

DIRT CLEARANCE.

It is a good plan for every bath to know something of the soap he uses. There is a well-founded objection to using a floor-cleaning soap upon the human body. Ivory Soap is the bath's soap. It costs more than common soaps, but the difference is in the ingredients and making. Why not treat yourself with a little respect. Is not the human skin with its marvellous delicacy entitled to pure soap? Ivory Soap—it floats.

The Dallas W. C. T. U.

The chief credit for the recent moral purification of our town is due to that organization. The claim of some that a high degree of morality has existed right along throughout the community everybody knows to be untrue. Many of the evils have been laid bare by the W. C. T. U., the ministers and this paper and no one has dared to deny the statements made. But, now, thanks to the temperance ladies, backed by a healthy public sentiment, betterments have been and are being made and nasty things and nasty people are sinking away. Vile dens and their inmates and frequenters have been compelled to change for the better. Again we say all honor to the noble women who have been instrumental in bringing it about.

Sold by all grocers.

It was recommended to me by a druggist as the best cough medicine for children as it contained no opium or other harmful drug." For sale by A. K. Wilson.

Sunday School Workers. The convention to be held here March 30th promises to be of unusual importance and profit. Live subjects are to be discussed by those who understand them. Field Worker Dotson will have considerable to say about the value of the association and means of getting the most out of it. In the evening he will tell of the opportunities of the Sunday school hour and at the Sunday afternoon rally he will show how to reach the unreachables. Among other valuable talks will be those concerning Department Lay by Mrs. Poling and The Home Decision by Mrs. Winans. Not only those engaged in Sunday school work, but all parents and young people may be made stronger and better by attendance.

A Big Surprise. Forty-two years ago last Friday T. W. Brunk was born this side of Eola and has lived there all his days. His neighbors proposed to give him a dose that he would not soon forget, so that evening they waited until he had gone to bed and then 85 of them marched in and took possession. Every fellow, male and female, bought a basket of something good to eat and at 10:30 began to force their hospitality on Mr. Brunk. They kept on eating until 3 o'clock next morning, when some went home and others remained until broad daylight. From start to finish everybody had a good time generally and the victim pronounced it the largest and most pleasant experience of his life.

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours. A sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also a convincing proof that the kidneys and bladder are out of order.

What To Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, cures every wish in curing rheumatism, pain in the kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail.

Address Dr. Kilmer, Swamp-Root Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Dallas now has a new charter and a new criminal ordinance combining all the old ones in keeping therewith and well suited to the interests of the community. We have carefully read it and it seems to guard and protect every interest of our citizens at large. There is nothing in it to work a hardship or injustice on any well behaved law abiding person, but if the coming mayor's council and city council do their full duty many guilty ones will escape the punishment they deserve. The present council have spent much time and thought in devising a set of laws to meet almost every emergency and deserve great credit for it.

MARRIED THIRTY YEARS.

At Waitsburg, Washington, March 19th, 1861, David J. Whiteaker and Mrs. Lucella Titus were married by Rev. Adams, and since then as good neighbors, good friends and good citizens they have happily together rowed down the stream of life. On the 30th anniversary of their wedding day a goodly number of kindred and friends repaired to their beautiful country home near Monmouth to add another bright star to their many pleasant memories. Many were the sincere expressions of good will by all present and the gifts were attractive and useful. Two nice rocking chairs were given by Mrs. Susan Jones, Mr. and Mrs. R. H. Knox, J. A. Mills, J. L. Stockton, F. E. Chambers, G. A. Wilcox, B. F. Whiteaker, G. W. Whiteaker and Mr. Hedges. Mr. Mills made a presentation speech and Mrs. Whiteaker feelingly responded. The Smyrna rug was from Mrs. J. H. Mulkey, Mrs. C. Lorence and Miss Martin. Mr. and Mrs. Harvey Guthrie gave a fruit dish, Ada and George Whiteaker a water jar, and Campbell Bros. a pretty picture. Before separating ice cream and cake were served and in the evening some young people were entertained. The guests were Mrs. M. J. Cosper and Mrs. E. S. Levens of Dallas, B. Ferguson and wife, George Adkins and wife, G. L. Whiteaker and wife, H. E. Guthrie and wife, G. Lorence and wife, Mrs. Seibert, Mrs. E. Ferguson, Mrs. J. H. Mulkey, Miss Laura Martin, J. L.
