The "Century" and "St. Nicholas" are on our table as rich as ever. in interesting reading and profitable matter. The only difficulty we find in connection with them is that they contain so much reading matter that it is with difficulty we find time to peruse them we recommend them both to all persons who enjoy good reading.

Teachers Institute.

Hon. E. B. McElroy, State Superintendent of public instruction, has arranged for a teachers' institute for the fourth judicial district to be held in Portland on the 24th, 25th and 26th of December next. This will be Monday, Tuesday and Wednesday of Christmas holiday week. The teachers' institute for the fifth judicial district will be held at The Dalles next May.—*Statesman*

School House Improvement—At the School meeting held at the Court House on last Saturday, by a unanimous vote the Directors were authorized to borrow, on the credit of the District, the sum of fourteen hundred dollars to be used in completing the School house and out buildings so as to make them ready for School as soon as possible. We are glad to know that the public School will soon be in operation again.

Messors Riley & Harris have traded their Saw-Mill on the Luckiamute to F. B. Rowell for his interest in the Dallas Stone Quarry. They have at least got something tangible now.

The State Agricultural Fair.

The State Fair was a thing of the past some two weeks ago. We have seen occasional notices of it in some of our exchanges but have met with no special eulogies of it in any instance, but on the contrary quite a number of adverse criticisms. And it cannot be denied that most of these criticisms are just. While the late Fair may have been, in some respects, a success, In the main it failed of accomplishing the real ends for which a fair is instituted, viz, the development of the industries and resources of the Country. If the design were simply to make it a sort of pleasure resort, where people could go and camp for a week, and meet and visit friends, and attend upon shows and gambling games, then perhaps the last fair might be termed a success. We protest, however, that this is not the real design of a State fair. Our State fair ought preeminently to be made a place and time of exhibit of the best productions of the best varieties both of stock, and farm produce, of every part of the state. Instead of this we find only a few Counties represented in the exhibits this year, and these of the most meager character. If we are not mistaken Polk County was not represented at all, and the same was true of a large number of the counties of the state. This indicates a woeful neglect somewhere. In the matter of horses, the tendency at present seems to be to exhibit race stock, rather than horses that are of utility to the producing portion of the country. Race horses may have their place, and be of some possible value to the country, but such benefit, if it exists at all, is of so infinitesimal a character that it is difficult to get the honest producing portion of our population to see it. The facts are that the raising, and exhibiting of race horses at the fairs results in encouraging and perpetrating a damaging system of gambling, the evils of which overballance any good that might otherwise accrue from them. Good draft horses, and good plow horses is the kind of stock that will add to the material wealth of the country. We are not disposed to attach blame to the officers of the society or the managers of the fair, because it is impossible for them to obviate the difficulties complained of. The farmers, themselves must be prepared to place on exhibition their best lines of stock, and their best varieties of vegetables and cearals, and also be prepared to sell to others these best varieties, so as to distribute them throughout the state. This is the only way to improve the productions of the country. It is certainly to be hoped that next year will find the fair grounds full and running over with this class of exhibits; and instead of booths and stalls on every hand for games and whisky mills, booths and stalls for the exhibition and sale of stock and produce of extra quality, for the benefit of all who wish to thus improve their productions.

Opium Smoking—We learn from the guard that the city of Eugene is cursed with that deadly blight, opium smoking. Recently a young woman from Douglas County calling herself Adda Rogers, and a young man of Eugene were detected in a chinese den by the city Marshal, and arrested together with the proprietor and fined for indulging in this outrageous habit, We are willing to turn all such business over to the eastern chinese lovers.

A light snow fell throughout Michigan and Minesota on the 30th.

The English bark Cairnsmore went ashore on Clatsop beach Sept. 28. Her crew were picked up on the open sea by the Queen of the Pacific. No lives lost. Part of the cargo will be saved.

Commissoner armstrong, of the railroad bureau of the interior department says, in his opinion, the Northern Pacific railroad is destined to become one of the most prosperous roads in the United States.

Opium Fiends Captured.

Steve Reed and Robt. Pugh. who escaped from the city Monday night, were headed off by Marshal Harbord as they were getting on the train at Brooks, the Marshal having gone down on the 7 o'clock train. He brought them back to this city. Steve Reed was tried in Rcorder D' Arcy's court yesterday, found guilty of keeping a room for the purpose of smoking opium, and fined $10 and costs, which he paid. Robt. Pugh demanded a jury trial, which will be given him to-day at 1 o'clock P. M. —*Statesman.*

The Kansas Train Robbers.

