A CANARD.

The New York Press exposes that "Important Bill" business.

The article credited to the New York Press going the rounds of the papers, in which it is alleged that unfavorable action has been taken in the New York Legislature against the Royal Baking Powder, proves to have been a canard, gotten up and circulated by opposition baking powder makers for purposes

quite apparent to every one. The New York Press, in exposing the fraud, says: "No such legislation as to our knowledge." The lie is made from whole cloth. The Press disclaims any responsibility for the publication, and objects to being made a party to such methods adopted by some baking powder manufacturers in their efforts to substitute their goods for others now in-
