**Repairing Neatly Done**

Never thought of such a sign for a medicine did you? Well, it's a good sign for Scott's Emulsion. The body has to be repaired like other things and Scott's Emulsion is the medicine that does it.

These poor bodies wear out from worry, from over-work, from disease. They get thin and weak. Some of the new ones are not well made—and all of the old ones are racked from long usage.

Scott's Emulsion fixes all kinds. It does the work both inside and out. It makes soft bones hard, thin blood red, weak lungs strong, hollow places full. Only the best materials are used in the patching and the patches don't show through the new glow of health.

No one has to wait his turn. You can do it yourself—yourself and the bottle.

**Tremendous Auction Sale**

Of an immense stock of clothing—hats, dry goods, gentlemen's furnishings goods, hosiery, gloves, notions, stationery, cutlery, blankets, quilts, etc., etc. The above goods are all new and fresh from the factories. On account of the strikes in San Francisco and several eastern cities, the manufacturers were unable to move their goods in time for the fall trade, and have therefore sold over \$25,000 worth of goods to be disposed of at the purchaser's own price. They are now being sold by S. Friedman, auctioneer, on the corner of State and Commercial streets. Sales will begin at 1 o'clock p. m., and continue until January 1st. It will pay people to come from a distance, as well as those who live in the immediate vicinity, and attend these sales, for there is no reserve. Every article is sold for whatever the bidders give, as for instance: An overcoat worth \$10 only brought \$2.00; a dress pattern worth \$4.75 sold for 35 cents; a table cloth worth \$1.50 brought 35 cents. Many articles brought ridiculously low prices. Hats worth \$2.50 went as low as 40 cents. Yet the sales will go on to a finish regardless of the consequences. Any one in need of clothing, dress goods, furnishing goods, hats, etc., and want to buy yourself at your own price. Take them away. You will be convinced of the fact when you come to the auction, no says
