INTERESTING PROGRAMME.

on Exhibition - Notes by the Way.

On Tuesday afternoon, the 18th inst., in company with County Clerk Oliver, we started for the Harvest Home pienie in Eagle valley. The ride from Union to Medical Springs bath in the waters of the world replace, owned by Hon. Dunham Wright, sleep and the next morning started for Sparta where we arrived for dittuer. Here we met many friends, among people from every section, on their

way to the picnic, and the little town of Sparta presented an appearance not before seen for many years, or since Smith Richardson, first; John Evans, camps on the coast.

There is not a great deal of mining being done now, some of the properties being in litigation, while others are in need of capital in order to develop them, yet there are a few placer claims and quartz lodges being worked near by which are paying well. There are a great many rich prospects in the vicinity, and in time will be developed. were very rich with gold.

In the afternoon we took our departure for Eagle valley and after a the barren and dry bills, came in sight of the Garden of Eden-Eagle valley. The sight, as viewed from the high elevation, is indeed grand. Nearly the whole valley is under cultivation of alfalfa, and the beautiful green helds, dotted with comfortable dwelling houses, and orchards laden with all kinds of fruit, and the immense stacks of hay, are indeed evidences of A test of Fref. Dyrenforth's rain making L. L. Polk, president of the National thrift and prosperity among the fortu-

all good cooks, as everybody who partook of the dinner will attest. After dinner the exercises were

again resumed, the first on the procontest for ladies over 14 years of age. There were only three entries, all of

whom were excellent riders. The first prize was awarded to Miss Alta Hol- NEW BUILDINGS BEING ERECTED. comb and the second to Miss Emily Kersey. A third prize was given by Jo. Dolby and was awarded to Miss Ella Samis. The contest for girls under 14 years of age was won by Elma-

Foot tace, 100 yards, free for all,

A match foot race was then made between Bert Byam and Jos. Barber, 120 yards for \$25 a side. The race was easily won by Byam.

This concluded the exercises of the day except the dauce, which was to take place in the evening on a platform built on the grounds for the occasion. About 100 numbers were sold, and about dusk the young people begau to trup the light fantastic, and kept it up till davioreak.

The exhibit of fruit, vegetables and fancy work was very large. We

would like to give the names of the successful contestants, but owing to the rush of other matters was unable to secure them at the time. We have written to the secretary for the list but it did not arrive in time for this issue. It was the intention of the managers of the picnic to have a base ball contest and some horse races on the day following, but the base ballists of January, 1892. from Baker and elsewhere had to return home the next morning, but we believe a few horse races were indulged in.

by special delegates. Ample provisions will be made for this meeting. On Saturday September, 10th, will be the farmer's alliance ptcole, where all are invited, Arrangements are being made to entertain all, such as suitable grounds for the exercises, and those who wish to cam yout, Numerous amusements for both night and day. Come all.

H. J. Geer and J. W. Murphy are having a brick fruit dryer erected to dry their plums and prunes on. Mr. Geer has some of the finest peaches ever grown in the valley. They are the S. G. French variety, hybridated in the Cove.

THE WOOLEN MILL.

It Will Not be Constructed as Soon as Anticipated.

Mr. A. E. Eaton, who has been in the eastern states for some time past examining the machinery and conferring with parties with a view of establishing a woolen mill here, returned home last Friday, We regret to announce that he was unable to make satisfactory arrangements by which the milt could be built this fall and that the machinery owned by the parties who have been corresponding with Mr. Eaton is not of the latest pattern and what is desired for the mill here. However, Mr. Eaton visited several other mills and gathered a great deal of information in regard to the business and the best machinery adapted for this trade, and is not in the least discouraged over the prospects. In an interview with him in regard to the matter, he informs us that he is in constant receipt of letters of inquiry in regard to the mill and thinks that it will not be long ere arrangements can be made for the establishment of a mill here. He takes a right view of the matter and is of the opinion for the east Monday. They will visit his that if we cannot get the right machinery, brother in Umatilla county before leaving with a good and competent man with sufficient interest in the enterprise to carry on the business on a paying basis, it is best to not have a mill at all; but Mr. Eaton is confident of success in the near future and will continue, as in the past, in his endeavor to secure it.

