Refinement In Society.

There is nothing that speaks more favobraly for the society in any community than an air of refinement. In this age of enlightenment, there is no possible excuse for coarseness and vulgarity in social intercourse, unless indeed it be that some persons have a characteristic coarseness ingrained into their very nature which defies improvement. There are a few such persons, who, it seems cannot do otherwise than grovel in the dirt and revel in low, coarse jests and vulgarisms. But such persons, are unfit for good society, and usually find their place in the lower stratas. But fully recognizing the very best conditions, there is still a woeful lack of refinement in Oregon society, and especially in the smaller towns and country places; a lack that is utterly inexcusable. A few fools in every community entertain the impression that when people undertake to be ladies and gentlemen they are "putting on style," but such an impression is so idiotic that no reasonable person ought to be influenced by it. The fact is we ought to be ladies and gentlemen every day and every hour in the day, and no person has a right to be otherwise. But there is no disguising the fact that we, as a people, manifest a great lack in this respect. This lack is not more apparent than among the young people. It manifests itself in the use of slang of the lowest caste, slang that originates in the slums, and singholes and deadfalls of society. Also in a vulgar familiarity with older people. We hear boys and young men, in speaking to middle aged and even old people, call them Jim, Sam or Joe, as the case may be. This is vulgarity that is utterly abomnible, and that no good society will tolerate. Boys and girls if you are ignorant on these subjects, go and buy you a good book on social etiquette, and study it well until you are familiar with the rules of society, and then follow the plain common sense rules which you will find taught there, and you will be surprised how society is improving in point refinement.

TRAGIC END OF THE PETCH MURDER CASE.

The Condemned Man cheats the Sheriff out of his fee---A Bad Case ended for good.

Great excitement prevails all over this region in regard to the suicide of Geo. W. Smith, convicted of the murder of Mary Petch. The jury, after being out about twenty-five hours, returned a verdict of murder in the first degree. When the news was communicated to Smith he asked to be allowed to have an interview with his wife and children, in the sheriff's office at Lafayette, where he bade them farewell in an affecting manner.

Wm. Rogers, an alleged, burglar, in the samet cell with Smith, and said that Saturday night at 8:30 o'clock Smith said to him: "I think it mean that the sheriff won't allow me to have a light, and take my last farewell of my children. Tuesday, at 1 o'clock, I'm to receive setence, for they have brought in a verdict of guilt as charged. Here is half a dollar; keep that in memory of me, and when you feel tempted to take a drink look at the piece of money, and it will keep you from drink. I want you to deliver some messages for me-one to my wife, one to W. D. Fenton, one to the sheriff and another to the public."

MESSAGES TO THE PUBLIC AND INDIVIDUALS.

The message to the sheriff was to the effect that he wanted no autopsy held on his remain, as his death would be caused by morphine; that he wanted his body turned over to his wife, and disired that no priest or preacher might be allowed to say a word of any kind over his grave. Also that his gun, pistol, ammunition and $31.25 be given to W. D. Fenton, his counsel.

His message to the public was as follows: "I want the public to understand that I do not take my life through fear, because I am not afraid to die. I am not guilty of the crime with which I am charged, but circumstances have prevented me from exonerating myself. I do not take my own life because I murdered Mrs. Petch, for I am innocent. I want to die in this manner because I don't want my children to go through the world hampered with the disgrace of their father having been hanged."

His message to his wife; "Take charge of my body and bury it beside one little body who died within the year. I wish all the love you ever entertained for me to be given to the children, and do not care if you marry again; and if you can sell the property and go elsewhere."

The message to W. D. Fenton, was in relation to his guns and pistols, and the publication of a poem.

ROGERS' STATEMENT OF THE SUICIDE.

Rogers says that Smith talked in his cell from 8.30 P. M. to 10 o'clock, when both fell asleep. He says he was awakened about 11:30, o'clock by hearing loud breathing, and a gurgling sound coming from Smith's side of the cell. He became alarmed and shouted for the jailor, who aroused the sheriff. The latter sent for Dr. Littlefield, who labored with Smith, but without avail. He never spoke after his last words with Rogers, and died at 8:30 A. M. sunday.

Smith was in good spirits until Wednesday night, when he became much depressed. Rogers claims to have had fifty conversations with Smith in relation to the killing, but defendant stoutly protested his innocence always, and said the shooting was done by Joe Petch, and the public would find it out some day. --*Oregonian.*

We were disappointed in getting our paper last week and consequently had to issue a half sheet, greatly against our inclination. The accident was unforseen to us and could not be avoided. We hope our patrons will accept our apology and this explanation, and we will try to guard against such accidents in the future.

A Splended Book.

