State Superintendent of Schools Ira G. Hoitt is authorized by the National bank of D. O Mills & Co. of Sacramento to offer \$100 as a premium to be awarded to the party or parties submitting the hest plan for a California educational exhibit at the great exposition of 1893 in Chi-

and claims of M. A. Wheaton upon the Fuolumne river for \$21,000. The payment is to be \$10,000 cash and \$11,000 in bonds of the district at 90 cents on the

Following snake story comes from Santa Rosa: A peculiar snake has been weighing twenty pounds. This serpent attacked two children while picking berries, when a man named Morse came to appointed a committee composed of the the rescue and shot it. The snake measured 8 feet 4 inches, and was four inches through the body.

A monument is to be erected over the grave of Chief Seattle, after whom that city was named. The old Indian was buried at Port Madison, and a few days ago a delegation from the remnant of his once-powerful tribe called on A. A. Denny and Hillory Butler, pioneers, and asked Mesers. Denny and Butler at once or-dered a marble shaft costing \$300, and it will be erected over the grave of the chief.

The letter addressed to the Attorneywhich the Directors endeavor to show as New York. that the question of the legality of the club's monthly boxing exhibitions can be better and more qui kly settled by a civil suit for forfeiture of the club's charter brought on the part of the State, has not in the least influenced the Chief of Police. He stated the other day that he Shop two doors south of the Centennial hotel. Give | will surely arrest the participants in the in Brooklyn have petitioned for the right to substitute electric for horse power. to carry it out.

Assistant General Superintendent Pratt and J. H. Wallace, assistant superintendent of the track, have returned to with silver in paying quantities, has been San Francisco from an inspection of the Oregon line as far north as Ashland. All changes at present contemplated on this distance of three miles. line have been completed, and the road is reported in better condition than ever. While the east and west-bound travel is light and the local agents of Eastern lines are doing but little business, the passenger travel on the Oregon line continues to be exceptionally heavy, and long and crowded trains are run.

William E. Wirt, Secretary of the Pacific Coast Labor Union, has addressed a of eighty-seven feet. He struck upon his letter to the Secretary of the Navy. The head and shot far beneath the surface. letter sets forth that the union regrets that the administration, which pledged should have committed so great a mistake as to put itself on record as the Rite of Memphis to renounce their allefriend and supporter of non-union labor giance to the body within ninety days. by giving the Union Iron Works the con-tract to build cruiser No. 6. The writer charges the founders with importing foreign labor, and states that the national eight-hour law is being violated in San Francisco, and begs for a new rule prohibiting any man whose name is not on exceed \$800,000. the great register from working on government contracts. The Secretary of the Navy is urged to examine the charges made and to hold the contract in abeyance until the matter is sifted to the bottom.

Several of the ships now on the way to San Francisco are either overdue or fully due. In this list is included the Undaunte 1, 145 days out from New York; John W. Marr and Iroquois, 181 and 148 days out from Baltimore; Anna, 170 days out from Antwerp; Corryvechan, 166 days out from Hamburg; Dunfillan and Engelthorn, 183 and 158 days out from Liverpool; Hospodar, 356 days out from London and 94 days from Rio; the C. Southan Hulbert. 142 days out from New York for Portland; the India, 179 days out from London for Portland, and the Old Kensington, 141 days out from Lon-Old Kensington, 141 days out from London for San Diego. The fact that some of these ships are supposed to have been off from Cape Horn during the great storm at that point in March does not relieve the anxiety self for their sasety. On at least three of them premiums for reinsurance have been offered.

Government inspectors of work on the new cruiser San Francisco at the Union Iron Works have reported to the Secretary of the Treasury that the vessel will be ready for trial early in July, and that she will be ready to be delivered to the government July 31.
