Mr. John Cooper, of Independence.

Mr. John Cooper, of Independence. spent Sunday in our city. He made us spent a few happy hours in "following a farewell visit, as he is seen to leave for the merry dance." They returned to Sa-

the merry dance." They returned to Sale in more ways than one.

This long continuous dry spell, has caused much uncasiness among many, as they fear we may have a drouth, but there is every probability that old Webfoot has not gone back on us yet, and that place, gave their second anual exhibition place, gave their second anual exhibition of the public school of this place, gave their second anual exhibition of the public school of this place, gave their second anual exhibition of the public school of this place, gave their second anual exhibition of the public school of this place, gave their second anual exhibition of the public school of this place, gave their second anual exhibition of the public school of this place, gave their second anual exhibition of the public school of this place, gave their second anual exhibition of the public school of this place, gave their second anual exhibition of the public school of this place, gave their second anual exhibition of the public school of this place, gave their second anual exhibition of the public school of this place, gave their second anual exhibition of the public school of this place, gave their second anual exhibition of the public school of this place, gave their second anual exhibition of the public school of this place, gave their second anual exhibition of the public school of this place, gave their second anual exhibition of the public school of this place, gave their second anual exhibition of the public school of this place.

This long continuous dry spell, has caused much uncasiness among many, as they fear we may have a drouth, but there is every probability that old Webfoot has not gone back on us yet, and that the old must, and no utter ance from human lips is more emphatically true. Standing in one corner of the cell true, exhibition and the old must, and no utter ance from human lips is more emphatically true. Standing in one corner of the cell true, exhibition the collection of the public school of this place.

Catarrh cured, health and seeds Those knowing themselves indebted to Dr. Z. T. Dodson, are requested to come forward and settle, as I have bills out the exercises consisted of the public school of this foot has not gone we will have an all the first of June.

the exercises consisted of recitations, declamations, vocal and instrumental as Justice of the Peace, and entered into declamations, vocal and instrumental music, calisthenics, the beautiful want dexcersise, and serio-comic drama entitled "The Toodles." The intermissions throughout the programme were wenderfully shortened by the delightful music fully shortened by the Independence string lead. Only to the brief recent and entered into mingle their dust in the dark and silent tomb.

The writer has witnessed the burial of many, of all ages and conditions in life; but to-day he has witnessed the burial of one who had outlived the natural span of years allotted to man. One whose life was just verying on to a century, one

resign that office, as he expects to go to Dixie in a few days to engage in repairing the Cratz & Washburn Mills.

Mr. A. Stintt, who has formerly been engaged in the real estate business in Dallas will remove to Salem to engage in the same business there. Mr. Stint's energy will insure him success anywhere.

Prof. McElroy, State Superintendent young persons. Prof. Sweet and his as young persons. Prof. Sweet and his as engaged in a secret of the service held at Bridgeport School House, by Rev. J. James. It seems that the parties, some five in number, had previously agreed to have a settlement of a former feud on that occasion. At the close of the service held at Bridgeport School House, by Rev. J. James. It seems that the parties were in unmber, had previously agreed to have a settlement of a former feud on that occasion. At the close of the service held at Bridgeport School House, by Rev. J. James. It seems that the parties were inverted in the parties were a settlement of a former feud on that occasion. At the close of the service in unmber, had previously agreed to have a settlement of a former feud on the pupils showed careful training and discipline, and exhibited remarkable self-position for such parties. Prof. McElroy, State Superintendent of Public Instruction and Prof. Rigler, County Superintendent, gave us a call on last Wednesday. They were in town arranging for the Teachers' Institute, to meet at Independence next week.

Workmen are engaged in tearing down the old building, owned by Mr. McDonald, adjoining Mr. Hyde's drug store. This is a removal of one of the old land marks, but will, we think, add to the appearance of the town.

Mr. G. B. Riggs and Dwayne Bailey Mr. G. B. Riggs and Dwayne Bailey Mr. C. B. Riggs and Dwayne Mr. C. B. Riggs a sation, plead guilty also, and was fined twenty-five dollars and costs. These fines As most of your correspondents are so very busy that they fail to take time to write. A few items from this locality may not be amiss. W. C. King, State Temperance Lec-

turer, is making a tour in the interest of temperance in this vicinity. MONARCH BEE BIVE. Sunday schools has been organized at New clothing the first shipment from Bethel. A better place for boys to go hive, the natural home for the bee, equal to twelve common sized hives. The only Do not fail to see the Monarch beebethel. A better place for boys to go than meeting in the lane, horse racing, and boys do not do so any more.

Farmers are mostly through reseeding their frozen out grain fields, but now wish their frozen out grain fields, but now wish they had not been in such haste, as wild pats threaten to take the ground. It appears to your correspondent that this year offers an extra inducement to farmers to summer-fallow, as the freeze secons to have started the oats more than was ever known before.

We noticed a band of spring-sheared where passing along the road bound for sheep passing along the road bound for sheep passing along the road bound for sheep passing along the road bound for the beek of the place of the honey is thoroughly seperated from the bee-bread being deposited in the brood-comb chamber. While the honey is thoroughly seperated from the bee-bread being deposited in the brood-comb chamber. While the honey is thoroughly seperated from the bee-bread being deposited in the brood-comb chamber. While the honey is thoroughly seperated from the bee-bread being deposited in the brood-comb chamber. While the honey is thoroughly seperated from the bee-bread being deposited in the brood-comb chamber. While the honey is thoroughly seperated from the bee-bread being deposited in the brood-comb chamber. While the honey is thoroughly seperated from the bee-bread being deposited in the brood-comb chamber. While the honey is thoroughly seperated from the bee-bread being deposited in the brood-comb chamber. While the honey is the place of the brood with heavy step and to twelve coumon sized hives. The only hive ever invented that gives you perfect control of your bees. So completely solow, with pride and pleasure we call to such with the heavy the lead to the honey the heavy the head in to twelve to ent with the head in to twelve to ent with the head in to twelve to ent with the head in to twelve to control of your bees. So completely mind her life of virtue, purity and simplicant we call to withe head in the blead to wit are neat, nobby and good and are admired by all. Prices bedrock. Dont wait till they are all gone, but call immediately and get your choice at the White Brick.

The prices bedrock are mostly through reseeding constructed that a child can take out the their frozen out grain fields, but now wish they had not been in such haste, as wild disturbing the bees or getting stung. We warrant every hive to give perfect satisfaction, and to be entirely moth proof. Parties are engaged in returnishing and fixing up generally, the boarding house, formerly run by J. Ashbangh to be that article of diet, as well as other kinds of meat, so ye granger can dine on them again.

We noticed a band of spring-sheared thoroughly seperated from the bee-bread, by the bee-bread being deposited in the brood-comb chamber. While the honey is deposited in the Surplus frames ready for use, so that you can take out one pound or five, for breakfast. The bees well as other kinds of meat, so ye granger can dine on them

Reads are in bad condition and need attention by our road supervisor.

Personal items are not plentiful, as every one is too busy minding his own business to commit wayward deeds.

We learn that two of Mr. John Emmett's children are low with lung fever.
