Smi gracefully at the throttle valve while Oliver Dennis and John Beyer poke in the grain laden straw as fast as the machine will allow. Forrest Craven and chine will allow. Forrest Craven and Willie Dodson, are lightning band cutters and Henry Boyer bucks the sacks like a veteran. It takes Charlie Paul and Dan Boyer but an instant to weave needle and thread across the top end of a well filled sack. Joe Craven and Johnnie Beezley buck the straw away as if it were a matter of play, and as wood sawyer Master Ralph Dodson feels as important as the boss of the business, and why should he not, for like a little man he does h's work promptly and well. The teamsters are

promptly and well. The teamsters are John Remington, Chas, Whaley, Mark Spivey, J. R. McCoy, Willie Brown, Henry Nagle, James Madison and J. C. Heath, while Gus Forsell and Pearl Fulkerson are among the pitchers Mrs. O. M. Dodson and Mrs. Heath do the cooking. George Smith said his only business was to look on and see that the others kept busy. Their working hours are from sun-rise to sun-set. Wednesday they moved to Holt Crow-ley's field on the old C. D. Embree

homestead. DEMPSEY'S THRESHING CREW.

A Eugene paper has this to say:

dist and Christian Sunday schools at sed to see the sed of the sed A. Dempsey began running with a threshing crew in Oregon, and for over twenty years he has been part or full afternoon we found his machine in Abe Bekkers field on the old Robert Clow farm. Mr. Bekker had forty acres of wheat and twenty-two of oats which were turning out well enough, though yet a little too damp for rapid threshing. They were to next tackle Jas. Orr's sixty-five acre wheat field. Mr. Dempacy's outfit consists of twenty-five. Dempsey's outfit consists of twenty-five persons. Mrs. J. B. Riggs, assisted by Fannie Dempsey, has charge of the cook wagon. They get up at 4 o'clock breakfast is ready at 5, and then the boys put in their best licks until sunboys put in their best licks until sundown, with an hours intermission at moon. The threshing rate is 5 cents a bushel for oats and 6 cents for wheat and the wages range from \$1 to \$3 per day J. G. Mohrweis has charge of the steam power while Charlie Work and John McBee do the feeding. Mr. Work has been with that machine as feeder for nine successive seasons. Chris Christenson sees to the supply of water for both the engine and laborers. L. W. Morrison stands at the spout from which the grain runs into the sacks. Tom Card and Willie Miller being the expert sewers. The bands are cut by Armond Riggs and George McBee and the straw is bucked away by Clarence Shultz and Master Greenwood. Eight teams are kept busy hauling in the bundles of grain, they being John Farley, G. W. McBe y, Allen Travis, Chas. Deire Red Chas. Price Carl McBee Chas. Deire Card described can beginn that it is an an an expectation of the southeast corner of the lown, with an hours intermission at
