Under our New Today department will be found a variety of offerings. Adds placed there almost invariably bring satisfactory results.

Most of our merchants keep their goods displayed in a manner that would be creditable to a much larger town. That is a good advertisement among those who live near by, but some of them need to use more printers ink to get those at a distance to come and deal with them.

John W. Simpson, of Corvallis, has sold to John Loy 125 acres of land west of Buena Vista for \$3,000.

There is but little idleness among the farmers of this county. Nearly all of them are improving their premises and getting ready for next year's crop.

About 200 bodies have been converted into ashes at the crematorium near Portland, the latest being that of D. P. Thompson, a distinguished citizen who died last week.

Several Dallas ladies who had such attractive sweet pea bowers last summer have again planted some along their yard or garden fences to help beautify the town next summer.

While storms, blizzards and intense cold are prevailing throughout the east, we have been having mild weather.

McMinville having over one hundred telephones in operation, now has an all night service.

An Ancient Foe

To health and happiness is Scrofula—as ugly as ever since time immemorial. It causes bunches in the neck, disfigures the skin, inflames the mucous membrane, wastes the muscles, weakens the bones, reduces the power of resistance to disease and the capacity for recovery, and develops into consumption.

"A bunch appeared on the left side of my neck. It caused great pain, was lanced, and became a running sore. I went into a general decline. I was persuaded to try Hood's Sarsaparilla, and when I had taken six bottles my neck was healed, and I have never had any trouble of the kind since."—
MRS. K. T. STUBBS, Troy, Ohio.

Hood's Sarsaparilla and Pills

will rid you of it, radically and permanently, as they have rid thousands.

Postmaster Palmer

L. D. Palmer.
Dr. Miles' Heart Cure:

"I suffered agonizing pain in the left breast and between my shoulders from heart trouble. My heart would palpitate, flutter, then skip beats, until I could no longer lie in bed. Night after night I walked the floor, for to lie down would have meant sudden death. My condition seemed almost hopeless when I began taking Dr. Miles' Heart Cure, but it helped me from the first. Later I took Dr. Miles' Nervine with the Heart Cure and the effect was astonishing. I earnestly implore similar sufferers to give these remedies a trial."

Sold by all Druggists on guarantee.

Dr. Miles Medical Co., Elkhart, Ind.

The last of the series of lectures for the benefit of our college, was given Monday evening and drew a crowded house. As a whole they have been highly entertaining and instructive.

Almost without exception, the dairy business has proven profitable where intelligently established and vigorously pushed. Many localities in the east, much less favorably situated than Dallas, have several of them. All we need here is for somebody who understands the business to make a start. It would necessarily be small to begin with, but as nearly all farmers have been converted to the stock raising industry, there would soon be plenty of cows to supply a good sized creamery.

The basket social of the college athletic association was well attended and a bushel of fun bubbled up here, there and everywhere. Some of the lunch partnerships were delightful and some otherwise.

For 6 months the days have been getting shorter until now they are only 8 hours and 45 minutes in length. From this time until June 22nd, there will be a gradual increase to over 15 hours.

This paper will be sent to any desired address to be paid for in wood next summer.

The Bee Hive people have been almost too busy to eat during the past week. Their Christmas goods seem to have struck the popular fancy, for nearly every body has bought something there. Though depleted in amount, they still have a great variety from which to select. The quicker you go the more sure you will be to get what you want.

The Christmas Dinner. In spite of the fact that the word dyspepsia means literally bad cook, it will not be fair for many to lay the blame on the cook if they begin the Christmas dinner with little appetite and end it with distress or nausea. It may not be fair for any of us to do that, let us hope so for the sake of the cook! The disease dyspepsia indicates a bad stomach, or a weak stomach, rather than a bad cook, and for a weak stomach there is nothing else equal to Hood's Sarsaparilla. It gives the stomach vigor and tone, cures dyspepsia, creates appetite and makes eating the pleasure it should be.

You Know What You Are Taking when you take Grove's Tasteless Chill Tonic because the formula is plainly printed on every bottle showing that it is simply iron and quinine in a tasteless form. No cure, no pay. 50 cents.

If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.
