Morrow has 293,000 surveyed acres in The Dalles district open to settlement. In Wasco, Sherman, Gilliam, Morrow, Crook and Grant counties, in The Dalles district, there are 3,409,040 acres of surveved and 350,100 acres of unsurveyed, all vacant. This district has also 1,457,-000 acres of Northern Pacific railroad lands, which will be thrown open for settlement in the near future. Morrow is about evenly divided between The Dalles and La Grande districts.

ported favorably to the House the Senate bill to provide for the inspection of live cattle and beef products intended for export to foreign countries.

The suit of J. D. Spreckels and others against the Pacific Coast Steamship Company to recover \$50,000 on marine to be supply at the public baths, as investigation has shown that many victimes libel in the admiralty for salvage on the steamer State of California was up for trial one day last week before Judge Hoffman in the United States District Court at San Francisco. The plaintiffs recently opened headquarters in Kansas claim that on January 3, 1890, while the State of California was disabled through the breaking of her machinery and ceived \$30,000 by the sale of tickets, etc., drifting along the coast in a helpless condition, their tug Relief came to her rescue some 150 miles up the coast from that port, and towed her safely into the harbor. The defendants deny the validity of the claim on the ground that they had contracted with the plaintiffs to perform the work of going to the steamers rescue; that they chartered the plaintiffs' steamers to do such work, and that, while they sent out another steamer for that purpose, the Relief was also engaged for the same purpose.

A number of Italian fishermen of San troubles. Francisco have been accustomed to carry on a thriving business with the canneron a thriving business with the canneries in Sacramento by selling them
their catches of salmon. Lately, however, the relations between the fishermen and the canners have been somemen and the canners have been somewhat strained. The fishermen demanded
what strained. The fishermen demanded
what strained by any testimony."

Breckinnage election contacts that the
majority report was "unfounded in
truth, not justified by the evidence and
is defaced by the repetition of partisan
slander, not sustained by any testimony."

A complete list of the Sultan's wives
shows that he has five first-class wives—
valides, twenty-four second-class or mor-5 cents per pound for salmon, and were offered only 3 cents. This rate was refused, and a combine has been effected among the fishermen. They determined to take their fish down to San Francisco of a citizen. The damages were decreed rather than accept the canners' prices, by default. The President of the comrather than accept the canners' prices, and the other afternoon the novel scene presented itself at the fishermen's wharf of a dozen or more fishing smacks loaded down with thousands of fish, which down with thousands of fish, which were for sale at 25 cents each. In conversation with one of the fishermen a reporter was informed that the cannerymen had made a cut because heavy insen had made a cut because heavy insense had a cut because heavy insense had made a cut because heavy insense had made a cut because heavy insense had a cut because heavy insense had