There is no doubt but this is the best location in the state for a woolen mill, and as soon as the man with sufficient experience and capital can be found, who is willing to take charge of the business, he will find plenty of aid at the hands of Mr. Eaton, and other business men of Union, to carry out the undertaking. Where is the man?

Robbed a Chinaman.

John Lindsay and John Holt, two men who have been working near Island City for some time past, were arrested last Monday charged with felony. It seems that some Chinamen are engaged in gardening near Island City, and the two men supposing that they had considerable money, concluded to rob them. The two men visited the house under the pretention of wanting to buy some vegetables and while one of the Chinamen was making change the two men overpowered him and beat him up in a fearful manner. They only succeeded in securing about \$15.00, although the Chinamen had about \$200.00 in the house at the time. The men were arrested and taken

19th, and is from all accounts a success.

SERIOUS ACCIDENT.

A Young Man Narrowly Escapes Death Near North Powder.

HAINES, Oregon. August 21, 1891.

EDITOR SCOUT On Sunday evening about 7 o'clock Chas. miles above North Powder, rode over to Gus. Hutchinson's place on an errand. On returning shortly after, his horse be-man was discovered in a semi-unconscious condition the next morning at the scene of the accident, having laid out all night. He was taken home and medical aid sumresulted from the terrible fail, consciousness returning after 72 hours. At present he is convalescing nicely and will, without complications, recover, having narrowly Mrs. Mary Short escaped instant death. Parties passing while his tolks concluded he had gone to having had an encounter with a good sized XXX. eyclone.

Island City vs. Union.

On Sunday the Island City base ball club

visited this city and indulged in a game with the home team. The afternoon was game was at first very close and warmly contested throughout. At the close of the At noon dinner was announced. A fourth foolog the game stood even-S to S by monope

stopping for a short time at Sparta machine today on Tom Jones' farm. They and at night with Mr. and Mrs. J. B. appear to do most of the threshing in the Cove, as they should do, for they are a home tirm and charge reasonable prices. The Misses Edna and Pearl Payne with

Mr. Conklin's family have gone to the Wallowa, for the benefit of Miss Edna's health, who is threatened with consumption. Dora Foster accompanied them also.

Arrangements are being made for the esablishment of cooper shops at this place, and they will be running by spring. There s no reason why they should not be successful, as large quantities of butter barrels have been shipped into the Cove from Portland the past season, and at present prices with the best material and the economy of operating shops here, they ought to pay weil.

The county alliance will hold their regular meeting at the Cove, on Friday, September 18th, instead of at Union, where all kidneys resume healthy action. Try a botthe subordinate lodges will be represented

before the justice of the peace for Island precinct, who placed them under \$1,000 bonds each to appear before the next grand jury. They failed to give bonds and were brought to this city Monday by Will Caviness and T. A. Rinehart and placed in the county jail.

.... The First Step.

Perhaps you are run down, can't eat, can't sleep, can't thirk, can't do anything to your satisfaction, and you wonder what ails you. You should heed the warning, you are taking the first step into nervou prostration. You need a nerve tonic and in Electric Bitters you will find the exact remedy for restoring your nervous system to its normal, healthy condition. Surprising results follow the use of this great nerve tonic and alterative. Your appetite returns, good digestion is restored, and the liver and tle. Price 50c. at Brown's drug store.

CONDEMNED.

Ammonia Baking Powder Must Go.

Bills have been introduced in the New York, Illinois and Minnesota Legislatures compelling the manufacturer of such baking powders to brand on the label in bold type, this powder "Contains ammonia." Physicians and chemists condemn the use of ammonia in baking powders as a crime. Its constant use no matter how small the quantity deranges the stomach, neutralizing the gastric juice and destroying the complexion. It is the small quantities taken every meal that do the mischief.

It is gratifying to know there are pure baking powders to be had on the market and at no greater cost to the consumer than some of these so-called "absolutely pure" ammonia powders.

Dr. Price's Cream Baking Powder, the standard pure cream of tartar powder for forty years. Free from the taint of either ammonia or alum. None so pure-None so wholesome.

Dr. Price's Cream Baking Powder is reported by all authorities as free from Ammonia, Alum, or any other adulterant. In fact, the purity of this ideal powder has never been questioned.

DEDGO:
