No, not 'good night,'" the maiden
"For I am weary walking;
he lights are out and all in bed;
we'll not disturb them talking.
et's on the door atone sit and rest,
The night so cool is growing,
he moonlight dies along the west,
The river breeze is blowing." tht," " the maiden said,

June roses o'er the foot-path bend
That leads up to the portal,
The drowsy odors mix and blend
With dream-life more than mortal,
A dew drop from the lilae drops
And falls with silver tinkle,
Or was it gently meeting lips,
And eyes, not dews, that twinkle?

A rythmic cadence fills the air,
Of merry crickets singing.
The first savit are winging
The night, in sympathy with love,
Dull mortals sleep is giving.
But lights for us the stars above,
For love alone is living.

Buch love is ever void of speech
The scent of dewy tresses,
Gr languid hands that others reach
A message bring that blesses.
So silent was the hours of night
Until, with laggard warning.
The east is tinged with steely light
That brings the breeze of morning.

"No, not 'good night,' love, but 'g

know, there is a difference between good fellows rich and good fellows poor. And, to my shame be it spoken, I think I liked him better "Mnd why not?" "When I stooped rich than poor. Well, as I said, he was almost destitute. He had a probut in Spain the gains of the fra ternity of the pen were not large. What little he did earn went to the bad, for he was an inveterate gambler.

bad, for he was an inveterate gambler.
But from a poverty-striken journalist he suddenly blossomed out into a man of wealth. He had the finest horses, he belonged to the most fashionable club, he had purchased the country seat of a decayed grandee, he had the best cook in Madrid, and he most of in the best society—for he moved in the best society-for alas! even in Spain the golden key is beginning to open all portals. But do not think from what I say that

me whether the means were supernatural or not. I have never been able to decide. The reason that the source of my fortune has never been

day after—"
He paused.
"The day after what?" I querried.
"Well, I will begin at the beginning. The story is a curious one, and should be told in sequence."
He lit a fresh cigar and then be-

the roulette table before which I sat,

"The banker knew me well—he had

"When I stooped to pick up the coin I found—nothing."
"Nothing!" I echoed. "Why what—where—"
"That which I had taken for

peseta was not a coin. The round, silvery object on which the light had fallen and deceived me was-"What?" "A drop of water."

THE MODERN YOUTH'S PRIMER.

See the tramp! Never despise a man because he is a tramp. Little boy, you are more liable to become a tramp than to become president of the United States, and there are ten to the deep dark valley. There will be a combination one of these days that wakes the sleeping echoes down it the deep dark valley. There will be ere slumber overpowers her is that it won't get out."

A day or two later she meets Miss Flossing.

Why, what's the matter, Fanny'' where the complete are the properties.

seventy-five cents for it.

Children, did you ever see a camel?

Follows: The reason that the ortune has never been because the only man because the only man to draw a prize in a lottery than for source of my fortune has never been discovered was because the only man who knew of it had left the city the day after—"

He paused.

"The day after what?" I querried.

"Well, I will begin at the beginning. The story is a curious one, and ning. The story is a curious one, and had be described by the story is a curious one, and the story is a curious one, and the story is a curiou

and at which one persevering gamester was trying his luck. Finally he, too, wearied, and I was left alone with the banker, who was the proprietor of the gambling hell."

"Oh, I remember," I interrupted, "Jose Herrara, who disappeared so suddenly a couple of years ago."

"The same," replied Bonilla, fixing his eyes keenly upon me.

Bismarck. the German Premier, is probably the best posted man in the universe on the hog. At any rate he claims to be. What is the hog? It consists of two hams, two shoulders with plenty of pork in between, with a head at one end and a tail at the other. And such a tail it is! The hog can't brush flies off with it, it never is wiggled as a signal of recognition. "The same," replied Bonilla, fixing his eyes keenly upon me.

I do not know why, but I began to feel uncomfortable. However, he continued—

The same," replied Bonilla, fixing hog can't brush files off with it, it never is wiggled as a signal of recognition or distress, and the only thing that can be said of it is that it denotes the end of the hog. It's a sort

"Yes," he went on, "a little bit of silver coin—only a peseta. But it saved my life. I placed my foot upon it, and motioning to the banker said,—
""A peseta on the seventeen!"

""The banker knew me well—he had a constant of the said to indicate any extraordinary degree of intelligence, but to a casual observer it is evident the hog said to indicate any extraordinary degree of intelligence, but to a casual observer it is evident the hog said to indicate any extraordinary degree of intelligence, but to a casual observer it is evident the hog said to indicate any extraordinary degree of intelligence, but to a casual observer it is evident the hog said to indicate any extraordinary degree of intelligence, but to a casual observer it is evident the hog said to indicate any extraordinary degree of intelligence, but to a casual observer it is evident the hog said to indicate any extraordinary degree of intelligence, but to a casual observer it is evident the hog said to indicate any extraordinary degree of intelligence, but to a casual observer it is evident the hog said to indicate any extraordinary degree of intelligence, but to a casual observer it is evident the hog said to indicate any extraordinary degree of intelligence, but to a casual observer it is evident the hog said to indicate any extraordinary degree of intelligence, but to a casual observer it is evident the hog said to indicate any extraordinary degree of intelligence, but to a casual observer it is evident the hog said to indicate any extraordinary degree of intelligence, but to a casual observer it is evident the hog said to indicate any extraordinary degree of intelligence, but to a casual observer it is evident the hog said to indicate any extraordinary degree of intelligence, but to a casual observer it is evident the hog said to indicate any extraordinary degree of intelligence, but to a casual observer it is evident the hog said to indicate any extraordinary degree of intelligence and the said to indicate any extraordinary degree of intelligenc

some post-prandials in the shape of further wine and fragrant cigars, that I had asked the question. But I had long wished to do so, and I will tell you why.

