The national democratic team are Bryan and Stevenson. The former was the unanimous choice of the Kansas City for president and the latter was thought most available of the dozen candidates offered for the vice-presidency.

The friction that the republicans had hoped to see among the three elements concerned in the union reform party has not materialized. The leading spirits have in every case conceded that it was wisest and best to put Bryan and Stevenson on the presidential ticket.

The outcome of the strained relations in China is by no means certain. No telling how many foreigners have been or how many will be killed before peace is restored.

How to Make Fish Savory. Make a sauce of one teaspoonful each of butter and flour and one cup of hot milk in which a "pea" of soda has been dissolved.

"Obstinate"

Becky Jones,

of Ballston Spa, N. Y., received the above title because she would not testify in the celebrated Hammett case several years ago, and consequently was confined in the Ludlow street Jail by the State Judge. She says in a letter recently received: "When I was released from prison my health was broken down. My nervous system could not recover from the strain. For ten years life was a burden. Good physicians did me no good. I used Dr. Miles' Nerve and Tonic and today I am entirely well."
