mommie says. I'm a 'Pache, so you better look out."

It was a dubious sport for Gay, and when it came to the killing part she screamed lustily.

"You've woked him up an' 'polled it all," said Dubs in a tone of accusation. "Now he'll want his knife."

Sure enough, the Coyote That Bites The Moorish druggists of Arabia were the first to display colored globes did shake his brown legs and arms quite vigorously, but the last two big swallows of mescal held him down. So, after turning over and burying his

hatchetlike face in the sand, he lay quiet again. When he had thus turned over, was brought into view the rifle, which had been concealed by his dirty blanket. Dubs eyed the weapon with covetops the breath sweet and agreeable.

cyes. He could not withstand the temp The southern states contain one-quar-ter of the area of the Union and have tation of feeling it all over, standing It up on its butt and trying to shoulder it, but this last feat he could hardly practically as much agricultural prodaccomplish.