Some two years before, Gomez was as poor as a church mouse. He was always a good fellow, but then, you know, there is a difference between good fellows rich and good fellows poor. And, to my shame be it spoken, I think I liked him better

"And the peseta," said 1, "you have that still, of course?"

"No," he replied with a strange as he can scoop the sheekles out of his corner. It's "git there Eli" with him and Eli "gits." There are also two-legged little pigs—young hogs. They generally want everything their companions. These little pigs grow to hops unless the old man with their companions. These little pigs grow to hops unless the old man with the sickle cuts 'em down in their pig to a soul, would you?"

"When I stooped to pick up the sould be awful, you ask me talking as he can scoop the sheekles out of his transactions on others, so long as he can scoop the sheekles out of his corner. It's "git there Eli" with him and Eli "gits." There are also two-legged little pigs—young hogs.

"No," he replied with a strange as he can scoop the sheekles out of his corner. It's "git there Eli" with him and Eli "gits." There are also two-legged little pigs—young hogs.

They generally want everything their companions. These little pigs grow to hops unless the old man with the sickle cuts 'em down in their pig wears. The disposition these little world have kept in a chip hat you saw me talking of his corner. It's "git there Eli" with him and Eli "gits." There are also to death about for his corner. It's "git there Eli" with him and Eli "gits." There are also to death about for his corner. It's "git there Eli" with him and Eli "gits." There are also to death about for his corner. It's "git there Eli" with him and Eli "gits." There are also to death about for his corner. It's "git there Eli" with him and Eli "gits." There are also to death about for his corner. It's "git

is beginning to open all portals. But do not think from what I say that Gome was not a gentliman, for he came of an excellent family.

Well, as I sajd, we had just finished an excellent dinner, and over the walnuts and the wine I put my queen and the wine I put my queen must be completed in the wine I put my queen must and the wine I put my queen must and the wine I put my queen must and the wine I put my queen must be conting a new root of the conting of the conting of the conting of the conting of the wind of the conting of

wwill, will begin at the begin ing. The story is a curious one, and should be told in sequence.

JUST OUT.

Strange How it got Out--The Village Secret that No One Knew and No One

"Oh! by the way," exclaimed Mrs. Limbertung, suddenly changing the conversation, "you know that Flossing girl? Well, her brother, he that was sent to State Prison four or five "The banker looked at me inquiringly. I half rose to retire. I had fully determined to blow out my brains in the street, and that I did not do so is owing to one of the strangest of circumstances—so strange that you will not blame me for wondering whether it was supernatural. I half rose, I say, and as I did so, I saw upon the floor a round, bright object which had a silver shimmer as the gaslight fell upon it. It was a coir, a—

"A peseta," I interrupted breathlessly.

"Yes," he went on, "a little bit of silver coin—only a peseta. But it of ornamental Spencerian flourish put on as a sort of an apology for making such poor use of the balance of the pork. There is however, some at the street, and that I did not do so is owing to one of the strangest of circumstances—so the port use of the balance of the pork. There is however, some at the street, and that I did not do so is owing to one of the strangest of circumstances—so the port use of the balance of the pork. There is however, some at the street, and that I did not do so is owing to one of the strangest of circumstances—so the port use of the balance of the pork. There is however, some at the street, and that I did not do so is owing to one of the pork. There is however, some at the street, and that I did not do so is owing to one of the pork. There is however, some of the balance of the pork as the prison four or nive years ago, is out. I saw them to side trison four or nive years ago, is out. I saw them to state Prison four or nive years ago, is out. I saw them to state Prison four or nive years ago, is out. I saw them to state Prison four or new them to wait in the street, and the port of the balance o notes the end of the hog. It's a sort years ago, is out. I saw them to

"The banker knew me well—he had considerable. Anyway his nose is cause to—and without making any inquiries he repeated my wager after me, and set the ball a whirling. It the pork follows it around the country. The American hog has the charter of the pork follows it around the country. The American hog has the charter of the pork follows it around the country. The American hog has the charter of the pork follows it around the country.

with all the world before a spood, And hope's bright blossoms o'er us. And hope's bright blossoms o'er us. And hope's bright blossoms o'er us. Though Time his signs be giving, We'll his samin at morning light, For love alone is living.

"Exchange.

"I want to sak you a certain question, Gomez." "Well, my dear fellow, what can that be?" "Wheee did you get your money?"

The question was an abrupt one, it was almost impertinent. But Gomez de Bonilla was an intimate friend of mine, a good fellow and awe had dined. To say truth, we had not only dined but wined, and it was oversome post-prandials in the shape of further wine and fragrant cigars, that I had asked the question. But I had long wished to do so, and I will tell you why.

Some two years before, Gomez was

"The American hop has the characteristic of working itself into the good graces of the people of every nationality, and fearing it might pood graces of the people of every nationality, and fearing it might probably supersede royalty.
