate. On the other hand the defense charged that Coney was prosecuting Facio because he had been denouncing the Mexican government.

The following changes and appointments in the railway mail service are announced: A. L. McCully, postal clerk on the line between Portland and Astoria, is transferred to the line between Huntington and Portland. W. J. Hall of Salem, Or., is appointed to the line between Portland and Astoria, vice McCully, transferred. R. A. Whiting of Colfax was appointed to the Spokane and Portland line, vice P. M. Elwell, declined.

C. Redmond, the famous aeronaut and parachute jumper with McMahon's circus, was instantly killed at Snohomish the other day. He made a splendid ascension, but the balloon was carried away to the east of town, where it lit on the very top of a very tall pine tree, fully 200 feet above the ground. Redmond was thrown out, and fell to the ground and was instantly killed. Before going up he said it was the most dangerous piece of country he had ever ascended, and said good-bye to some friends who were with him.

EASTERN ITEMS.

Andersonville Prison Stockade

Purchased by the G. A. R.

An Educated Indian Lawyer Admitted to Practice Before the Dakota Circuit Court.

The Astors are to build a \$3,000,000 hotel at New York on the Parisian plan.

Dr. Herrik has been appointed Quarantine Inspector for New Mexico and Arizona.

The National Greenbackers will meet in convention at Indianapolis August 25th.

John L. Sullivan refuses to talk about fighting until clear of the Mississippi entanglement.

According to the official reports the number of abandoned farms in Vermont now reaches 3,000.

Ed Van Metere, an educated Sioux Indian, has been admitted to practice before the Dakota Circuit Court.

The want of funds will probably prevent the proposed Alaskan exploration in the interest of science this season.

Andersonville prison stockade has been purchased by the Georgia Encampment, G. A. R., acting for the national body.

About 250,000 acres of land east of Guthrie will likely be thrown open for settlement in a short while, the Indians finally concluding to take lands in severalty.

The committee on the Kansas City Treasurer has found a shortage of \$10,026, but it is not yet determined who is responsible.

The New York Times says the program for the Pacific Mail meeting is the retirement of the Goulds, father and son, from the directory.

There is to be an effort to advance rates by the Presidents of all the roads at Chicago except the Union Pacific and Northwestern.

On the Fourth of July Leadville will witness and celebrate the passage of the first transcontinental train through that city to the Pacific Coast.

Every steamer sailing from New York for Nicaragua now carries out quantities of railroad fittings and other supplies for the use of the canal company.

Aldridge Young, manager of Spreckels' interests at Baltimore, has resigned at the request of his employer. He is succeeded by Robert E. Downs.

The new Buck-Ivanhoe tunnel, on the Colorado Midland line, west of Leadville, will be a mile and three-quarters long and 11,000 feet above the sea. It will cost about \$1,000,000.

The Grand Army of the Republic committee, which investigated the management of the Soldiers' Home at Leavenworth, Kan., found there were no legal grounds for complaint.

A bill has been introduced in the Senate by Senator Sanders providing that no patent issued to the Northern Pacific Railroad Company shall be construed to convey to the company any mineral lands, iron and coal lands excepted.

The shipment of American cattle to Europe, alive and dead, last week amounted to 15,000 head, a falling off of 25 per cent from the week previous, at a loss estimated at \$30 a head. These shipments represent a clear loss of \$450,000 to exporters.

W. K. White, United States Commissioner for Iowa to collect statistics of the mortgage indebtedness of the State for the Census Bureau, states that in the year 1889 there was a larger amount of indebtedness than in any other year, by all odds.

More than two hundred women voted at the school election last week in Auburn, N. Y. Much excitement was manifested over this feature of the day. The Labor ticket was triumphant by a large majority, every Commissioner elected being a workman.

Mayor Grant of New York has ordered the Commissioner of Public Works to go ahead with the street paving without paying any attention to the wants of the electric subway people. They are not to be allowed to pull up the new streets after they are once in shape.

As the report of the Committee on Public Buildings and Grounds in favor of a new mint in Philadelphia is unanimous, the project will go before the House under most favorable circumstances. It is proposed to appropriate \$2,000,000 for the new structure.

The New York Grant Monument Association has failed in securing funds to erect a tomb for the great soldier, and there is a possibility that the remains at Riverside will be taken to Washington, when Congress will make an appropriation to build a proper memorial.

