THEY WERE SURPRISED.
Twenty-seven years ago from Thursday, October 11th, Joseph Hedgepath and Jane Woods were united in the holy bonds of matrimony in this county, and the greater part of their married life has been spent in Polk county. As they are to leave us soon for Southern Oregon where Mr. Hedgepath has been sent as a minister by the M. E. church—South, on the evening of the anniversary of their wedding a number of neighbors and friends went in to spend the evening and bid them good bye. Mr. and Mrs. Hedgepath had just returned from Independence, where they had taken a load of their furniture for shipment, and were not expecting such a commotion. Mrs. Bonnie Smith then gave a short talk explaining the object of the gathering, after

which Mr. Hedgepath expressed their surprise and in a few selected words gave the intruders a hearty welcome. A few minutes were then spent in conversation, after which the time was spent in music and various games until 11 o'clock. Miss Myrtle Smith then played the organ while Mr. and Mrs. Hedgepath, accompanied by Morris Fowler as best man and Nora Church as best lady, marched in and Rev. Rosser again tied the matrimonial knot in a very pleasant manner. Congratulations were then offered and an excellent supper was served from the baskets which the visitors had brought, after which Rev. Rosser made a few closing remarks and every one present bid Mr. and Mrs. Hedgepath goodbye, and wished them much success and pleasure in their new field of labor. The guests then retired to their homes, feeling fully repaid for the few hours sleep which they had lost. Those present were: Thos. Williams and wife, Morris Fowler, W. W. Smith and family, Kate, Mary, Loyd and Myrtle Smith, John, Susan, Flora, Minnie, Ada and Percy Lewis, John Malvey, B. F. Smith and wife, Henry, Tracy and Eva Staats, Nora Church, Rev. DO YOU GET UP WITH A LAME BACK?
Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It is the great medical triumph of the nineteenth century—discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble. Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty cent and Home of Swamp-Root, dollar sizes are sold by all good druggists.

He was treated by physicians, also used two and a half gallons of whiskey in bathing it, but nothing gave any relief until he began using Chamberlain's Pain Balm.
