"My Dear Sir," exclaimed Lawyer Bartholomew Livingston meeting the Rev. Dr. Archibald Windham on the village street, "What does this mean? I thought you were laid up with all sorts of bad diseases!" "And so I was," replied the reverend gentleman, "Ihad an attack of indigestion and from that time on my whole system has been in a disordered condition until I began taking Hood's Sarsaparilla which has put me on my feet and cured all my stomach troubles.
