tration take upon themselves all the credit for the present prosperity of the country, when as a matter of fact it would have been the same no matter which party was in power. The great mining booms and the wars in which our country has been concerned have had no little to do with it, and various other nonpolitical agen cies brought it about.

THE republican press is making all lard, Wash, sorts of flings at Mr. Bryan and his supporters with a view to helping the other side by winning over Bryanites. Four years ago thousands whose judgment and sympathies were with him were almost forced to vote against their will, the alternative being to lose the positions upon which depended their bread and meat. This time they will not be so easily won over, but will assert their potitical independence and vote as they please.

Our woolen mill people have arranged to transfer their plant to Santa Cruz, California.

The Stimulus of Pure Blood

That is what is required by every organ of the body, for the proper performs its functions. It perfects all the vital processes,

It prevents biliousness, dyspepsia, constipation, kidney complaint, rheumatism, catarrh, nervousness, weakness, faintness, pimples, blotches, and all cutaneous eruptions. It is assured by taking Hood's Sarsaparilla which acts directly and peculiarly on

This statement is proved by thousands solicited testimonials.

When I began taking Hood's Sarsaparilla ing fit e. my blood was impure and I had not been feeling well for some time. I was bothered very much with that tired feeling. When I had taken the medicine a few days I began to feel better, and after taking two bottles I felt like another person. That tired feeling was gone and I could do my
