

For Brain Fag

Loss of mental energy, lack of thought power, failing memory or inability to concentrate the mind on the work in hand, there is nothing so good as Dr. Miles' Nervine. Its powerful influence in building up and strengthening the broken-down nerves, makes this great remedy an invaluable brain-food and restorative. It nourishes, fortifies and refreshes the tired and worn-out brain and gives new strength, new life, and new energy to the system.

Dr. Miles' Nervine

Adds renewed force to the system, puts a new light in the eye, gives new firmness to the step and new life to the mind. Now is the time to try it.

Sold by all druggists on a guarantee.

Dr. Miles Medical Co., Elkhart, Ind.

"My nerves were debilitated, and I had much dullness, confusion of thought and inability to perform accustomed brain work. After severe mental effort I would be so overcome and weak that my stomach was greatly deranged. Hearing of Dr. Miles' Nervine I began taking it; and I truly believe a good share of the nerve energy I have since enjoyed is due to its influence."

Remarkable Cures of Rheumatism
The editor of the Vindicator has had occasion to test the efficacy of Chamberlain's Pain Balm twice with the most remarkable results in each case. First, with rheumatism in the shoulder from which he suffered excruciating pain for ten days, which was relieved with two applications of Pain Balm, rubbing the parts afflicted and realizing instant benefit and entire relief in a very short time. Second, in rheumatism of thigh joint, almost prostrating him with severe pain, which was relieved by two applications, rubbing with the liniment on retiring at night, and getting up free from pain.—From the Vindicator. THE STORY OF MY LIFE.
I first saw the light of day under a burning Oregon sun and was tenderly cared for until I became fully developed. Then I was cocooned up in a bag and put in the hot hold of a ship bound for Portland Oregon, where the epicures gave me a hot roast. Their toast was: 'Here is to good old fife. Drink her down.' I have met a warm reception everywhere and no more pleasing one than that at Brown's, the optician dealer in groceries and dry goods. Call and see me. I am only 25 cents a pound. 512 BRAND.
