Harvest hands are scarce. We know of two machines which had to stop to get

Rev. T. L. Jones will preach Mr. J. E. Witten's funeral sermon at the church here on the first Sunday in September. All the harvesting implements are now running to their full capacity, and the harvest of 1882 will soon be of the past.

Dr. Worthington, of McCoy, made us a pleasant call on Tuesday last. The Dr. is merchandising at McCoy. He reports business quite lively.

One of your occasional correspondents passed through our burg the other day with a gas pipe in the hack. We suppose that the people of his community will be saved from an explosion. We always thought that he would make a good gas meter.

But the only way that's given to me To follow the circus, and not get left, Is to see what no one else can see!

Rev. W. D. Nichols preached his last sermon for this conference year here on Sunday last, to a fair audience. Mr. N. has labored faithfully, and much good has been accomplished thereby. We hope that the conference, when it meets at Albany, will let him remain on this circuit.

So I'll gag down all this sunflower drool, I'll swear it's honest high art and true: And, certas: some other half-baked fool Will think I'm "solid," and bolt me too.

MeMINNVILLE'S FIRE ENGINE.

purchased a fire engine at a cost of \$800. Brother Snyder is proud of the new machine, and here is what he says in the

boys. The engine company marched in uniform to the depot at 6 P. M. to receive their treasured pet, and after having re-galed themselves with a sumptuous repast at the Central Hotel "harnessed on" to the machine and sallied out for the city. "Buoyant were their steps and proud their flashing eyes." Cheer upon cheer rent the evening echoes as they whirled the shining little stranger about the streets before the throng which came out to hail it with a welcome. The engine was taken to Cozine creek for trial. Through a fifty foot section of hose it threwa stream 102 feet, and although this was not much to brag of, we consider that it was as much as could have been expect-ed to start with while the machine was new and in the hands of men totally acquainted with its workings. It has been accepted by the city conneil, and undoubtedly will prove a satisfactory invest-

This is the fable of the philosopher

and the flea: 1. The former, having been bit ten by the latter, seized and was deposited the flea on the back of a ing Machines.

passing dog. 2. This dog was the poodle of a lady, and she was very fond of the various leading brands of Spool Cotpretty animal. On his return to the various leading brands of Speel Cothouse his mistress took him upon her lap to caress him, and the flea embraced his opportunity to change

3. The flea having in the course of the night engaged in active business operations, awakened the lady. Her husband was sleeping peacefully beside her, and in the silence of her chamber she heard him in his dreams whisper with an accent of ineffable tenderness a name! The name was that of her most intimate female

4. As soon as it was day, the outraged wife hurried to the house of her rival, and told the rival's husband of the big, big. d-ing discovery she had made. He, being a man of NEW BLACK to be a FAST COLOR. decision, at once called out the destroyer of his household's peace, and THE SINGER MANUFACTURING CO. ran him through.

5. The widow, when her husband was taken home to her upon the medium of a shutter, was so terribly smitten with remorse that she pre-cipitated herself from the fourthstory window.

The other lady convinced her husband that he had wronged her by entertaining any suspicions as to her fidelity, and, becoming reconciled with him, seized an early opportunity

of poisoning him.
7. Inasmuch as the jurors of that country had never heard of "extenuating circumstances," and the chief magistrate thought that he could put a murderer to a better use than not guillotining him, the guilty woman was duly decapitated, and the sole break up the whole business. The survivors of the tragedy were the philosopher and the flea.

Jacksonville Times: Haymond & Magruder, who have been in correspondence with Colusa lodge of the A. O. U. W., the other day received notice to the effect that it withdrew the \$200 reward offered for the recovery of the body of W. C. Hendricks, which at one time was thought to be in Rogue river. The lodge has received information that satisfies it that the whole is large-sixed hoax, and that both Hen-
