LOCAL AND GENERAL.

WHAT WE HAVE LEARNED DURING THE WEEK FROM ALL AVAIL-

Able Sources Dished up for Our Numerous Family of Readers In Abreviated Paragraphs.

Baled hay and mill feed at Osfield's Spectacles and glasses at Pfennig's.

We are always glad to hear from or about former residents of this county now living elsewhere. Here is a hint by which some school Here is a hint by which some school districts may profit. All unexpended school money on the first of March goes back into the general fund. The law silows \$30 or more annually for school apparatus and new is the time for full handed districts to provide such needed things. Another fact which districts can use to advantage is that the county school superior. age is that the county school superin-tendent can get for them all kinds of school furniture at reduced rates.

C. H. Morris, the enterprising Dall-as jeweler, is fully stocked with all staple goods in his line. Time pieces to suit everybody and eye glasses for all who need them.

An interesting series of revival meetings are being held at the Methodist church by Evangelist Phelps of the Evangelical church, he being assisted by the ministers of the different denominations. Daily afternoon services and preaching every evening to large congregations.

took a donation claim of 160 acres about six miles northwest of Dallas, beyond the home of J. R. Robbins. He soon died and it seems that no one else ever gained legal possession. At least so thinks Hardy Holman, who has filed on it and thinks he can make inent business man of Salem, for
