

And yet lives in ignorance of the fact that a single application of the CUTICURA REME-DIES, will, in the majority of cases, afford instant relief, permit rest and sleep and point to a speedy, permanent, and economical cure, when the best physicians and all other remedies fail. CUTICURA Works Wonders, and its cures of torturing, disfiguring, and humillating humors are the most wonderful ever recorded.

Instantly relieved by a Cuti-cura Plaster, because it vi-talizes the nerve forces and hence cures nervous pains, weakness and numbress.

Henry Munsen who died in Nev Haven recently, was the inventor of boring gun barrels. He neglected to of life is reached in the case of persons pitent it and thus let slip a fortune who neglect obvious means to revew that would have made him a million-failing strenght Vigor, no less the

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure to its wondrous efficacy as a creator of that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting direct ly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have malaria, nervousness, constipation, liver much faith in its curative powers. so much faith in its curative powers. er and kidney complaints and rheu-that they offer One Hundred Dollars matism. for any case that it fails to cure. Send for list of Testimonials. Address.

As a result of many years' experience Mr. E. S. Carman prefers large seed tu-bers cut to two or three eyes, because such seed will give, one season with another, the most profitable crops. He says: "Larger seed pieces give too many sprouts, need to be planted farther apart and even then yield a larger quantity of small tubers. It has never been proved that small potatoes, used as seed year after year, will tend to deteriorate a variety sooner than large potatoes if the small potatoes were as mature and sound as the larger size. The fact may be that small potatoes are usually those which form late and are consequently immiature. As seed potatoes, therefore, they are not fit for use." such seed will give, one season with an

The builders of street cars allow for 11 seats on each side. This was the allotment when the cars were first introduced. Since that time the average area of the citizen has materially increased in person—loth women and men are larger. The chance introduction of young people and children still permits 11 people on a This irer are of girth on the part of New Yorkers in limiting the accom-

quently somebody to yield what was ce considered the right to a seat. Nine ordinary passengers and one fat man or woman require a read-justment of the car, just as 10 slim other slim passenger. These are matters that a judicial minded person will always take into account. The judicial mind, however, is not al ways taken aboard, and odd combi nations of passengers often throw the entire car into a state of mind in daylight. Su ddenly a convict fell, the effort to adjust: them by main

strength or strategy. The other day there was a mixed large enough to be tempting, but not large enough to accomn date a woman exterided unreasonably beyond the natural proportions by a thick gown and a long full cloak. The woman seated was slim, with a mild face and reserved manner. The woman standing looked at the space and seated he self, obscuring the

smaller woman, who was plainly supporting part of the burden "If you will allow me, I will give you the place," the crushed woman said. She ro se, and the other nodded

triun iphantly to a friend. "I often get a seat that way," enjoying her success. The mild faced woman gave no

sign, then said:
"Will you kindly let me see if I left a parcel on the seat?" The stout woman got up, and the woman quietly reseated herself. The stout woman stood, and the passengers laughed.—New York siderable amount.

CHILOH'S CATARRH REMEDY
