"THE BEST PICNIC

For years" was the verdict rendered by all at the conclusion of the Woodman picnic last Saturday evening. There was absolutely no kick coming from any source—the large crowd had plenty of amusement furnished them and nice weather to enjoy it, and the shows, stands, etc., enjoyed a very healthy run of trade. The crowd was very large—about 4,000—taking into consideration the fact that there was a very hard rain that morning over the majority of Polk county, and that the weather was very threatening around Dallas. By the time the parade formed all danger of rain was passed and the people settled down to full enjeyment of the day's pleasures. The committee had prepared a little surprise by engaging at a late hour the Chemawa Indian band to come and help our band furnish music. One of the members of their band of 27 pieces was the little Fillippino, Manuel, who was brought back with the Second Oregon. About 300 Woodmen turned out in the parade and were awarded souvenir badges. The exercises at the ground were short and appropriated, Prof. Campbell's address being particularly well received. The sports at the grounds were admirably well conducted, as there were no waits, rows, kicks, accidents nor anything else to mar the pleasure of all, and the crowd was kept off the ground so that all could see what was going on. After the ball game Mr. Shaw, the champion trick bicycle rider of the Pacific coast, gave a wonderful exhibition of his agility and a bicycle's subserviance to his wishes. This was another event not promised by the committee. The crowd soon dispersed, except those who stayed for the dance, which was a great success. Here are the winners of the contests:

Chopping—W. R. Craven, of Dallas camp; Walker Fitts, of Salem camp.

Sawing — Farley Bros., of Dallas camp; Dykstra and Oviatt, of Mill Creek camp.

Nail driving—Mrs. F. Kerslake, of Mt. Hood circle; Mrs. Joe East, of Dallas circle.

100-yard dash—Prof. Bailey, Monmouth; — Guthrie, Dallas.

220-yard dash—Prof. Bailey, Monmouth; Bert Stiles, Dallas.

Pillow fight—Leslie Miller, Dallas; Lloyd Coad, Dallas.

Greased pig—Henry Zumwalt.

220 yard college dash—Willamette university; Dallas college.

Halfmile college dash—Monmouth normal; Willamette university.

Tug-of-war—Monmouth camp; Dallas cam.

Ball game—Chemawa beat Albany by a score of 12 to 3.

The Stimulus of Pure Blood

That is what is required by every organ of the body, for the proper performance of its functions.

It perfects all the vital processes.

It prevents billiousness, dyspepsia, constipation, kidney complaint, rheumatism, catarrh, nervousness, weakness, faintness, pimples, biotches, and all cutaneous eruptions.

It is assured by taking Hood's Sarsaparilla which acts directly and peculiarly on the blood.

This statement is proved by thousands of unsolicited testimonials.

W. P KERTON, Woodstock, Ala., writes: "When I began taking Hood's Sarsaparilla my blood was impure and I had not been feeling well for some time. I was bothered very much with that tired feeling. When I had taken the medicine a few days I began to feel better, and after taking two bottles I felt like another person. That tired feeling was gone and I could do my work."

Hood's Sarsaparilla

rids the blood of scrofulous and all other humors and all foreign matters.