At the annual meeting of the American Peace Society at Boston the following delegates were chosen to attend the Peace Congress in London in July: David Dudley Field, New York; Dr. John Nutt and Otis Magaw Howard, Chicago; Phil C. Barrett, Philadelphia, and eight others.

The Legislature of Kentucky recently passed a law over the Governor's veto reducing the rate of State taxation from 45 to 42 1/2 cents on each \$100. Governor Buckner says this will leave a deficit of \$150,000 before the next Legislature meets, and he asserts that he will not call an extra session.

FOREIGN NEWS.

The Prussian Finance Minister

Resigns.

A Russian Ukase Gives Permission for Employment of Women on Railroads.

Europe has on hand 115,000,000 ounces of fine silver ready for sale.

A ruby weighing 384 carats has been found in the mines at Burmah.

More rich petroleum discoveries have been made in Tabasco, Mexico.

Gladstone again asserts that a new Parliament will soon be chosen.

Herr Stuebel, former German Consul at Apia, has been appointed Consul at Shanghai.

The accounts of the German East African Company show a loss of \$150,000 during 1889.

The census of France, recently tabulated, gives the total population of France as 37,330,759.

Queen Victoria will confer the Order of Bath on Emperor William. The ceremony will be private.

The German Emperor has just had a magnificent sword manufactured in Berlin as a gift to the Sultan.

Dr. Chamberland, Pasteur's chief assistant, has discovered that cinnamon is fatal to the typhoid microbe.

Leprosy is spreading in New Caledonia. Three thousand of the natives and many convicts have been attacked.

President Diaz favors a three-Americas railroad. He says anything connecting Mexico with the outer world will be beneficial.

It is announced that upon the retirement of Mr. Gladstone Lord Spencer will become the titular leader of the Liberal party.

An imperial Russian ukase will shortly be issued forbidding Jews to engage in the publication of journals of a political character.

A tunnel through the Simpson is likely to be the next great engineering achievement in Europe. It will be eighteen miles long.

The Mexican Secretary of Finance states that he is not quite ready to propose a new tariff reducing the import duties on many articles.

The British Secretary of War will soon bring in a bill to give facilities for establishing volunteer rifle ranges in various parts of the country.

An epidemic of suicide prevailed in England week before last. There were 198 cases of self-destruction in the provinces and eighty in London.

Another riotous demonstration against the government has occurred at Puerto Alegre, Argentine Republic. Twenty-five soldiers were slain and forty-one wounded.

The German artillery by an imperial order is to be armed with bronze cannons, which are to be manufactured from the bronze guns taken from the French during the last war.

Notwithstanding the constant heavy emigration the population of Great Britain has increased more than 4,000,000 since 1855. The total population is about 32,000,000.

Locusts are so numerous in some parts of South Australia that they cause a continual roar while flying, and the country is being stripped of everything green by the scourge.

The Federal Council of Switzerland has decided that when an alteration of the constitution is demanded by 50,000 citizens the question will be submitted to a popular vote.

The government has introduced a bill in the Hungarian Diet providing that workmen shall perform no labor on Sunday, but shall have continuous rest for twenty-four hours.

The French Budget Committee says the navy is inferior to the navies of the triple alliance, and it is proposed to increase the number of vessels and to strengthen the crew.

What would appear to be a form of telephage system is at present being considered as a means of transporting mail matter between Buenos Ayres and Montevideo in South America.

A committee, consisting of representatives of the British war office, the admiralty and the colonial office, has been appointed to consider the question of building a great government dock at Gibraltar.

The new observatory near Tananarivo, Madagascar, will be one of the highest in the world, as the site chosen is about 4,400 feet above the sea level.

In conversation with Deputies Chancellor Von Caprivi stated that the government could not think of entirely rescinding the Alsace passport regulations, but that it would allow certain indulgence in that direction.

Mr. Parnell has written an article for an American review, to be published at an early date, setting forth in some detail the objections of the Irish party to Mr. Balfour's Irish land purchase bill.

The Russian Government is about sending a large detachment of the army to destroy the grasshoppers now ravaging Transcaucasia, covering with their depredations an area of thousands of square miles.

PORTLAND MARKET.

Excepting the strike in the building trade, which affects retail business considerably, business continues active in all lines. More rain is still needed in the country, though what has fallen and the cool weather will insure us a fair crop in any event.
