The election is over and we are licked. The nation has given an emphatic endorsement of the present administration and as loyal citizens in favor of the majority ruling, all democrats should quietly support the powers that be until there is a pronounced change of public sentiment. It is no longer wise or profitable to argue what should have been the result for it is a fixed fact that the present national policy is to continue for four more years. Discreet people take things as they are and make the most possible out of them. Democrats need not and will not concede that republican ways are the best but until a majority of the nation can be turned to our way of thinking we must take things as the other side thinks best.

Eruptions

Dry, moist, scaly, itchy, all forms of eczema or salt rheum, pimples and other cutaneous eruptions proceed from humors either inherited, or acquired through defective digestion and assimilation.
To treat these eruptions with drying medicines is dangerous.
The thing to do is to help the system to discharge the humors, and to strengthen the digestive and assimilative functions against their return.
Hood's Sarsaparilla can be confidently relied upon to do that, according to thousands of voluntary testimonials.
It effects radical and permanent cures.
"I was troubled with eczema for some time, but have had no return of the disease since taking Hood's Sarsaparilla." J. G. Hixes, Franks, Ill.
"I was troubled with pimples on my face and back and chafed skin on my body. Hood's Sarsaparilla cured me of both troubles." MISS ALVINE WOLTER, Box 212, Algona, Wis.

Hood's Sarsaparilla
is positively unequalled—the medicine for all humors.

Hood's Pills are the best cathartic.