Mr. M. H. Parker is canvassing Dallas for a book entitled "Practical Life," by Mrs. Julia McNair Wright It is not only one of the most readable books extant, but is of almost infinite value to young people by virtue of the great amount of practical information and instruction which it contains. If parents would buy such books for their sons and daughters in place of the trashy stories upon which the young folks are being fed, this generation would be incomparably better off. We are glad to give our names for this splendid work.

A Blessing in Disguise.

484 Adelphi St., Brooklyn, N. Y., March 29, 1881.

No family should be without Allcock's Porous Plaster; their healing powers are wonderful and their efficacy far reaching and lasting. For years past I have seen and known them to cure and relieve the most obstinate and distressing cases of rheumatism, kidney complaint, bronchitis, neuralgia, lumbago, inflamation of the lungs and throat, paralysis, asthma, spinal weakness, and coughs and colds. In my own case they have afforded me almost instant and permanent relief. My friends consider them an invaluable and speedy remedy for all kinds of aches and pains. They are a blessing in disguise; and no wife or mother should be without them if she values her peace and comfort and freedom from nervous exhaustion and other ailments. As a strengthening plaster, also for backaches and weaknesses, they have no equal. I have never yet found a plaster so efficacious and stimulating, or to give so much general satisfaction. Used in connection with Brandreth's universal life-giving and life-healing Pills, no one need despair of a speedy restoration to good sound health.

MRS. E. TOMPKINS.

ONE TRIAL.

If you have been using other Plasters one trial of Allcock's Porous will convince you of their wonderful superiority. Take no other porous plasters that claim to be better, they are all frauds gotten up to sell on the world-wide reputation of the genuine article. (1)

Lost Art Found.

A valuable art, once so well known to the inhabitants of the republic of Perrydale and adjacent territory, has recently been discovered by the well-known haberdasher, J. D. Walling, F. A who will be pleased to impart information on the discovery to any and all that will call on him at his new store at Perrydale during business hours. Practical demonstration given as a preference and money saved to the applicant guaranteed.

J. D. Walling.

Perrydale, Or., May 22, 1883.

SENSIBLE MEN and women know ere this that of the many diseases and derangements of the body each has a separate cause or origin, and that each needs a different method of treatment in order to effect a cure, and a moment's reflection must convince that any of the quack nostrums foised upon the public claiming to cure all of a number of diametricly different diseases must prove failures, even if we do not call them humbugs.

POOR PEOPLE and people of moderate means, and even people well to do or wealthy find that the enormous charges of practising physicians are a serious burden to them, and also find that after paying themselves poor that no benefit has accrued to them, that in fact they have thrown their money away. To overcome these evils we offer Wheeler's No. 96 Sure Remedies to the sick and suffering one remedy for each disease, without for a moment claiming that one remedy will cure any other disease than the one claimed for it, and as these remedies have stood the test of years without a single failure, we agree to refund the money paid in every instance where a cure is not positively effected. The remedies are entirely vegetable, can do no harm, and will positively cure every disease for which the are prescribed.

RHEUMATISM, Gout, Lameness of Joints, Sciatica, and Neuralgia are relieved at once and positively cured by the use of Wheeler's No. 96 Rheumatic Remedy. We say boldly that in the worst of cases of no matter how long standing, how serious, or how painful, we can not only give relief but positively cure for all time. Failing to do this we will positively refund the money paid for the treatment, and if your sufferings are not positively stopped for all time you have not thrown your money away as you would on any other than these guaranteed remedies. The price of Wheeler's No. 96 Rheumatic Remedy is only 50 cents, obtainable from druggists or sent free by mail on receipt of price. Stamps taken.

SUFFERING WOMEN. Many a lady endowed by nature with a pretty face, beautiful figure, faultless complexion, as well as the sweetest of tempers and faultless mental qualities grows prematurely old, gray and wrinkled, her form loses its perfect contour, the complexion becomes sallow, the brightness leaves the eye, a feeling of languor takes the place of the once buoyant spirits, an irritable nervous fractiousness makes life a burden, things that once were trifles worry her till life becomes unbrarable. All this being caused by the physical derangements so common to women, which the innate modesty of femine nature prevents their making known, and of which the ignorance of the medical profession prevents a cure. Lady reader, pause and consider, 'tis a duty you owe yourself, your family and your God, that you should cure yourself of these troubles and once more feel the glow of perfect health and spirits that nature intend for you. Wheeler's No. 96 Prescriptions are pleasant and palatable to take, contain nothing of an injurious nature, and may be taken by all ages at all times and in all conditions without possibility of ill effects, and will positively cure any of the peculiar diseases to which females are subject. Failing to produce a perfect cure the proprietors will refund the money paid for the treatment. If you have a sallow complexion, constant or intermittant headaches, backache, restlessness, loss of appetite, suppressions of monthly flow, or irregularities thereof accompanied by headaches, nervousness, hysterics and similar symptoms, Wheeler's No. 96 Prescription "B" will positively restore you to health. If you have a sensation of heat and throbbing in the back, frequent fainting spells, Leucorrhea or white discharge, painful or scalding sensation in urinating, reddish or white deposit in urine, hot and dry skin, Wheeler's No. 96 Prescription "C" will give immediate and lasting relief. The price of Wheeler's 96 Prescriptions "B" and "C" are 50 cents each, obtainable from druggists or sent by mail secure from observation, post paid, on receipt of price. Postage stamps taken.

