PACIFIC COAST.

Nevada Piutes Attacked With La Grippe.

ALASKAN EXPLORERS SAFE.

Stock of All Kinds in New Mexico Has Braved the Severe Winter, and is in Fair Condition.

The Umatilla Indian lands sold for about \$200,000.

More boats are running on Puget Sound than there is paying business for. Gold was discovered a few days ago on Hangman creek, only three miles from

Boise City, Idaho, has voted \$100,000 in bonds to build a system of sewerage and a City Hall.

A few shrimps have this season made their appearance in Baker's Bay, a very unusual occurrence.

Port Angeles has extended her city limits, and is now eight miles long by

three and a half wide. The body of Louis Munson, late editor of the Banning Herald, was cremated at Rosedale cemetery at Los Angeles.

The Jacarrillos in New Mexico are taking to the government plan of allotting to the Indians their lands in severalty.

Stock of all kinds in New Mexico has braved the severe winter excellently, and will go into the spring in fair condi-

Eureka, Cal., is to extend the city limits to include the outlying districts, which contain about ene-third of the population of the place. The Piutes of Mason and Smith Val-

levs, Nev., are attacked by la grippe, and there is scarcely a a buck, squaw or pap-poose that is not down with it.

An Indian known as Joe committed suicide by eating wild parsnip at Reno. The cause of his shuffling off was that a white man had interfered with his domestic relations. It is stated at Tacoma upon authentic

information that the Great Northern railroad has decided to cross the Cascade Mountains through Natchez Pass in building to the Coast. The late warm weather has melted the

snow and caused a large rise in the Mo-kelumne river, which threatens to over-flow grain lands along the river bottoms. No heavy damage is feared. A deposit of \$150,000 has been made

in Victoria, B. C., as the first payment of a total sum of \$1,500,000 offered for the purchase of the Silver King mine on Load Mountain, West Kootenai. Monterey has originated a movement

to present the cruiser Monterey with a silver service as a token of the appreciation of the great honor conferred upon the town in the naming of the cruiser.

The official count of the following cities of the Pacific Coast has just been completed, and is now made public for the first time: Albany, Or., 3,079; Prescott, A. T., 1,759; Spokane, Wash., 19,-

Acting Secretary Willard of the Los Angeles Chamber of Commerce reports that 100,000 persons visited the orange exhibition in Chicago. The gross receipts were \$12,500, but the expenses had been large.

Attorney John Trumbull has been arrested at Port Townsend on a charge of aiding and abetting the entering of Chinese into the United States by procuring and selling at Victoria certificates of entry. They brought \$30 to \$90.

The Alaskan explorers, Wells and party, are safe. They have arrived at Port Townsend from Sitka on the steamship Mexico. Their experiences have been of a thrilling character, and will appear in the New York journal which sent the party out.

The Northern Pacific railroad is to be improved between Paso and Tacoma to the amount of nearly a million dollars. The road from Stampede Pass to the Columbia river will be put in such a shape as to permit of a safe running time of forty-five to fifty miles per hour.

The estate left by Governor Waterman of California is valued at \$800,000, and the heirs named are: Mrs. James G. Waterman, his wife; Mary P. Race of New York; Helen J. Waterman, Waldo Waterman and Annie C. Waterman, his children. The witnesses to the signature are Helen J. Waterman, Elmer E. Rowell and C. W. C. Rowell.

The Lummi Indians, hearing of President Harrison's visit to the Sound, thought he intended to visit Whatcom, and went to that town with the intention of showing him how the noble red men could paddle their own cance. They were deeply disappointed when they discovered that the great American father

would not come to Whatcom. The Bersaglieri Italian military company at Sacramento volunteered to turn out to do escort duty in honor of President Harrison. General T. W. Sheehan, marshal of the day, told them their services would be acceptable, but it would be expected that they should carry no flag but the Star-spangled Banner. The Captain appealed to Mayor Comstock and the Executive Committee, who supported Sheehan. The Italians then refused to go out.

The Supreme Court of Idaho has rendered a decision that the act of the Legislature creating the counties of Alta and Lincoln out of the old counties of Alturas and Logan is unconstitutional and void. The opinion is by Justices Huston and Morgan, Chief-Justice Sullivan dis-This restores the old counties of Alturas and Logan to life again, and the Logan officials in Boise City to hear the decision are jubilant. Dispatches from Bellevue, the county seat of Logan, say the town is wild with joy over the

PERSONAL MENTION.

Horace Chilton is the First Native-Born Texan United States Senator.

Jerry Simpson, the Kansas Congress-man, owns a farm of 600 acres, and has eighty acres in wheat.

Joseph Pulitzer has a fad. It is to commence whatever he has to do of importance on the 10th day of the month Baron Rothschild, who recently lost \$40,000,000 in speculation, told a friend that his opinion of himself could not be LAND COMMISSIONER CARTER put into words.

