The Stimulus of Pure Blood

That is what is required by every organ of the body, for the proper performance of its functions.

It perfects all the vital processes.

It prevents biliousness, dyspepsia, constipation, kidney complaint, rheumatism, catarrh, nervousness, weakness, faintness, pimples, blotches, and all cutaneous eruptions.

It is assured by taking Hood's Sarsaparilla which acts directly and peculiarly on the blood.

This statement is proved by thousands of unsolicited testimonials.

W. P KEEROS, Woodstock, Ala., writes: "When I began taking Hood's Sarsaparilla my blood was impure and I had not been feeling well for some time. I was bothered very much with that tired feeling. When I had taken the medicine a few days I began to feel better, and after taking two bottles I felt like another person. That tired feeling was gone and I could do my work."

ZENA SUNDAY SCHOOL RALLY

The session of the Polk county district Sunday school convention which met at Zena Sunday November 4th at Spring Valley Presbyterian church, proved a very enthusiastic gathering of Sunday school workers. An occasion of a feast of good things. In addition to the very earnest and efficient set of district officers we had with us Mr. Reid, vice president of the state and president of the Marion county Sunday school association; Mrs. W. R. Winans, president of the state home department of Sunday school work, and Mrs. W. A. Wash, president of the Polk county Sunday school association, all of whom very earnestly and most ably assisted in making the meeting a grand success. The enthusiasm in the Sunday school work of the district can be judged by the fact that of the ten Sunday schools in the district, nine reported and were represented at the rally, Perrydale school only failing to respond. Great credit is due our district president, Miss Emma Riggs, for her untiring efforts and enthusiastic devotion to the cause which has been of inestimable value in promoting the interests of the Sunday school work in our district. The program was opened by congregational singing. Scripture reading by Rev. A. C. Leabo superintendent of the Highland Sunday school. Invocation by Rev. G. R. Morehead. Song by congregation. Address, "What Organization means" by Mr. R. Reid. The speaker showed by the treatment of his subject that in union and systematic effort only there is strength. A paper "The needs of the Sunday school," by Mrs. Kelty, superintendent Bethel Sunday school. Emphasis was placed upon the need of more earnest, prayerful, painstaking teachers, a more uniform system of literature, and the parental indifference and responsibility of taking the children to Sunday school. A motion song by six little girls and a quartet by Bethel Sunday school. An address by Mr. Pierce, superintendent Summit Sunday school, "How may teachers meetings be made most useful." The points brought out by Mr. Pierce were, that the teacher may become more conversant with and fuller of the subject to be taught, before attempting to impart the knowledge of the lesson to his class. Recitation, Horace Sykes. A very instructive object lesson to the children, subject "The Bible," by Mrs. W. A. Wash. Dismission for dinner. Afternoon session opened by singing. One minute silent prayer by congregation for the success of the meeting, after which the congregation was led in prayer by Rev. J. R. Shepard. A paper "The essentials to successful teaching of the Bible," by Rev. G. R. Morehead. A very practicable view of the subject was presented, that while a thorough knowledge of the Bible is very beneficial, yet much good may be accomplished by the earnest efforts of those of a less extended knowledge. Also that while truly converted teachers are preferable, yet in the absence of such much good might result from the efforts of those who are not. Collection was presented and a good talk on organization by Mrs. W. A. Wash. The speaker in her very able and instructive way beautifully represented organization of the Sunday school work by a tree. The trunk corresponded to the state Sunday school association, the large branches to the county association and the lesser branches and leaves to the district association. Amount of collection, $6. Presentation of the home department work and valuable practical suggestions and information by Mrs R. W. Winans, president home department of Sunday school work. Solo by Miss Greta Phillips. Discussion, led by A. B. Chandler, superintendent of the Ballston Sunday school, followed by Superintendent Gray and wife, of North Spring Valley Sunday school, on "How can we retain the adults as members of the Sunday school." Mr. Chandler emphasized the work done and to be done by the Home department as the best means to accomplish the object. Mrs. Gray advocated the power of earnest, devoted power, true sanctification as the best means of accomplishing the desired results. There was a class recitation by three little ones a recitation by Mamie Gerth and a motion song by a class from the Lincoln Sunday school. A paper on "are we securing practical results from our Sunday school," was a most excellent an exhaustive treatment of the subject. Comment fails of effect, as to have been rightly appreciated it must be heard. The report of the district secretary, Mrs. Lois Green, was read and these officers nominated and elected: President, Miss Emma Riggs; vice president, A. B. Chandler; secretary, W. T. Pearce; treasurer, Mrs. Lois Green.

Price including the spraying tube is 75 cts. Druggists or by mail. The liquid form embodies the medicinal properties of the solid preparation. Cream Balm is quickly absorbed by the membrane and does not dry up the secretion but changes them to a natural and healthy character. Ely Brothers, 56 Warren street, New York.

A tenant house on the premises of Wilson Bump, occupied by Mr. Weatherford, was the scene of a daring daylight robbery on Wednesday of last week. Mr. Weatherford left the house about 10 o'clock in the morning and on his return at noon found that some one had entered it and stolen $125 and a suit of clothes from a trunk kept in one of the rooms. As suspicion does not rest upon any one living in the neighborhood, he thinks the theft was committed by a stranger who was seen in the vicinity the day before, and who disappeared in a direction not noticed by any of the neighbors. The loss is a serious one to Mr. Weatherford as the money stolen was the net proceeds of the year's work.
