and R. P. Boise. If the press those to whom it is applied, and a the Portland wharves. to lead the others, but it has come Scott. To be called mercenary or A miner was blown up in the Blue tool, and worse. Others are equally sure that he is intelligent. ination and election. Nothing, we believe, has been alleged against Mr. Hill except that his party record is not straight. The class of men who have "staved with the party" through thick and thin, and who pride themselves on their party fealty, look with proportionate disfavor on the claims of one who " was fighting us, when we needed help." For that reason Mr. Hill's support will not be so enthusiastic, nor so "numerous," as to encourage his friends to keep him long in the field. Judge Boise is in something of the same situation as Mr. Hilltheir claims with energy. Mr. the next biennial election. Mitchell, unlike his competitors, political fight, than, perhaps, even Philadelphia, as an accompli Pacific Railroad Company. This is war with strategical skill. anxiously for railway connection with the East, and are, therefore, we are inclined to believe, friendly the matter of the regulation of prohibition. freights and fares is with the State slature, and that the Senator to increase or decrease the tariff vet taken place. levied by the railroads. It is not our business to discuss

the matter from a partisan standpoint. We allude to it only as a matter of public concern. It is impotent to us all that an efficient worker represent us at Washington. you ask me if I think there is a his vecation, by a stone falling from ance. It has come to be a sort of scramble as to what State shall receive most from the public treasury. It may be a wrong principle, but it wond this earthlife, I say there is stands us in hand to claim for no place of endless torment; but of the State Grange, had his hand to claim for no place of endless torment; but of the State Grange, had his hand to claim for no place of endless torment; but of the State Grange, had his hand to claim for no place of endless torment; but of the State Grange, had his hand to claim for no place of endless torment; but of the State Grange, had his hand to claim for no place of endless torment; but of the State Grange, had his hand to claim for no place of endless torment; but of the State Grange, had his hand to claim for no place of endless torment; but of the State Grange, had his hand to claim for no place of endless torment; but of the State Grange, had his hand to claim for no place of endless torment; but of the State Grange, had his hand to claim for no place of endless torment; but of the State Grange, had his hand to claim for no place of endless torment; but of the State Grange, had his hand to claim for no place of endless torment; but of the State Grange, had his hand to claim for no place of endless torment. Oregon what her commerce and on justly entitle her to. It is and fine words, nor grand theories, will extend for a limit into eternity. The fore be succeeded in extricating it, bring to our State what she ought be a great while in the other life one of the to have. Personal influence and before we cease to be sorry for the egislative experience are what is most needed. Without these, the most brilliant talent in other directions will shine for naught.

A muddle exists in the Republi. Fat hogs are worth 9 cents a pound the payement below, or clinging the condition of a member to the kinds of corn; there is the unicorn, corn dodgers, field corn, the died.

Fat hogs are worth 9 cents a pound and the corn which is the corn your and the corn which is the corn which is the corn your and the corn which is the corn which is the corn your and the corn which is the corn which Benezis resigned. Lang, the feel most. It is said, I believe, that the gophers like corn, but persons having corns do not like to "go fur," if they can help it. Corns have kernels, and Colonels have corns. Vegetable corn grows on ears, but animal corn grows on feet at the other end of the body. Another the place. The other kind of corn is the acorn; this grows on cake, but there is no constant of the corn which is the corn you feel most. It is said, I believe, at the scene of the railroad extent at the scene of the railroad extent and \$7 a dozen; eggs at 50 cents a dozen; butter at 50 cents a pound; potatoes at 4 cents a pound at the scene of the railroad extent and \$7 a dozen; eggs at 50 cents a dozen; butter at 5