Those in charge of matters seem to think that Dean, and the parties arrested for train robbery at Coolidge, is the man who shot Hilton and Fadel, and the lines seem to be drawing closely around him as the leader of the gang. He tells a very explicit and apparently straight story, but the officers have discovered that it fails to hang together in many important particular. The matter will be fully developed in a day or two, and it is more than likely that one of the men now held will give the whole thing away. There is a determination among those representing the railroad company and the State to bring the scoundrels to justice at all hazards. The Deputy Sheriff is now at Coolidge, and also Jack Bridges, City Marshel, and deputy Sheriff White. They will say nothing, but it is thought by many that have some clue and are forging the chains more closely about Dean.—News.

Hoodlumism.

A party of drunken young men, who had been up to North Yamhill attending a ball, were ejected from the cars at Gaston one day last week. They used very abusive and profane language, and handled the conductor, Mr. Bogart quite roughly. W. G. Scoggin went to the assistance of the conductor and was also maltreated by them. It is sad commentary on the morals of young men just entering the arena of life to thus disgrace themselves in the presence of women and children. They ought to be published in some way for their hoodlumism—Ex

COMETARY PHENOMENA

On Monday night about midnight, the 10th inst., Prof. Swift, director of the Warner Observatory, Rochester, N. Y., discovered another comet in the same constellation. With the one recently found by Prof. Brooks. It is moving almost directly toward the earth, and hence shows very little motion, so that Prof. Swift found it difficult to verify and was unable to do so until last Saturday night. The two comets will very likely cross each other's orbits in their progress, and their appearance so nearly together, and within so short a space of time is a most singular: if not a significant fact.

ANOTHER VESSEL STRANDED.

The steamer Sam, returned from an excursion to the Cairnsmore wreck this evening, reports the pilot schooner J. S. Cousins ashore about three miles south of the wrecked Cairnsmore. The schooner was seen, apparently grounded, on Clatsop spit, Saturday evening. This morning early the Cairnsmore wreckers saw her sailing toward Tallamook head, with all sails set, and apparently all right. About 11 A. M. they saw her nearing the shore, with sails flapping in such a way as to excite the suspicion thet no one was on board. Pilot Doig has an interest in her was at the Cairnsmore wreck, and taking a boat on a wagon, made down the beach to a point opposite the steamer, as soon as possible. The sea was smooth, but when the boat reached the schooner she was aground on her side, full of water, with no one on board, and both boats gone. It is now thought that the boatkeeper, two hands and the cook took to the boat last night on Clatsop spit, and are lost, as nothing has been seen of the boat or the men. All the pilots belonging to the schooner had left her to take charge of vessels.

Law Graduates.—A Class of thirty law students were before the Supreme Court for examination last week, and so for as we have learned all were admitted to practice in the Courts of the States. This would be a formadable number were it not for the fact that perhaps not more than one out of five of those who are admitted ever amount to anything as attoneys. Still these thirty must be supported.

Collection of Toll.

Following is the law of Oregon regulating the collection of toll by millers: The toll for grinding grain and for bolting the same when so ground, shall, for a steam mill, not exceed one-seventh for grinding grain, and for bolting the same when so ground; and for other mills one-eighth of the grain so ground and bolted. nor shall the toll for grain, without bolting, exceed one-tenth of the grain so ground; provided, That nothing contained in this section shall be so construed as to allow any other toll to be charged for preparing any grain for grinding and bolting, or otherwise manufacturing; provided, That the provision of this section shall apply only to the custom work of the mill; and provided, further, That no miller shall be obliged to grind any diseased or smutty grain. That the owner or occupier of any grist mill within this state shall be entitled to one-eighth part of all wheat, rye, or other grain ground and bolted; and one-tenth part of all rye, malt, buckwheat or other grains, ground or chopped only, and the one-seventh part of all Indian corn ground in said mill. That if the owner or occupier of any mill, their representative, agent or miller, shall take a greater proportionate quantity of toll than is hereinbefore authorized, and be duly convicted thereto before any court having jurisdiction of the same, shall be fined for every such offense in any sum not exceeding fifty dollars, at the discretion of the court, for the use of the common school fund of the county; and shall, moreover, be liable at the suit of the person injured for damages.

