Job Could Not Have Stood It
If he had had itching piles. They are
terribly annoying, but Buckner's Ar-
nica salve will cure the worst case on
piles on earth. It has cured thousands.
For injuries, pains or bodily eruptions it is the best salve in the
country. Price 25 cents a box. Cur-
guaranteed. Sold by M. D. Ellis,
druggist.

BUSINESS IN SALEM.

G. W. Johnson & Co., the people's
clothing and furnishing, have the
strongest and most complete line of
50 cent underwear they have ever car-
ried and they have extra heavy nat-
ural wool or wool fleeced garments at
75 cents. They have still better grades
at bigger prices. The same is true of
their suits for men and boys. The
very best in town for the money.

The Rex studio on Court street sel-
icits a comparison of their work with
any other turned out in the city.
They use only first class stock and
guarantee superior work.

Not only the best teas, coffees, spices,
and extracts, but also the nicest ta-
bleware in the state may be had
of the Yokohama Tea company. A va-
riety of patterns from which to select
and goods cheaper than you would
well expect.

Take dinner at the Helenbrand res-
taurant because nowhere else can you
do better for the money—20 cents.

If you want an easy going saddle
horse, Liveryman Brown has it, and if
you want a comfortable buggy or car-
riage or swift team, he can supply
you.

Go to the Cronise studio now and
have your holiday pictures taken be-
fore the rush begins.

Whatever you need in the way of
ribbons, laces, curtains, counterpanes,
gloves, corsets, hosiery, footwear, un-
derwear or furnishing goods for either
ladies or gentlemen can always be had
at low figures by going to the New
York Racket store.

Nearly all the best families in the
city and many from across the river
patronize the steam laundry because
they have found by experience that
nowhere else can they get so satisfac-
tory washing done.

Remember that at the steel bridge
feed yard you can find one of the best
horse doctors in the valley. Dr.
Keeler has made a study of the ail-
ments of animals and seldom finds a
sick one that he cannot cure.

College Reception.
Last Friday evening's reception to
the faculty and students of Dallas col-
lege brought out all who could crowd
into the circuit court room. Many
could only find standing room and
not a few had to go away. It is con-
tinually becoming more apparent that
our town needs a commodious place
for public gatherings. The exercises
began at 8 o'clock and for an hour
and a half there were speeches and
songs alternately. The remarks were
from a variety of standpoints, but all
of them in an educational direction
and bearing upon the mutual inter-
ests between a Dallas people and their
institutions of learning. The singing
proved that we have an abundance
of excellent home talent in that line.
At the conclusion of the programme
an hour was spent socially and the
new comers were made to feel more
than at home among us.

A Thousand Tongues
Could not express the rapture of An-
nie E. Springer, of Philadelphia,
when Dr. King's New Discovery cured
her of a hacking cough that for
many years had made life a burden.
She says: "After all other remedies
and doctors failed it soon re-
solved the pain in my chest and I can now sleep
soundly, something I can scarcely re-
member doing before. I feel like
sending its praises throughout the
universe." Dr. King's New Discov-
ery, is guaranteed to cure all troubles
of the throat, chest or lungs. Price,
50 cents and \$1. Trial bottles free at
M. D. Ellis' drug store.

PIONEER.
Lee Humphrey has remodeled and
improved his residence.

The family of Harlow Conloe have
had a siege of the measles.

J. A. Williams and wife are visiting
her sister in Nehalem valley.

W. D. McCabe has in operation on
his place an incubator of 200 egg ca-
pacity and will raise broilers for the
market.

COLLEGE NOTES.

The college is about to adopt a badge.
New students are continually en-
rolling.

The rainy season may have come,
but the college can work rain or shine.

Prof. Thompson came did not re-
turn Monday owing to the sickness of
a friend at Lafayette.

Rev. Beck will conduct the service
at the college chapel next Sunday
morning and evening.

Miss Ella Ritter was very sick Sat-
urday and Sunday, but was able to at-
tend her classes Monday.

The reception given to the faculty
and students by the citizens of Dallas
was a grand success and was highly
appreciated by students and profes-
sors. The interest of the school lies
close to the interests of the city and
every means should be taken to estab-
lish a friendly relation between them.

The literary society has postponed
its public programme one week owing
to the lecture to be given by Dr.
Kantner before the county teachers'
institute. The first programme given
last Saturday evening was nicely ren-
dered and there are evidences that
considerable talent can be found lurk-
ing in its members.

county shall be required to attend.
The county superintendent may, at

EMMA RIGGS, district president.

J. L. Atwater, of Lewisville, brought
to this market last week a load of
apples, pears, cider and potatoes. His
Burbank potatoes were beauties, 42
pounds of them making a bushel.
The barrel of cider was sold at 20
cents a gallon and he had several
varieties of very fine apples.

Women as Well as Men
Are Made Miserable by
Kidney Trouble.

Kidney trouble preys upon the mind, dis-
courages and lessens ambition; beauty, vigor
and cheerfulness soon
disappear when the kid-
neys are out of order
or diseased.

Kidney trouble has
become so prevalent
that it is not uncommon
for a child to be born
afflicted with weak kid-
neys. If the child urines
too often, if the
urine scalds the flesh or if, when the child
reaches an age when it should be able to
control the passage, it is yet afflicted with
bed-wetting, depend upon it, the cause of
the difficulty is kidney trouble, and the first
step should be towards the treatment of
these important organs. This unpleasant
trouble is due to a diseased condition of the
kidneys and bladder and not to a habit as
most people suppose.

Women as well as men are made mis-
erable with kidney and bladder trouble,
and both need the same great remedy.
The mild and the immediate effect of
Swamp-Root is soon realized. It is sold
by druggists, in fifty-
cent and one dollar
sizes. You may have a
sample bottle by mail
free, also pamphlet tel-
ling all about it, including many of the
thousands of testimonial letters received
from sufferers. In writing Dr. Kilmer
& Co., Binghamton, N. Y., be sure and
mention this paper.
