Is removed by Hood's Sarsaparilla so completely that a radical and permanent cure is effected.

This statement is proved by thousands of voluntary testimonials. S. L. VERNON, Waverling, N. Y., writes: "When our daughter was two years old, she broke out all over her face and head with scrofula sores. Nothing we did for her seemed to do her any good, and we had become almost discouraged when we thought we would try Hood's Sarsaparilla. The first bottle helped her when she had taken six the sores were all healed and her face was smooth. She has never shown any sign of the scrofula returning."

Hood's Sarsaparilla cleanses the system of all humors inherited or acquired and makes rich, healthy blood. Hood's Pills cure liver, bile, non-irritating and only cathartic to take with Hood's Sarsaparilla.

Keeping the Balance Up.

It has been truthfully said that any disturbance of the even balance of health causes serious trouble. Nobody can be too careful to keep this balance up. When people begin to lose appetite, or to get tired easily, the least imprudence brings on sickness, weakness, or debility. The system needs a tonic, craves it, and should not be denied it, and the best tonic of which we have any knowledge is Hood's Sarsaparilla. What this medicine has done in keeping healthy people healthy, in keeping up the even balance of health, gives it the same distinction as a preventive that it enjoys as a cure. Its early use has illustrated the wisdom of the old saying that a stitch in time saves nine. Take Hood's for appetite, strength and endurance.
