The paper and binding are both good, and the book will bear examination. Call at this office, see sample copy and be convinced.

.... A WORD OF CAUTION.

In this as in every other locality where it is known, there are hundreds of persons who are taking Joy's Vegetable Sarsaparilla. To those we want to say one word. In nine cases out of every ten it is effecting specific cures. But word comes to us occasionally of people who report that it operates too freely upon the bowels. We want to call the attention of those to the fact that they are not following the printed instructions and are taking too much of it. If it acts too freely reduce the dose, never taking any more at any time than causes casy and perfect action. Keep this injunction in mind, and take it regularly for a while and do not indulge in too much greasy food and we will have your testimonial within a fortnight. If taken under these conditions it is an absolute cure for indigestion, dyspepsia, sick headaches, constipation, face cruptions and liver and kidney disorders. It may be asked how !! can possibly cure so many aliments. But the rea son is clear. All those troubles are the legitimate result of improper liver and kidney action or impaired digestive organs. Its effects upon those functions are as astonishing to the medical fraternity as to the thousands who are daily

Epoch.

The transition from long, lingering and painful sickness to robust health marks an epoch in the life of the individual. Such a remarkable event is treasured in the memory and the agency whereby the good health has been attained is gratefully blessed. Hence it is that so much is heard in praise of Electric Bitters. So many feel they owe their restoration to health, to the use of the Great Alterative and Tonie. If you are troubled with any disease of Kidneys, Liver or Stomach, of long or short standing, you will surely find relief by use of Electric Bitters. Sold at 50e, and \$1 per bottle at Brown's drug store, Union, Oregon.
