A Paragraphic Record of Recent Happenings in and Around the City.

Buy your shoes of Vincent. Counterfeit coins are getting to be numerous. Holiday presents at the drug store. Call and see them. The booming town of Elgin is said to have four or five millinery stores. Messrs. Sherman & Raley have disposed of their soda works to James Bloom, of the Cove. There was a special passenger train bound for Portland, Friday evening, from the East. Miller's furniture store is the place to get something stylish and useful for a Christmas present. Thos. H. Foster, of the Cove, has 180 head of steers which he is feeding for the Portland market. There was a wreck at the American Falls, of a passenger train, recently. Six passenger lost their lives. P. Campbell, county judge, was arrested in Baker City last week for selling liquors without a city license. Hall Bros. have an immense line of holiday goods. Call on them and you will find something to please you. A special meeting of the Union Board of Trade is called to meet Monday evening, Dec. 15th, at Davis' hall. A petrified pig from the Yellowstone Park is the latest addition to the cabinet of the Baker City Democrat. Mrs. L. B. Rinehart is constantly receiving new goods. An endless variety, suitable for the holidays. Call and see them. The city jail at Boise City, was totally destroyed by fire last week. It was set on fire by a two-year-old child while playing with matches. A private letter from Portland states that the smallpox has broken out in that city, but is confined at present principally to the Chinese quarters. It is reported that a shaft in the quartz mill at Sanger, was broken a few days ago, which will cause the mill to suspend work till another shaft can be cast. The Crystal Palace store at La Grande, was closed by the sheriff, Monday, I. R. Dawson, of the Portland Merchants' Protective Union, being the plaintiff. Sheriff Conde, of Baker City, came down Tuesday evening after James Ferris who was indicted there for forgery. He left with his prisoner Wednesday noon. Mrs. Alger, at the postoffice store, has a nice line of holiday goods which she will sell at very reasonable prices. Before selecting your presents call on her. An exchange remarks: "When a big man in a little town moves to a larger town he is putting himself in a position to learn his first big lesson in humiliation." Graham, the laborer, who was injured by the caving of a gravel bank at La Grande a few days ago, was brought over and placed in the poor house Monday evening. E. May, of the American dressed meat Co., Portland, Oregon, purchased 400 head of beef steers from Hutchinson Bros. last week. They have shipped 18 car loads from Union. E. J. Couper sold to E. May, representing the American Dressed Meat Co., of Portland, 150 head of beef steers. The company's purchase in this vicinity is 1,000 head. An agent of the railroad company was up from Portland this week, says the Gazette, in conference with Jesse Imbler, in regard to the matter of establishing a station at his place below Alice. A brakeman by the name of Scott fell from a flat car on the Elgin branch last Friday morning, and the car passed over him. Strange to say he was not killed, but got off with some severe bruises. Ladies, Misses and childrens woolen underwear, a large assortment, just received at Mrs. Rinehart's. Also, mittens, gloves, hosiery, etc., in endless variety, which will be sold at extremely low prices. If you want something real nice for a Christmas present don't fail to call on Jones Bros. They always lead in matters of this kind, and will be sure to suit you. Their prices this year are lower than ever. George Burd and Con Graham, the two men who were hurt at the gravel pit in La Grande, recently, are both recovering. Graham's condition, although quite serious, appears to be less critical than was at first supposed. The Walla Walla Statesman says: The people of Milton have purchased a half interest in the Eagle and turned it over to Harry Bowmer. Let them stick to Harry and he will make Milton known to the world as never before. Young Richardson, who was implicated in the car robbery at Telocaset, and placed in jail in default of \$500 bonds to appear before the grand jury, was released a few days ago, John Shaw and E. J. Couper giving bail for his appearance. At the city election in Sumnerville last week the following officers were elected: Trustees, W. L. Fugate, Justus Wade, W. E. Rinehart, D. Sommer, and John Kirchoffer; recorder, J. Collins; marshal, W. M. Morelock; treasurer, B. D. Hubers. Chancey Clark left at this office last Saturday a magnificent specimen of ore taken from a ledge he recently located a mile or so this side of Sanger. We are not a very good judge of ore but if the sample left by Mr. Clark is half as rich as it looks to be, he certainly has a bonanza. No one deserves it more than he does. Mr. Harry H. Dietz arrived in town last Thursday evening from Cornucopia, with the regular monthly clean up. Mr. Dietz says their roaster is nearly completed, and they will soon be able to treat their own concentrates. They have employed in the mine and mill about 50 men, which speaks well for Cornucopia. No idle men in camp.