Given Away.

We cannot help noticing the liberal offer made to all invalids and sufferers by Dr. King's New Discovery for consumption. You are requested to call at J. R. Miller's drug store, and get a trial bottle free of cost, if you are suffering with consumption, severe coughs, colds, asthma, bronchitis, hay fever, loss of voice, hoarseness, or any affection of the throat or lungs. It will positively cure you.

A Blessing in Disguise.

484 Adelphi St., Brooklyn, N. Y., March 29, 1881.

No family should be without Allcock's Porous Plaster; their healing powers are wonderful and their efficacy far reaching and lasting. For years past I have seen and known them to cure and relieve the most obstinate and distressing cases of rheumatism, kidney complaint, bronchitis, neuralgia, lumbago, inflamation of the lungs and throat, paralysis, asthma, spinal weakness, and coughs and colds. In my own case they have afforded me almost instant and permanent relief. My friends consider them an invaluable and speedy remedy for all kinds of aches and pains. They are a blessing in disguise; and no wife or mother should be without them if she values her peace and comfort and freedom from nervous exhaustion and other ailments. As a strengthening plaster, also for backaches and weaknesses, they have no equal. I have never yet found a plaster so efficacious and stimulating, or to give so much general satisfaction. Used in connection with Brandreth's universal life-giving and life-healing Pills, no one need despair of a speedy restoration to good sound health.

MRS. E. TOMPKINS.

ONE TRIAL.

If you have been using other Plasters one trial of Allcock's Porous will convince you of their wonderful superiority. Take no other porous plasters that claim to be better, they are all frauds gotten up to sell on the world-wide reputation of the genuine article. (1)

Lost Art Found.

A valuable art, once so well known to the inhabitants of the republic of Perrydale and adjacent territory, has recently been discovered by the well-known haberdasher, J. D. Walling, F. A., who will be pleased to impart information on the discovery to any and all that will call on him at his new store at Perrydale during business hours. Practical demonstration given as a preference and money saved to the applicant guaranteed.

To The Public.

I wish to say that I am no longer in the employ of Mr. I. G. Davidson, neither do I wish to collect any monies from my customers while I was in the employ of I. G. Davidson, or from him —except the judgement I hold against him through the court

W. H. H. Grant.

N. B.—I would also state to my many friends that I am still in the business of enlarging pictures, and having secured the service of Mr. Horace Ducsoury, a first-class artist, can guarantee satisfaction in all cases. All my work is done in oil, at the same old prices. All orders sent to my address will receive prompt attention. Thanking the public for many courtesies shown me in the past, I would respectfully solicit a share of your patronage in the future. Very Truly,

W. H. H. Grant.

SENSIBLE MEN and women know ere this that of the many diseases and derangements of the body each has a separate cause or origin, and that each needs a different method of treatment in order to effect a cure, and a moment's reflection must convince that any of the quack nostrums foised upon the public claiming to cure all of a number of diametricly different diseases must prove failures, even if we do not call them humbugs.

POOR PEOPLE and people of moderate means, and even people well to do or wealthy find that the enormous charges of practising physicians are a serious burden to them, and also find that after paying themselves poor that no benefit has accrued to them, that in fact they have thrown their money away. To overcome these evils we offer Wheeler's No. 96 Sure Remedies to the sick and suffering one remedy for each disease, without for a moment claiming that one remedy will cure any other disease than the one claimed for it, and as these remedies have stood the test of years without a single failure, we agree to refund the money paid in every instance where a cure is not positively effected. The remedies are entirely vegetable, can do no harm, and will positively cure every disease for which the are prescribed.

RHEUMATISM, Gout, Lameness of Joints, Sciatica, and Neuralgia are relieved at once and positively cured by the use of Wheeler's No. 96 Rheumatic Remedy. We say boldly that in the worst of cases of no matter how long standing, how serious, or how painful, we can not only give relief but positively cure for all time. Failing to do this we will positively refund the money paid for the treatment, and if your sufferings are not positively stopped for all time you have not thrown your money away as you would on any other than these guaranteed remedies. The price of Wheeler's No. 96 Rheumatic Remedy is only 50 cents, obtainable from druggists or sent free by mail on receipt of price. Stamps taken.