Mrs. Nathaniel Williams of Crockett, Tenn., is the mother of twelve children, and has twenty great great granchildren. Surpised That Surveyor-Generals of She is 94 years of age.

Horace Chilton, whom Governor Hogg has appointed United States Senator in Mr. Reagan's place, is the first native Texan to hold that office.

General Hawley of Connecticut is to be orator and Miss Louise Imogen Guiney poetess on the occasion of the Sherman memorial exercises in Boston June 4.

Christopher P. Cranch, the Boston poet, has written his biography for the benefit of his children and grandchildren, which doubtless some day may be published in book form.

Ward McAllister, who met a Waterloo in attempting to write a book about the doings of the 400, is now drumming the sale of liquors, and his present literary efforts are expended in puffing certain brands of wines.

The young King Alexander of Servia will, if all goes well, travel considerably this summer and visit the various courts of Europe, but he will need a shrewd, conservative and refined gentleman as companion and guardian.

Hon, John Lathrop a member of the Massachusetts Supreme Court, has laid aside the gown for a time, and is making a tour of the Southern battlefields, upon which he fought as a Captain of the Thirty-fifth Massachusetts.

various reasons always refused to be presented to ex-Premier Crispi of Italy. By a strange decree of fate Crispi was one of the two witnesses to the official an-nouncement of the Prince's death.

Justice L. Q. C. Lamar has aged perceptibly in the last few years, and is now a thin, stoop-shouldered man, with fleshless cheeks, to which the skin hangs in folds; long, thin gray hair, claw-like hands and a general air of feebleness.

General Bragg tells a good story of his first meeting with Oliver P. Morton, the great war Governor. "I've heard a great deal of you, sir," said Bragg. "Yes," said Morton; "what's the use of being a feller unless you're a hell of a feller?"

Rev. Francis Bellamy, a brother of Looking Backward" Bellamy, has resigned his Boston pastorate to take an editorial position upon the Youth's Com-panion. He informed his congregation that he would give place to a "fresher

M. Lambert, who was married into the Rothschild family a few years ago, is to become the head of the Paris house of that famous firm upon the death of Baron Alphonse de Rothschild. M. Lambert is now known as Albert de Rothschild.

A fund to provide for General Banks in his old age will be collected in Massa-

Rev. Philip S. Moxom informs the Ministerial Union of Boston that "the pulpit has been superseded by nothing," and that "there are clergymen living today who have a wider and greater influence on the conduct of men than any newspaper in the world."

Rev. Father Sherman, now at St. Louis, wishes it understood he is to have nothing to do with editing any future biographical matter about his father, the great General, but that his brother, Tecumseh, will have charge of all Sherman publications prepared for the public.

Mrs. James A. Garfield is President of the Cleveland auxiliary of the American McAll Association, and made the address of welcome at the recent national gathering. Of the work she said: "All denominations of Christians, all good people, find here a field for united effort, and to each has come a great good in the lesson of tolerance and loving kindness."

CRIME AND CRIMINALS.

An Epitome of the Hebdomadal Doings of the Wicked.

Two members of a gang of green-goods men have been captured at Chicago.

A negro girl has been sentenced at Rome, Ga., to ninety-nine years' service in the convict camp for arson. Edward M. Grant, Western agent of

the carriage-manufacturing firm of B. Manville & Co. of New Haven, Conn., is under arrest for swindling the firm out of about \$20,000.

The knife used to kill the old woman, Carrie Brown, at New York has been identified as one stolen by "French No. " now in arrest, while imprisoned in the Queen's county jail.

Mme, Achet, the young widow who was tried at Moulins, France, for the murder of a notary named I spine, has been found guilty and sentenced to twelve years' imprisonment. Cattle thieves are at work around Ja-

mul in Southern California. The other night they killed eight steers, stripped off their hides and left the carcasses lying in a ravine near the cement works.

At Del Rio, Tex., a Mexican "Jack the Ripper" visited the house of a Mexican woman named Sanchez, killed her and cut her body in pieces. After the butchery he wrote upon the wall with her blood "Fresh beef for sale."

At Dresden Herr Mehiert, a wellknown Socialist, failed in killing a money-order postman, whom he attempted to rob. The alarm being given, three gendarmes appeared, and two were shot as they mounted the stairs after him. Seeing his chances for escape were hopeless, the would-be murderer hanged himself, and life was extinct before his body was reached.

It has been learned definitely that J. S. Dunn, who is under arrest at Atlanta, Ga., for forging a bill of lading for cotton which enabled him to secure \$12,500, is Thomas F. Libby, who on March 17 last swindled Wood Bros. of Chicago cut of \$5,200 with forged bills of lading on a shipment of wheat suppored to be in missioner according to the ratio the detransit at the time.

EASTERN ITEMS.

Irish Heirs After A. T. Stewart's Millions.

the Coast Are Not Rushing the Work of State Surveys.