Send in your job printing. Preparations are being made for a Christmas tree and other holiday festivities. There will be a social dance at Davis' hall in this city Saturday evening, Dec. 13th. Tickets \$1.00. Everybody invited. A new invoice of job type and material just received at THE SCOUR job office. Call and see our samples and get our prices, before going elsewhere. A piece of good jewelry is always an appropriate Christmas present. An assortment of both solid and plated in the latest style at the Cove drug store. Things must be at a pretty pass in Baker City. One of the councilmen said, recently in a speech: "Take away the vice of the city and what have you left?" Remember the grand masquerade ball to be given in this city on Christmas night. No pains will be spared to make this the event of the season. See ad. elsewhere. James Bell commenced work yesterday on his contract of painting and grabbing the interior of the Wilson brick. Mr. Hunter, the contractor, displays good judgment in placing this sub-contract in the hands of a skillful artist, and it will in the future, greatly redound to his credit. "Did God really come and live on this Earth?" answered from Nature and revelation," will be the subject of Sabbath morning at the Presbyterian church. Subject for 7 p. m. will be "The Great Religions of the world and in what Christianity excel." All are cordially invited to attend.—W. J. Hoonen, Pastor. Col. Asbury, of the Canyon City News, accepted an invitation to ride with Rev. Mr. Luce in his single horse buggy, last week, and both of them had to walk home in the dead hours of the night. It happened like this. They had driven over as far as Prairie City when they met Rev. Mr. Eads. Brother Eads hauled Brother Luce for a horse trade, and after some sparring an exchange was effected. Col. Asbury says that on their return home the new animal "fairly split the wind" for a few miles, when he stopped all of a sudden, humped himself up in a knot, let go of his heels, and in less time than it takes to write it, fragments of the buggy, harness, lap robes, etc., were promiscuously mixed up in the surrounding atmosphere. The Col. says they had to walk home in the dark and at one place narrowly escaped being shot, as they were taken for escaped jail birds. The moral of all this is that a boss trader is a boss trader and you can't make anything else out of him. Roll of Honor. The following pupils of the Union public school have been placed on the roll of honor for the month of November: Happy Hoosiers. Win. Timmons, Postmaster at Idaville, Ind., writes: "Electric Bitters has done more for me than all other medicines combined, for that bad feeling arising from Kidney and Liver trouble." John Leslie, farmer and stockman, of same place, says: "Find Electric Bitters to be the best Kidney and Liver medicine, made me feel like a new man." J. W. Gardner, hardware merchant, same town, says: Electric Bitters is just the thing for a man who is all run down and don't care whether he lives or dies; he found new strength, good appetite and felt just like he had a new lease on life. Only 50c, a bottle, at R. H. Brown's drug store. A Warning from the Cove. COVE, Or., Dec. 7, 1890. EDITOR OREGON SCOUT:— There is some bend in human shape in your city that is in the habit of selling liquor to minors of the Cove. One week ago last Sunday, two boys, aged about 17 years, went to your city and came back in a beastly state of intoxication. There is a law prohibiting the keeping open of saloons on Sunday, and it does not reflect very favorably on the marshal of your fair city that your saloons should be kept open on that day to furnish whisky to minors. If there is any "balm in Gilead," if there is any virtue in grand jurors, the perpetrators of such a fiendish act will be made to suffer the penalty, for they are known. CITIZENS. Remarkable Rescue. Mrs. Michael Curtin, Plainfield, Illinois, makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her that she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from the first dose. She continued its use and after taking ten bottles, found herself sound and well, now does her own housework and is as well as she ever was. Free trial bottles of this Great Discovery at R. H. Brown's drug store, large bottles 50 cts and \$1.00.

At noon of that day the Centennial hotel in this city, of which Mr. Goodbrod is proprietor, was the scene of much gaiety. A large number of invited friends of Mr. Goodbrod assembled and partook of a royal dinner prepared for the occasion.