SUFFERING WOMEN. Many a lady endowed by nature with a pretty face, beautiful figure, faultless complexion, as well as the sweetest of tempers and faultless mental qualities grows prematurely old, gray and wrinkled, her form loses its perfect contour, the complexion becomes sallow, the brightness leaves the eye, a feeling of languor takes the place of the once buoyant spirits, an irritable nervous fractiousness makes life a burden, things that once were trifles worry her till life becomes unbearable. All this being caused by the physical derangements so common to women, which the innate modesty of femine nature prevents their making known, and of which the ignorance of the medical profession prevents a cure. Lady reader, pause and consider, 'tis a duty you owe yourself, your family and your God, that you should cure yourself of these troubles and once more feel the glow of perfect health and spirits that nature intend for you. Wheeler's No. 96 Prescriptions are pleasant and palatable to take, contain nothing of an injurious nature, and may be taken by all ages at all times and in all conditions without possibility of ill effects, and will positively cure any of the peculiar diseases to which females are subject. Failing to produce a perfect cure the proprietors will refund the money paid for the treatment. If you have a sallow complexion, constant or intermittant headaches, backache, restlessness, loss of appetite, suppressions of monthly flow, or irregularities thereof accompanied by headaches, nervousness, hysterics and similar symptoms, Wheeler's No. 96 Prescription "B" will positively restore you to health. If you have a sensation of heat and throbbing in the back, frequent fainting spells, Leucorrhea or white discharge, painful or scalding sensation in urinating, reddish or white deposit in urine, hot and dry skin, Wheeler's No. 96 Prescription "C" will give immediate and lasting relief. The price of Wheeler's 96 Prescriptions "B" and "C" are 50 cents each, obtainable from druggists or sent by mail secure from observation, post paid, on receipt of price. Postage stamps taken.

CATARRH. It is needless to describe the symptoms of this nauseous disease that is sapping the life and strength of only too many of the fairest and best of both sexes, old and young, suffering alike from the poisonous dripping in the throat, the poisonous nasal discharges, fetid breath and general weakness, debility and languor aside from the acute sufferings of this disease, which if not checked can only end in loss of palate, hoarseness, weakened sight, loss of memory, deafness, and premature death if not checked before it is too late. Labor, study and research in America, Europe and Eastern lands have resulted in Wheeler's No. 96 Instant Relief and Sure Cure for Catarrh, a remedy which contains no harmful ingredients, and that is guaranteed to cure every case of acute or chronic catarrh or money refunded. Wheeler's No. 96 Instant Relief and Sure Cure for Catarrh will cure every case of catarrh, hay fever or asthma, price $1.00 per package, from druggists or sent by mail post paid on receipt of price.

Wheeler's No. 96 Sure Cure for Kidney and Liver Troubles cures all weakness and soreness of kidneys, inflamation of kidneys or liver, price $1.00.

Wheeler's Vegetable Pills are the only remedy that cure constipation, giving natural action to the bowels without physicing, purging, griping or pain. Price 25 cents, of druggists or by mail.

Wheeler's Nervine Tonic for mental depression, loss of Manhood, languor, weakness or over taxation of the brain is invaluable, price 25 cents.

WE GUARANTEE Cures n every case or will refund mon'y paid. We place our price for these remedies at less than one-twentieth of the price asked by others for remedies upon which you take all the chances, and we specially invite the patronage of the many persons who have tried other remedies without effect or depleted their purses by paying doctor bills that benefitted them not.

HOW TO OBTAIN these remedies. Go to your druggist and ask for them. If they have not got them, write at once to the proprietors, enclosing the price in money or stamps, and they will be sent you at once by mail, post paid. Correspondence solicited. Address plainly

EARS FOR THE MILLION!

Foo Choo's Balsam of Shark's Oil

Positively Restores the Hearing and is the only Aselute Cure for Deafness Known.

This Oil is abstracted from peculiar species of small White Shark, caught in the Yellow Sea, known as Carcharodon Rondeletii. Every Chinese fisherman knows it. Its virtues as a restorative of hearing were discovered by a Buddhist Priest about the year 1410. Its cures are so numerous and many so seemingly miraculous, that the remedy was officially proclaimed over the entire Empire. Its use became so universal that for over 300 years no Deafness has existed among the Chinese people. Sent, charges prepaid, to any address at $1.00 per bottle.

Hear What the Deaf Say.