CATARRH. It is needless to describe the symptoms of this nauseous disease that is sapping the life and strength of only too many of the fairest and best of both sexes, old and young, suffering alike from the poisonous dripping in the throat, the poisonous nasal discharges, fetid breath and general weakness, debility and languor aside from the acute sufferings of this disease, which if not checked can only end in loss of palate, hoarseness, weakened sight, loss of memory, deafness, and premature death if not checked before it is too late. Labor, study and research in America, Europe and Eastern lands have resulted in Wheeler's No. 96 Instant Relief and Sure Cure for Catarrh, a remedy which contains no harmful ingredients, and that is guaranteed to cure every case of acute or chronic catarrh or money refunded. Wheeler's No. 96 Instant Relief and Sure Cure for Catarrh will cure every case of catarrh, hay fever or asthma, price $1.00 per package, from druggists or sent by mail post paid on receipt of price.

Wheeler's No. 96 Sure Cure for Kidney and Liver Troubles cures all weakness and soreness of kidneys, inflamation of kidneys or liver, price $1.00.

Wheeler's Vegetable Pills are the only remedy that cure constipation, giving natural action to the bowels without physicing, purging, griping or pain. Price 25 cents, of druggists or by mail.

Wheeler's Nervine Tonic for mental depression, loss of Manhood, languor, weakness or over taxation of the brain is invaluable, price 25 cents.

WE GUARANTEE Cures in every case or will refund money paid. We place our price for these remedies at less than one-twentieth of the price asked by others for remedies upon which you take all the chances, and we specially invite the patronage of the many persons who have tried other remedies without effect or depleted their purses by paying doctor bills that benefitted them not.

HOW TO OBTAIN these remedies. Go to your druggist and ask for them. If they have not got them, write at once to the proprietors, enclosing the price in money or stamps, and they will be sent you at once by mail, post paid. Correspondence solicited. Address plainly

THE NEW PATENT DUST-PROOF Stem Winding Open Face Case,

MANUFACTURED BY THE American Watch Co., WALTHAM, MASS.

This case is formed in one solid piece without joint or seam, opening in front only, thus avoiding the usual Cap, and securing greater strength and durability.

These watches are all open face. The bezel into which an extra strong crystal is fitted with an especially prepared water-proof cement, is attached to the case by screwing it thereon, and thus forms an air-tight junction with the body of the case, which is proof against dust and moisture.

To railroad men, travelers, miners, lumbermen and others who are almost constantly exposed, and who have to make frequent reference to the watch these qualities are of the utmost importance.

The following letters tell their own story.

"Valdosta, Georgia, July 20, 1882.

"I sold one of your Patent Dust Proof Cases about ten months ago, and the other day it came back to me with the request to make it wind easier. On examination I found that the stem was rusty, and I inquired into the cause of it. The gentleman stated to me that he was starting some saw-logs that had lodged in the bend of the river, when his chain caught in a bush and threw his watch into about twelve feet of water, and he was about two hours finding it. When he got it out it was running and he thought all right. In about three months he found that the stem was hard to turn and sent it to me.

I can say that the watch is all that the company claims for it and recommend it to all railroad and mill men.

B. W. Bently."

"Clinton, Iowa, April 29, 1881.

"I wish you would send me a spring for the Wm Ellery Watch. * * * By the way this Ellery is a watch I sold in your Screw Bezel Case to a farmer last fall. The first of January he lost the watch in the woods, and found it this week in about one foot of water. It had lain three months and over in snow and water, with but slight injury to the watch—only a hair-spring

C. S. Raymond."

The above were very severe tests, and demonstrate beyond a doubt, that for any reasonable length of time during which a watch might be under water it would receive no injury whatever.

We make these cases in both gold and silver, and as a **Perfectly Dust-Proof Stem Winding Watch Case, Challenge the World to Produce its Equal.**

PILES! PILES! PILES!

A Sure Cure Found at Last! No One Need Suffer!

A hure Cure for Blind, Bleeding, Itching and Ulcerated Piles has been discovered by Dr. William, (an Indian Remedy,) called Dr. William's Indian Ointment. A single box has cured the worst chronic cases of 25 or 30 years standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotions instruments and electuaries do more harm than good. William's Ointment absorbs the tumors, allays the intense itching, (particularly at night after getting warm in bed,) acts as a poultice, gives instant relief, and is prepared only for Piles, itching of the private parts, and for nothing else.

