Union Lodge No. 35, A. O. U. W., meets at O.1d Fellows' Hall on Monday evenings of each week at 7:30 o'clock.

"THE TERROR."

but the Name Chosen for Our New Fire Engine.

The Company Fully Organized and Will Soon be Ready for Business.

of \$1,009 .. By-Laws, Etc.

A number of the citizens of Dallas met day from his trip east of the mountains, where he has been for several months at Band Hall on the evening of Monday, June 18, for the purpose of organizing a

Hon, J. J. Daly was chosen as chairman of the meeting and Mr. George Good north of J. D. Lee's brick stere. Call was then effected by the election of the fellowing officers: President, J. J. Daly; secretary, J. W. Crider; treascur, C. Hubbard; foreman, R. D. Willson; first Hubbard; foreman, R. D. Willson: first assistant, T. B. Rowell; second assistant, F. J. Coad.

No. 1. On motion it was decided to name the engine "The Terror," and to have the name engraved upon it.

The apparatus decided upon was an 1,800-pound hand engine, hose cart with of B. M. Smith's drug store. 300 feet of hose, and other necessary appliances, the whole to cost \$1,000.

to provide for housing the engine.

At a subsequent meeting, held Saturday evening, June 23, a constitution and by-laws were reported and adopted.

Also ferty-five names were offered for eozily in it while having a molar drawn.

Shelly of Alta subsequent meeting, held Saturday patent dental chair to grace his already neat dental rooms. It looks so comfortable that one ought to be able to sleep week.

We membership in the company. Adjourned Try it, to meet Tuesday evening June 26, 1883.

The company met on Tuesday evening, has been in Dallas most of the week lookbut we are not prepared to report the connection with the fire. Messrs. Dobin-

on Wednesday evening, June 20, Robert the week on the same mission. years. He was playing on the saw logs in the mill pond near the saw mill, in company with other little boys, and accidently fell into the water. He was coat prices. On last Sunday a trestle bridge on the O. and C. R. R., a mile and a half below Albany, caught fire from sparks from the locomotive and several spans burned out.

A wood train moving southward, not be for the several spans burned out.

A wood train moving southward, not be for the columbia. locomotive and several spans burned out.

A wood train moving southward, not being aware of the fire, ran into the breach, and the engine and two flat cars were wrecked. The engineer and fireman and a number of Chinamen jumped from the train and saved themselves, in a somewhat bruised condition.

A. M. Went to hotel and dinner.

Dinner over and now for the excursion to Fort Camby and out over the Columbia bar. Having been out over the bar at the mouth of Coos Bay I preferred to see what I had never yet seen, that was the defences on Cape Disappointment. They are, for anght we could see, ample, as they command the channel and are simply have to save the least.

Talk: The house of Mr. Jasper Ellis, corner of Chemeketa and Summer streets, was entered night before last by burglars. Mr. Ellis and family had gone away on a virt to Dallas, and left his house in large of Mr. A. D. Palmer, and, as he has not yet returned, it is not known whether anything of value was taken or not.

A monster was captured and brought to this place yesterday. It evidently made its escape from some circus or zoological garden at Dallas during the fire. It was branded with "G. W., 1881," and weighed about four er five pounds. Hit has only gotten this far since the fire we think the hare will get her nap out before her opponent overtakes her.