It has performed a miracle in my case.
I have no unearthly noises in my head and hear much better.
I have been greatly benefited.
My deafness helped a great deal—think another bottle will cure me.
My hearing is much benefited.
I have received untold benefit.
My hearing is improving.
It is giving good satisfaction.
Have been greatly benefited, and am rejoiced that I saw the notice of it.

"Its virtues are unquestionable and its curative character absolute, as the writer can personally testify, both from experience and observation. Write at once to Haylock & Jenney, 7 Dey Street, New York, enclosing $1.00, and you will receive by return a remedy that will enable you to hear like anybody else, and whose curative effects will be permanent. You will never regret doing so."—Editor of Mercantile Review.

The Most Successful Remedy ever discovered, as it is certain in its effects and does not blister. READ PROOF BELOW.

FROM THE AKRON COMMERCIAL, OHIO, OF NOV. 25TH, 1882, 1882.

Readers of the the Commercial can not well forget that a large space has for years been taken up by Kendall's advertisements—especially of a certain Spavin Cure. We have had dealings with Dr. Kendall for many years and the truth is fully and faithfully proven not only that he is a good honest man, and that his celebrated Spavin Cure is not only all that it is recommended to be, but that the English language is not capable of recommending it too highly.

Kendall's Spavin Cure will cure spaying. There are hundreds of cases in which that has been proven to our certain knowledge, but, after all, if any person confines the usefulness of this celebrated medicine to during spavins alone, they make a big mistake. It is the best medicine known as an outward application for rheumatism in the human family. It is the best medicine known as an outward application for rheumatism in the human family. It is good for pains and aches, swellings and lameness, and is just as safely applied to men women and children as it is to horses. We know that there are other good liniments, but we do believe this spavin cure to be far better than any ever invented.

KENDALL'S SPAVIN CURE

Hutchinson's Ranch, 12 miles north of Denver Colorado

Mar, 5th, 1883.

Dr. B. J. Kendall & Co., Gents:—For the past three years standing I have used Kendall's Spavin Cure. In every case of Spavin, of which I have treated five it has killed them all, and entirely removed them. I case of splint I find it has no equal, one case I had was of three years standing removed it entirely. One year ago a two hundred pound block of ice fell out of a wagon striking my foot on the instep and toes, it would be impossible to mash a foot worse without breaking any bones. I was taken home and carried into the house. I do not think amputation of the leg would cause any more pain. I went for Kendall's Spavin Cure, it was all I used and in six days I could walk around. About three weeks ago my team ran away threw me out of the wagon, the hind wheel struck my knee. After applying several kinds of liniments without obtaining any relief, I went for Kendal's Spavin Cure. My leg was drawn up and my knee swollen badly. In three days I was able to walk to the barn. I could go into details more fully, and make this a very long letter but will not weary you.

I am very respectfully yours Oscar F. Hutchinson.

KENDALL'S SPAVIN CURE

Santa Rosa, Cal., Feb, 9th, 1883.

B. J. Kendall & Co., Gentlemen:—I feel it a duty to others suffering with piles and falling of the rectum to write you. I have had the piles and prolapsus of the rectum for five years, for the past three years I have suffered the most agonizing pain. Tried everything without relief, but after ten days use of Kendall's Spavin Cure I have not seen or heard of the piles since. One who has not suffered as I have cannot comprehend the great joy that I feel at being cured of a disease almost worse than death. I had a valuable young horse that had a large bunch gather on his breast bone. I tried all kinds of liniments and had it cut open without any benefit. Saw your advertisement and bought a bottle of Kendall's Spavin Cure and ordered my teamster to use as directed. In less than one week the lump had disappeared. Thinking that a liniment that would do what Kendall's Spavin Cure has done for my horse might benefit me. I tried it as a last resort.

With gratitude and best wishes for your success. I am faithfully yours, J. H. Glenn.

KENDALL'S SPAVIN CURE. ON HUMAN FLESH

Dr. B J. Kendall & Co., Gents:—Sample of circulars received to-day. Please send me some with my imprint, printed on one side only. The Kendall's Spavin Cure is in excellent demand with us, and not only for animals but for human ailments also. Mr. Joe. Voris; one of the leading farmers in our country, sprained an ankle badly, and knowing the value of the remedy for horses, tried it on himself, and it did far better than he had expected. Cured the sprain in very short order.
