

IS IT RIGHT
For An Editor To Recommend Patent Medicines?

From Sylvan Valley News, Brevard, N. C.: It may be a question whether the editor of a newspaper has the right to publicly recommend any of the various proprietary medicines which flood the market, yet as a preventive of suffering we feel it a duty to say a good word for Chamberlain's Colic, Cholera and Diarrhoea Remedy. We have known and used this medicine in our family for twenty years and always found it reliable. In many cases a dose of this remedy would save hours of suffering while a physician is awaited. We do not believe in depending implicitly on any medicine for a cure, but we do believe that if a bottle of Chamberlain's Diarrhoea Remedy were kept on hand and administered at the inception of an attack much suffering might be avoided and in very many cases the presence of a physician would not be required. At least this has been our experience during the past twenty years. For sale by A. K. Wilson.

DALLAS DOINGS.

Robert Lane, the skillful sign painter, has been making some very attractive signs for our business men. They are to be posted up here, there and everywhere to draw trade.

If your horse interferes get J. E. Smith to shoe him so that he will not do it.

If your lock, key, sewing machine or anything else gets out of fix let Gunsmith Riser doctor it. There is scarcely any broken article that he cannot repair at small cost.

Home people, strangers and drummers keep most of Morrison's livery teams on the road nearly all the time. But good feeding and good care keep them in condition to do satisfactory service.

Some outside people may smile with a tinge of doubt when we assert that Faulk's hardware store has no superior in the valley. But those who have had occasion to buy such things at different places will recognize the statement as strictly true. Machinery men, hop men and builders procure many things there.

Let Walter Williams fix you up an iced drink and you will pronounce it equal to any you ever tasted. Try his fruits and melons.

The Salem stage is generally loaded with things for Dallas people.

I. V. Lynch can manufacture anything that any other blacksmith ever made.

Remember that the Gaynors not only sell but also make and repair all kinds of footwear. They have some elegant goods for the feet as you ever saw.

Say, Mister, where have you been trading for the last few years? Let us just hint that it might pay you to give Brown's store a trial. They keep almost everything to eat and wear and by being a strictly cash business can quote very low prices.

Was it a Miracle?

"The marvelous cure of Mrs. Rena J. Stout of consumption has created intense excitement in Cammack, Ind. writes Marion Stuart, a leading druggist of Muncie, Ind. She only weighed 90 pounds when her doctor in York town said she must soon die. Then she began to use Dr. King's New Discovery and gained thirty-seven pounds in weight and was completely cured." It has cured thousands of hopeless cases, and is positively guaranteed to cure all throat, chest and lung diseases. 50 cents and \$1. Trial bottles, free, at M. D. Ellis' drug store.

New College Building.

Work on the dormitory, opposite La Croix academy is being rushed to completion. Entering the hallway from the porch in the center of its north front, the president's office is the first room on the right. The three other front rooms on the first floor will be for recitations, two of them having folding doors so as to be thrown together when desired. Back of the hall, running entirely through the building east and west, are located a bed room, sitting room, dining room and kitchen. On each the second and third story floors are sixteen rooms for students. There are eight brick flues extending from the ground up, so as to have a stove in every room. All ready students from various quarters are coming to examine the premises. The academy building will need some repairs before school opens and it is high time the matter was being looked after.

Trust Those Who Have Tried.

I suffered from catarrh of the worst kind and never hoped for cure, but Ely's Cream Balm seems to do even that—Oscar Ostrom, 45 Warren Ave., Chicago Ill. I suffered from catarrh; it got so bad I could not work; I used Ely's Cream Balm and am entirely well.—A. C. Clarke, 34 Shawmut Ave., Boston, Mass. The Balm does not irritate or cause sneezing. Sold by druggists at 50 cents, or mailed by Ely Brothers, 50 Warren street, New York.

LETTER LIST.

These letters remain uncalled for in the Dallas postoffice for the week ending July 24th and parties applying for them will please state that they have been advertised: Mrs. Maria Bushey, R. F. Gibbons, Miss Sallie Kolby, Miss Mary A. McAllister, Dean Skull, Charles Savage, Fredric G. Solwis, A. Stauding, CHAS. F. BELT, postmaster.

Deafness Cannot Be Cured.

By local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out of this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucus surfaces. We offer \$100 for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & Co., Toledo, O. Sold by druggists, 75 cents. Hall's Family Pills are the best.

Another Pioneer Gone.

In 1842 Henry Myer and Elizabeth Shanklin were married in Illinois and in 1847 they came to Oregon with Captain Vaughan's train of seventy-five wagons. For a year they stopped at Eola and then took a government claim where the family have ever since resided at Smithfield. They had the same adventures and hardships as nearly all other pioneers, but were industrious, frugal and prosperous. He has six living children, George, Anna, Jas., Frank, Amanda, Hastings and Mary White in this county and Mrs. Sarah Riggs, in Salem. George has served in the legislature and Frank has been elected county assessor. In 1892 we attended their golden wedding. Mrs. Myer died in January 1899 and Uncle Henry went to meet her July 14, 1900. Side by side they repose in the Salt Creek cemetery.

An Epidemic Of Diarrhoea.

A. Sanders, writing from Cecanuit Grove, Fla., says there has been quite an epidemic of diarrhoea there. He had a severe attack and was cured by four doses of Chamberlain's Cholera, Colic and Diarrhoea Remedy. He says he also recommended it to others and they say it is the best medicine they ever used. For sale by A. K. Wilson.

Royal Baking Powder is the greatest of helps to the housekeeper or cook in preparing the best and finest food. With least labor and trouble it makes hot breads, biscuit and cake of finest flavor, light, sweet, appetizing, digestible and wholesome.

Do not permit the grocer or peddler to substitute any other brand in place of the Royal.

Some baking powders are claimed to be cheaper. They can be cheaper only if made from cheaper materials. "Cheaper" means inferior. To cheapen the cost of an article of food at the expense of its healthfulness, as is done in alum baking powders, is a crime.