The Washington arch fund in New York city amounts to \$98,6 9, and \$17,-370 are still needed to complete the work.

By the voluntary act of the officials of the Baltimore and Ohio railroad all the trackmen on the line have been given an increase of wages.

C. P. Huntington is charged with disobeying a subpena in a New York court, and may be placed in arrest when he returns to that city.

Notwithstanding the McKinley bill the exports from the Dominion of Can-ada for the past nine months show an increase of over \$500,000. The reported discovery of a twenty-

acre gold field on Sage creek in the Bad Lands near Rapid City, S. D., is not be-lieved by the Black Hills miners. Secretary Foster has fixed the maximum number of seals which the Com-

mercial Company will be allowed to take during the coming season at 60,000. A Washington correspondent says the President will probably give three or The late Prince Jerome Bonaparte for four of the nine Judges to be appointed to the new Circuit Courts to the Demo-

About 100 society women of Memphis have organized a company, and will build a free hospital for women and children, to be known as the Women's Hospital of

A Kansas authority says the total amount of farm-mortgage indebtedness in Kansas does not exceed \$50,000,000, them. and it is being paid off at the rate of \$1,-000,000 a month. Owing to the action of the Legislature

sin Commissioners and the Board of Women Managers will resign. A disastrous split in the ranks of the Farmers' Alliance organization in Mis-

sissippi is reported. Within the last few months the membership in that State has shrunk from 25,000 to 15,000. After three successive failures at farming the Winnebago Indians made up

their minds to abandon farming, and will make no further effort to raise anything this year on their reservation. The contest for the A. T. Stewart millions is being renewed. Many heirs of lief in t Stewart are reported to have turned up in Belfast notwithstanding Hilton's dep-

osition that the deceased had no living relatives.

Matia alone flour shes. In fact, the old kingdom of Naples, or the two Sicilies,

off railroad territory. Statistics furnished by the Iowa Board of Health show that insanity is increasing in that prohibition State at an alarming rate, especially in the rural districts. The total number of cases increased

from 1,323 in 1889 to 1,940 in 1890. The census bureau has issued a bulletin on the subject of floriculture throughout the country. California stands third in the list of States in the total value of plant sales, New York and Pennsylvania alone excelling her in that particular.

Under the provisions of the McKinley tariff act all special taxes imposed upon dealers in leaf tobacco, dealers in manufactured tobacco, manufacturers of tobacco and peddlers are repealed. The

law went into effect on the 1st instant. Acting Secretary Chandler has certifled to the Secretary of the Treasury that in compliance with the act of Congress of August 30, 1890, \$16,000 is due miles farther into the interior. to the State of Oregon, to be used in the

maintenance of an agricultural college. At the Agricultural Department at Washington there has been received a Secretary Foster Will Sustain the Action collection of animals, such as rats, lizards and the like, found by the agents of the government sent to explore Death Valley, Cal. It will be properly arranged for exhibition.

Assistant Secretary Spaulding of the recognized there as Consul-General of

that government. The members of the Italian colony at the American population, and having in tary Foster with her account, showing a measure recovered from the effect caused by the summary action of the citizens of that city, they have begun to

quarrel among themselves. The architect of New York's Grant monument will be John H. Duncan of that city, who designed the soldiers' and sailors' memorial arch in Brooklyn. The Grant memorial will cost \$500,000, and the mansoleum up to the first story may be finished for half the sum.

There is talk in government circles that Secretary Proctor seriously contemplates abolishing the division headquarters and have the entire army divided into departments, each in charge of a Brigadier-General, who will transact all all business directly with headquarters.

The Senate Committee of the New York Legislature in its report on the su-gar trust says: "It was plainly one of the chief purposes of the trust to provide for the issue of certificates affordobviously to the advantage of the persons managing the trust and to the disadvantage of the general public, who were ignorant of the secrets of the trust."

Land Commissioner Carter is very much surprised that the Surveyor-Generals of the Coast States are not rushing the work of State surveys. The general fund appropriated to be used for making the various surveys, setting aside school lands and sectionizing public lands where Western division 4,598, or 67.42 per cent. settlements have been made, was dividmand would require.

CABLEGRAMS.

Rebrews of London Protest Against the Rothschilds Lending Russia Money.

The rush to Europe is unprecedented this spring.

The trade of American beef continues to boom in Germany.

Emin Pasha is marching on Kibiro to recover the money .. e left.

Koch's lymph is now on sale in the apothecary shops of Germany under severe regulations.

Italy is cutting down expenses, and will not be represented officially at the World's Fair at Chicago.

The Irish fund bill has been given preference in the British House of Commons over every other measure.

H. M. S. Emerald has received peremptory orders to proceed at once to the scene of the difficulty in Newfoundland. Mr. Griffin, United States Consul at

Sydney, says that the people in Australia have begun to discourage immig ation. Imbriani has apologized for the row he created in the Italian Chambers. He said he was simply inquiring concerning