Read what the Hon. J. M. Coffinberry of Cleveland has to say about Dr. William's Indian Pile Ointment; I have used scores of Pile Cures, and it affords me pleasure to say that I have never found anything which gave such immediate and permanent relief as Dr. William's Indian Ointment.

EARS FOR THE MILLION!

Foo Choo's Balsam of Shark's Oil

Positively Restores the Hearing and is the only Asolute Cure for Deafness Known.

This Oil is abstracted from peculiar species of small White Shark, caught in the Yellow Sea, known as Carcharodon Rondeletii. Every Chinese fisherman knows it. Its virtues as a restorative of hearing were discovered by a Buddhist Priest about the year 1410. Its cures are so numerous and many so seemingly miraculous, that the remedy was officially proclaimed over the entire Empire. Its use became so universal that for over 300 years no Deafness has existed among the Chinese people. Sent, charges prepaid, to any address at $1.00 per bottle.

Hear What the Deaf Say.

It has performed a miracle in my case.

I have no unearthly noises in my head and hear much better.

I have been greatly benefited.

My deafness helped a great deal—think another bottle will cure me.

My hearing is much benefited.

I have received untold benefit.

My hearing is improving.

It is giving good satisfaction.

Have been greatly benefited, and am rejoiced that I saw the notice of it.

"Its virtues are unquestionable and its curative character absolute, as the writer can personally testify, both from experience and observation. Write at once to Haylock & Jenney, 7 Dey Street, New York, enclosing $1.00, and you will receive by return a remedy that will enable you to hear like anybody else, and whose curative effects will be permanent. You will never regret doing so."—Editor of Mercantile Review.

FROM THE AKRON COMMERCIAL, OHIO, OF NOV. 25TH, 1882, 1882.

Readers of the the Commercial can not well forget that a large space has for years been takee up by Kendall's advertisements—especially of a certain Spavin Cure. We have had dealings with Dr. Kendall for many years and the truth is fully and faithfully proven not only that he is a good honest man, and that his celebrated Spavin Cure is not only all that it is recommended to be, but that the English language is not capable of recommending it too highly

Kendall's Spavin Cure will cure spavins. There are hundreds of cases in which that has been proven to our certain knowledge, but, after all, if any person confines the usefulness of this celebrated medicine to during spavins alone, they make a big mistake. It is the best medicine known as an outward application for rheumatism in the human family. It is the best medicine known as an outward application for rheumatism in the human family. It is good for pains and aches, swellings and lameness, and is just as safely appied to men women and children as it is to horses. We know that there are other good liniments, but we do believe this spavin cure to be far better than any ever invented.

KENDALL'S SPAVIN CURE

Hutchinson's Ranch, 12 miles north of Denver Colorado

Mar, 5th, 1883.

Dr. B. J. Kendall & Co., Gents:—For the past three years standing I have used Kendall's Spavin Cure. In every case of Spavin, of which I have treated five it has killed them all, and entirely removed them. I case of splint I find it has no equal, one case I had was of three years standing removed it entirely One year ago a two hundred pound block of ice fell out of a wagon striking my foot on thk instep and toes, it would be impossible to mash a foot worse without breaking any bones. I was taken home and carried into the house. I do not think amputation of the leg would cause any more pain. I went for Kendall's Spavin Cure, it was all I used and in six days I could walk around. About three weeks ago my team ran away threw me out of the wagon, the hind wheel struck my knee. After applying several kinds of liniments without obtaining any relief, I went for Kendal's Spavin Cure. My leg was drawn up and my knee swollen badly In three days I was able to walk to the barn. I could go into details more fully, and make this a very long letter but will not weary you. I am very respectfully yours

Oscar F. Hutchinson.

KENDALL'S SPAVIN CURE

Santa Rosa, Cal., Feb, 9th, 1883.

B. J. Kendall & Co., Gentleman:—I feel it a duty to others suffering with piles and falling of the rectum to write you. I have had the piles and prolapsus of the rectum for five years, for the past three years I have suffered the most agonizing pain. Tried everything without relief, but after ten days use of Kendall's Spavin Cure I have not seen or heard of the piles since. One who has not suffered as I have cannot comprehend the great joy that I feel at being cured of a disease almost worse than death. I had a valuable young horse that had a large bunch gather on his breast bone. I tried all kinds of liniments and had it cut open without any benefit. Saw your advertisement and bought a bottle of Kendall's Spavin Cure and ordered my teamster to use as directed. In less than one week the lump had disappeared. Thinking that a liniment that would do what Kendall's Spavin Cure has done for my horse might benefit more. I tried it as a last resort. With gratitude and best wishes for your success. I am faithfully yours,

J. H. Glenn.
