James G. Colmesnil, at one time United States Consul at Samon, is charged at Seattle with forgery.

The California Board of Forestry has 30,000 tan-bark wattle trees growing at Santa Monica. They will be gratuitously distributed the coming winter.

Alexander Thompson has been convicted at Jackson, Amador county, Cal., of murder in the arst degree, he having killed William Spray. The punishment inflicted is life imprisonment.

The four Indians who killed the Indian medicine man, Bullock, near Mariposa last June will be tried in September. Bullock was killed according to Indian custom because he had lost a patient.

The Susanville (Cal.) Mail asserts that title to desert land in Lassen county is being obtained by fraud, and specifies cases where title has been confirmed to 640 acres when the claimant had not enough water to irrigate an acre.

The revised returns of the Salt Lake (Utah) county election show that the Liberals have elected the Assessor, Selectmen, Surveyor, Attorney, Coroner, Clerk and Treasurer. The Mormons elected the Sheriff and Recorder.

tween Benson and Nogales, A. T., are washed out by rain, and rail communication to Sonora is cut off. The Santa Cruz river is flooding the valley, and is higher now than at any time during the The Chamber of Commerce of San Diego has adopted resolutions declaring

letter to Senator Frye. The resolutions Boston. were telegraphed to the Pacific Coast delegation in Congress. Oregon complains that Washington cast this year 58,443 votes, and the census gives her a population of 339,000, while Oregon cast this year 73,400 votes

and is given a population of 242,242.

Oregon naturally protests vigorously against such census blunders, and insists

upon a recount. The following officers have been elected by the Board of Managers of the Puget Sound Chatauqua Assembly: Rev. G. A. Tewksbury, President; Rev. Samuel Green, Secretary; W. H. Reeves, Treasuser; Rev. C. R. Pomeroy, Superintendent of Grounds; Rev. D. J. Pierce, Superintendent of Instruction.

The San Jose Chamber of Commerce has appointed a committee to confer with a like committee from the Board of Trade for the purpose of calling a convention in San Jose of committees of Kern, Tulare, Fresno, Merced, San Bcnito, Santa Clara, San Mateo and San Francisco for the purpose of negotiating with the officials of the Santa Fe railroad to the end that their line be built through the counties named.

The cruiser San Francisco, which will probably leave the latter part of next week for the Santa Barbara channel to make her official trial trip, is required to develop 140 pounds of steam, 130 revolutions and a speed of nineteen knots. The other day, with 110 pounds of steam and 109 revolutions, the cruiser made eighteen knots. Commodore Irwin said that he expected the San Francisco to reach twenty knots on her trial trip.

At San Francisco Sub-Treasurer Jackson is in daily expectation of instructions from Washington for the purchase of a quantity of bullion in accordance with the new law, which provides for the purchase of 4,500,000 ounces monthly by the Secretary of the Treasury. Jackson thinks that a large part of the bullion will necessarily be purchased at San Francisco, the production of the Pacific Coast mines being greater than order directing a recount of the population of the popula those in the East.

Sailors of the American ship Louisi-ana, which has just arrived at San Fran-cisco from Philadelphia, complain of ill treatment by Captain Oliver, First Mate Oliver, his son, and the second mate, Davis. Belaying pins and billies were brought constantly into play and the men compelled to work when sick. One man was kept in irons three months, Davis was on the ship R. G. Belknap two years ago, and was arrested on the arrival of the ship at New York. Two of the crew were missing, and it was disappearance. A charge against him for cruelty at sea is now pending.

delivered every four weeks. The line receiver be appointed. Arthur Krupp of Ge the first of the year, as it will take the in New York. He will be the state of the year, as it will take the in New York. intervening time to get ready. The proposition is to have the island steamers meet the Australian steamers to and from that city at Honolulu, so they will run on the same schedule as the vessels between there and the colonies. The Oceanic Company has a new steamer, now on the way from Clyde to Honolulu, which could be readily turned into service.
