DAINTY box, an exquisite wrapper, a delicate color, and a clinging fragrance—yet all these will not cleanse the skin! Has it ever occured to you that you pay big prices for these things? Do you care to buy five articles or do you require only one—a strictly pure soap. Remember you pay for perfume whenever you buy it mixed with soap. Don't you think it is wiser to make your own selection of perfume and buy it separately? It is certainly the method adopted by most persons of cultivated taste, those who bathe with pure Ivory Soap.
